

VIAGGIO A TULUM

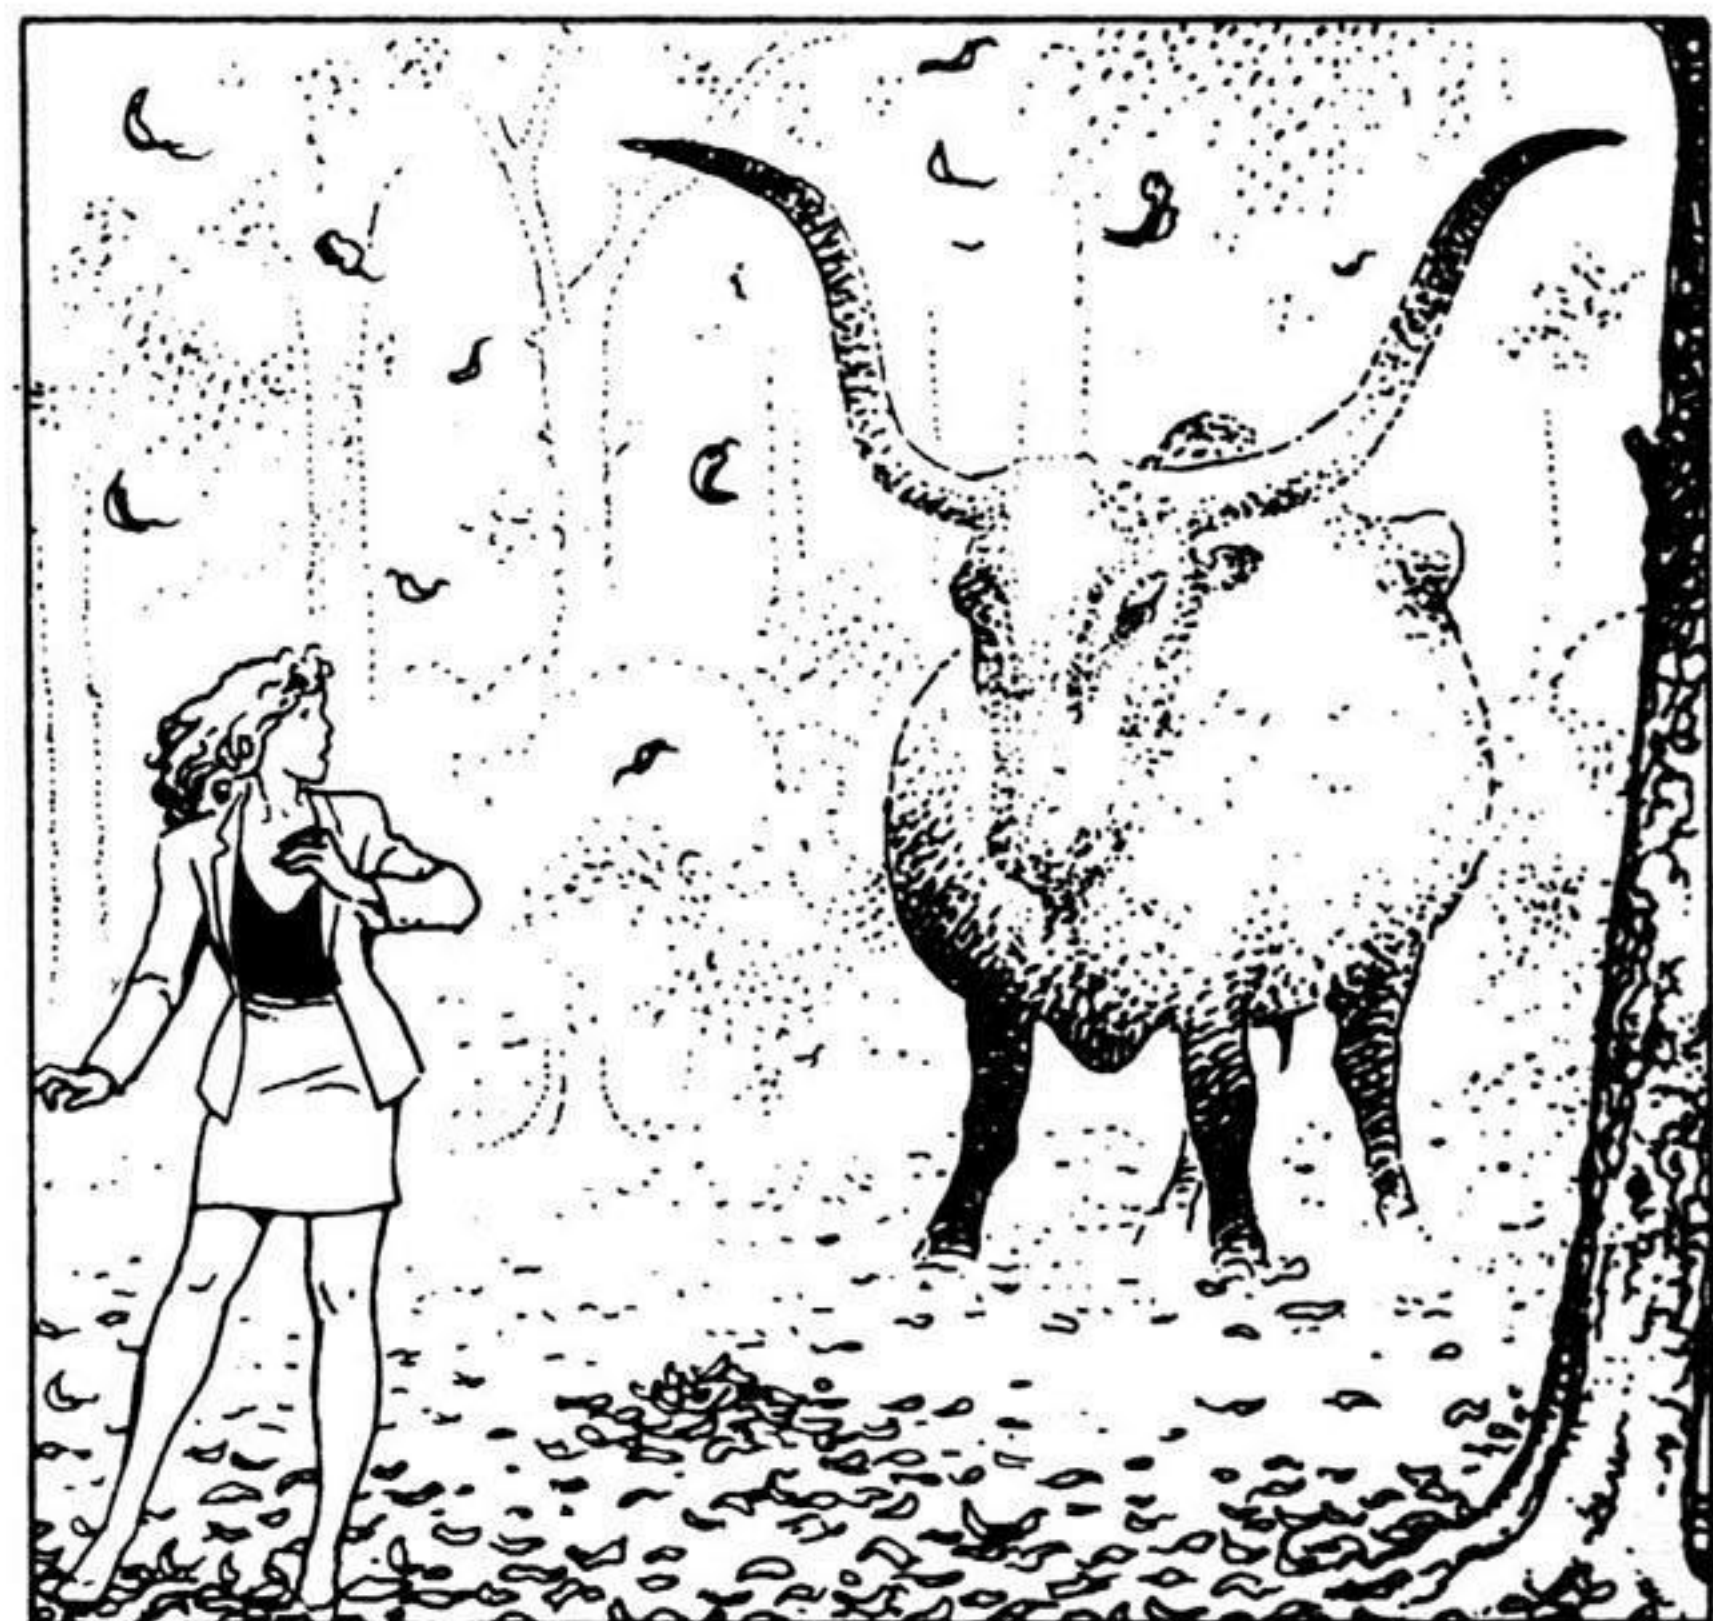

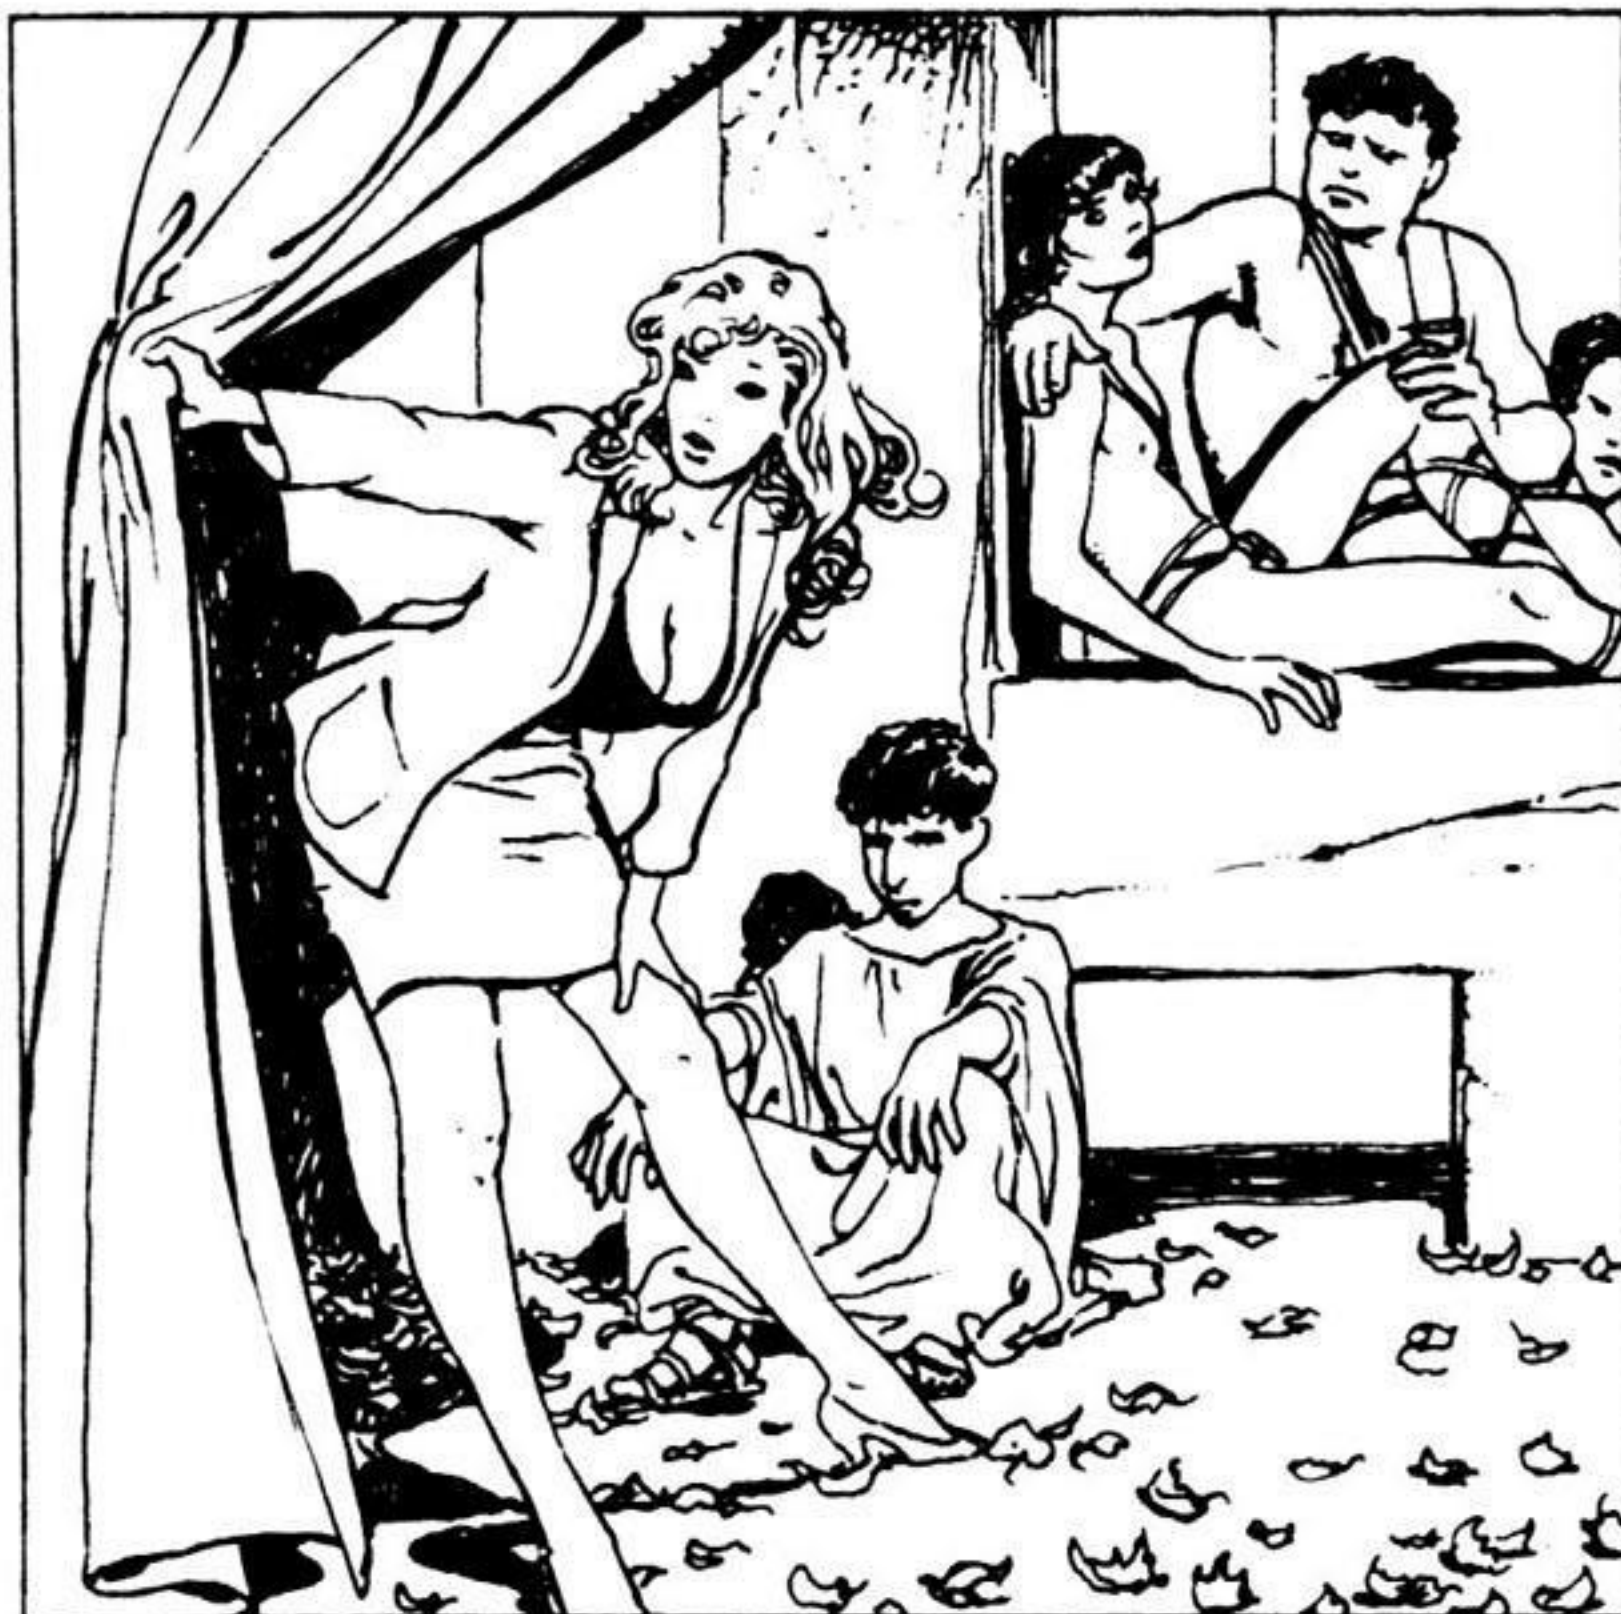

DI FEDERICO FELLINI

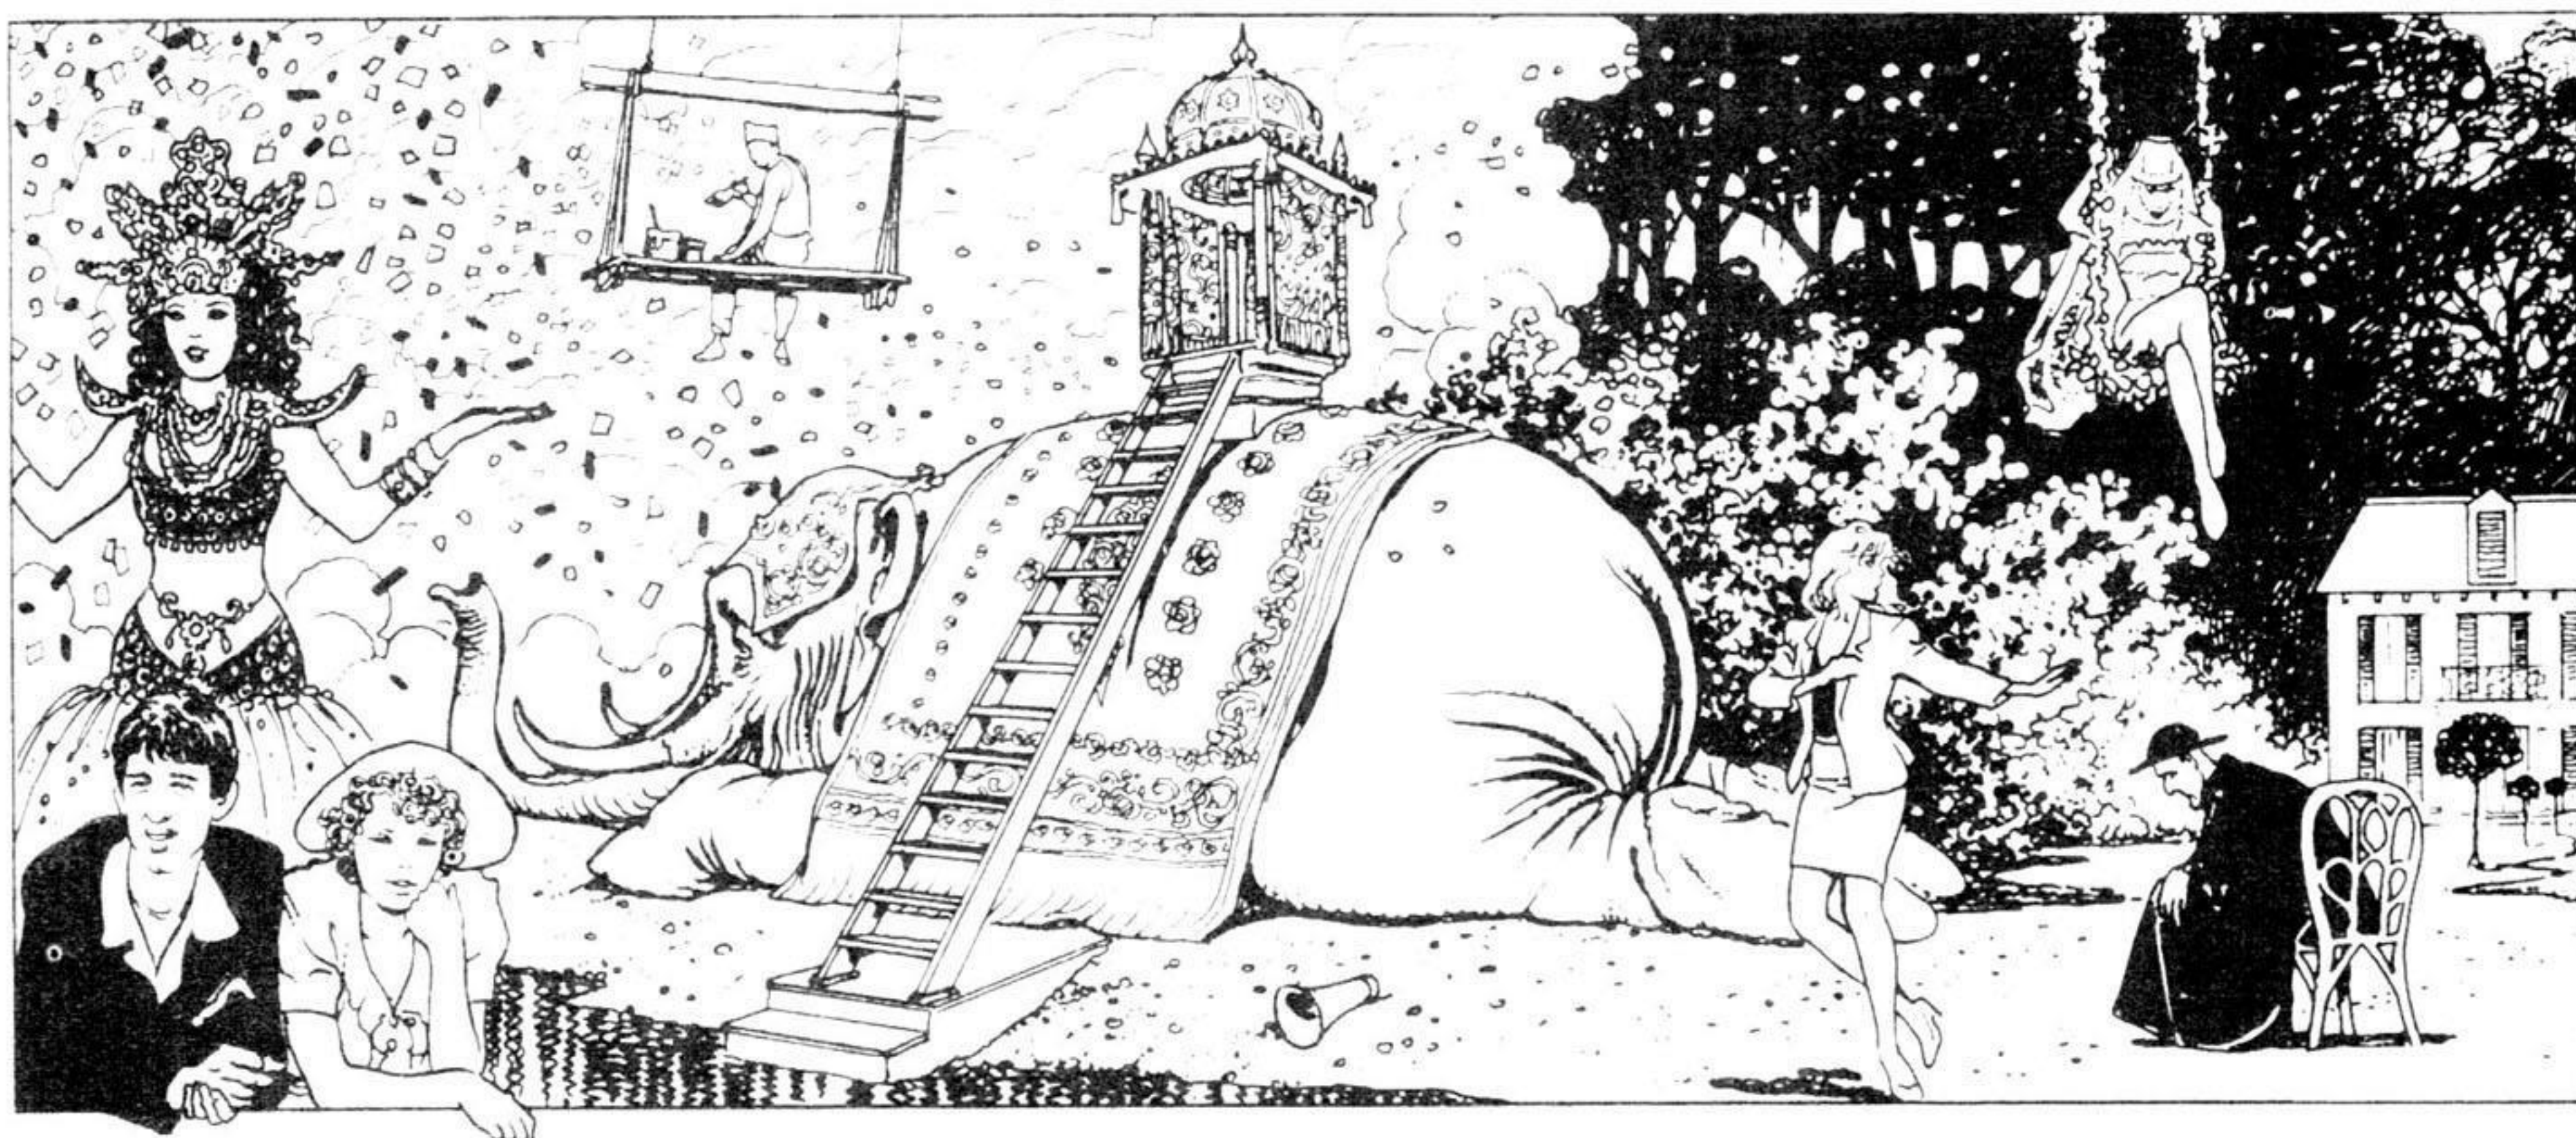

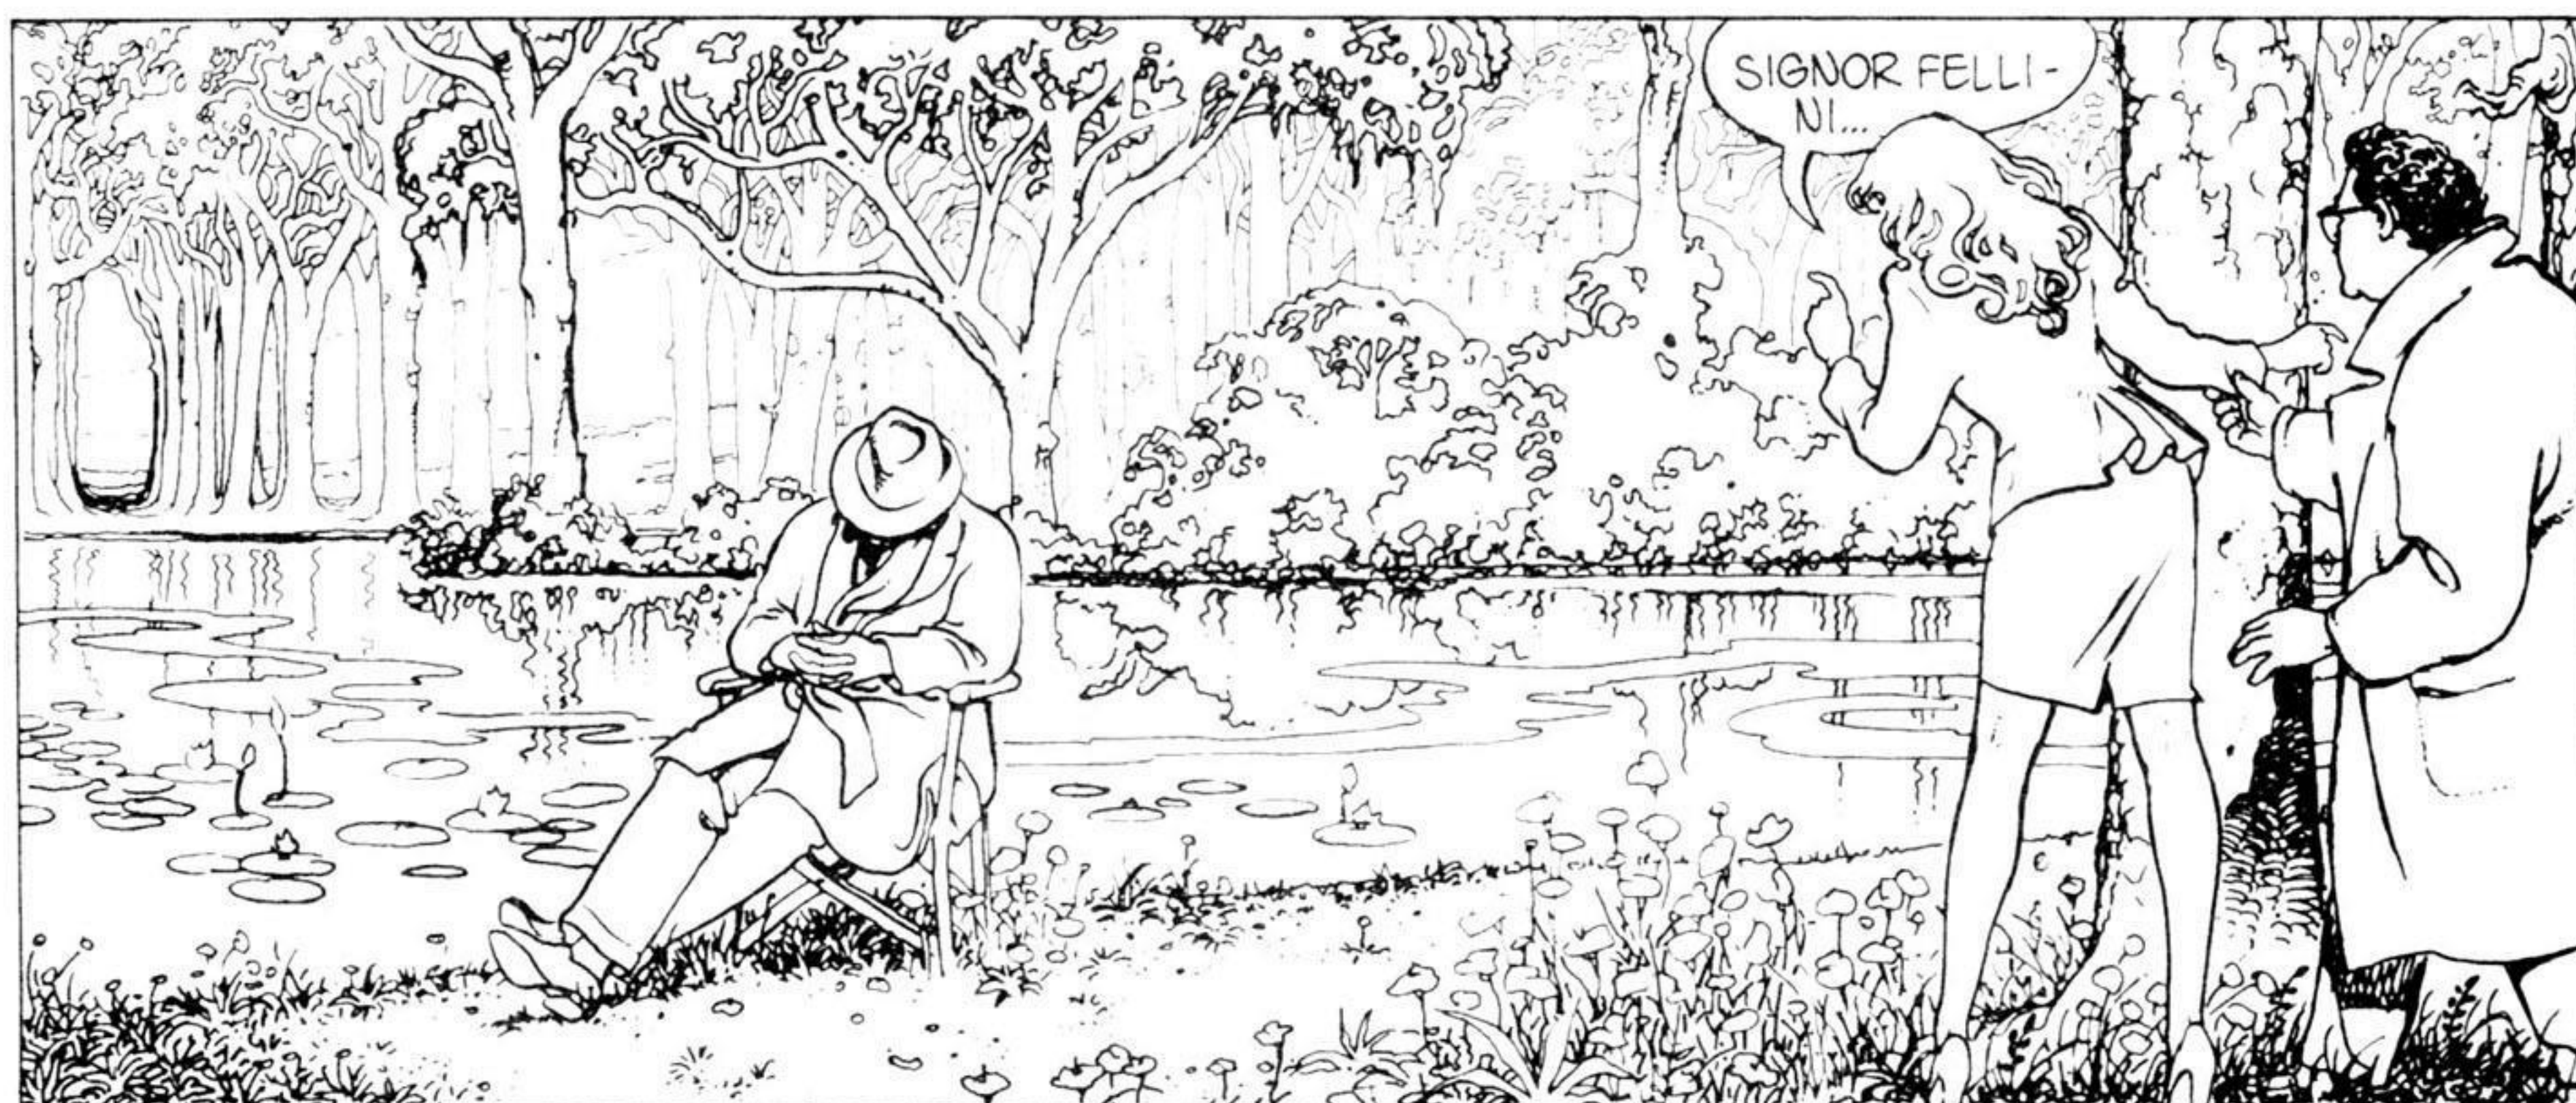

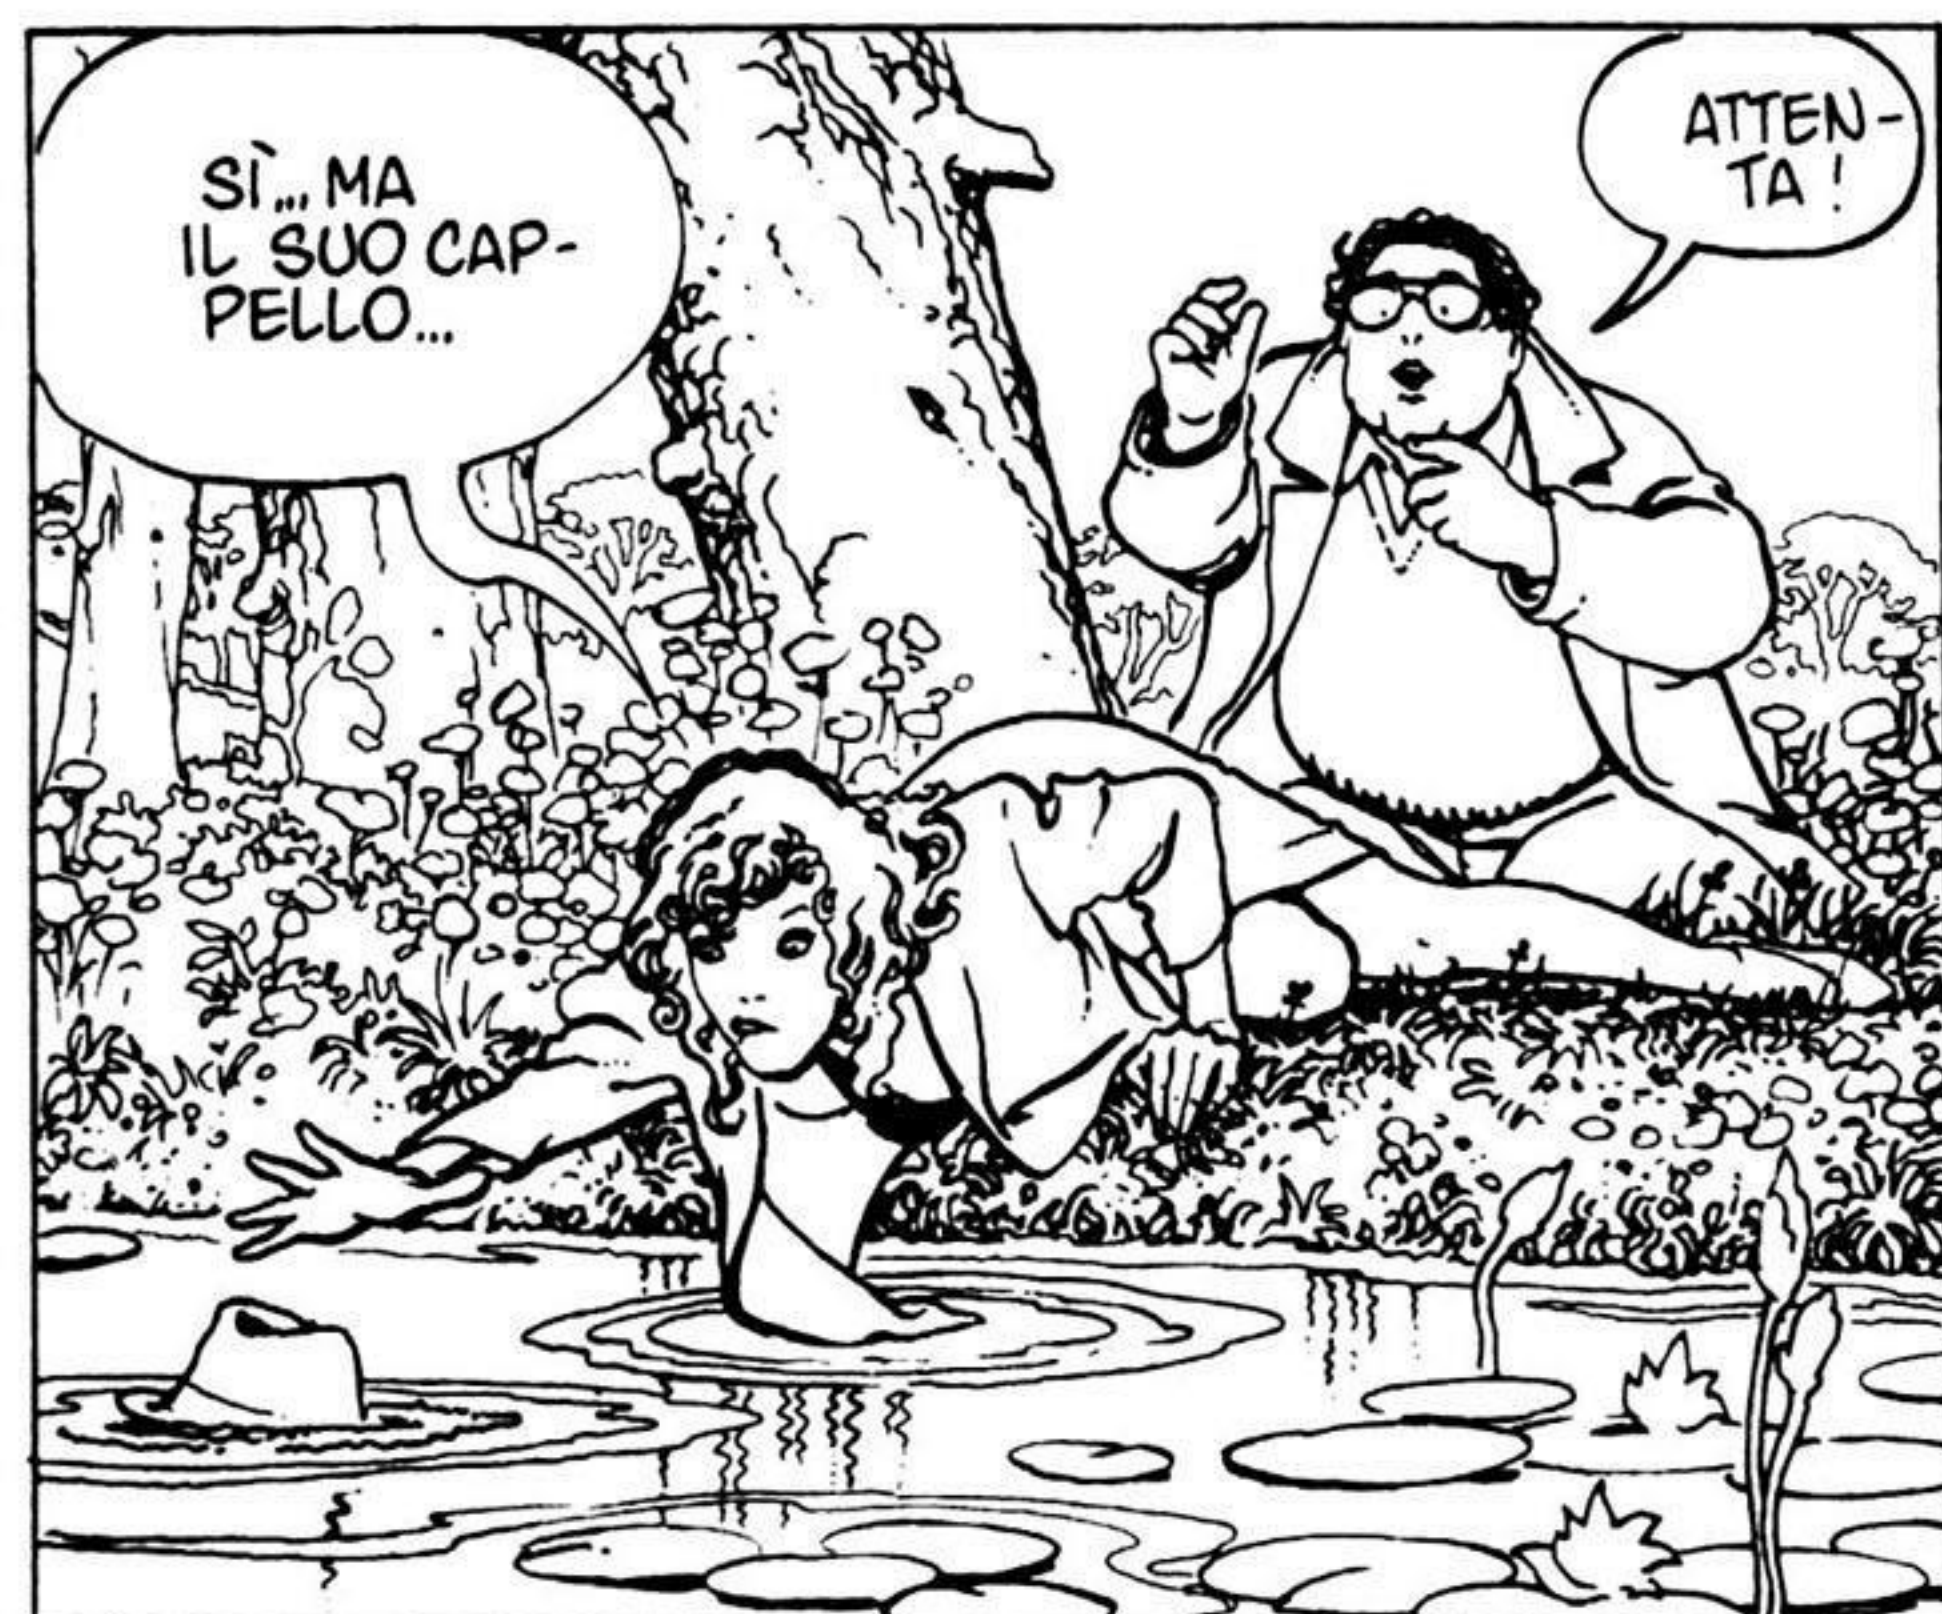

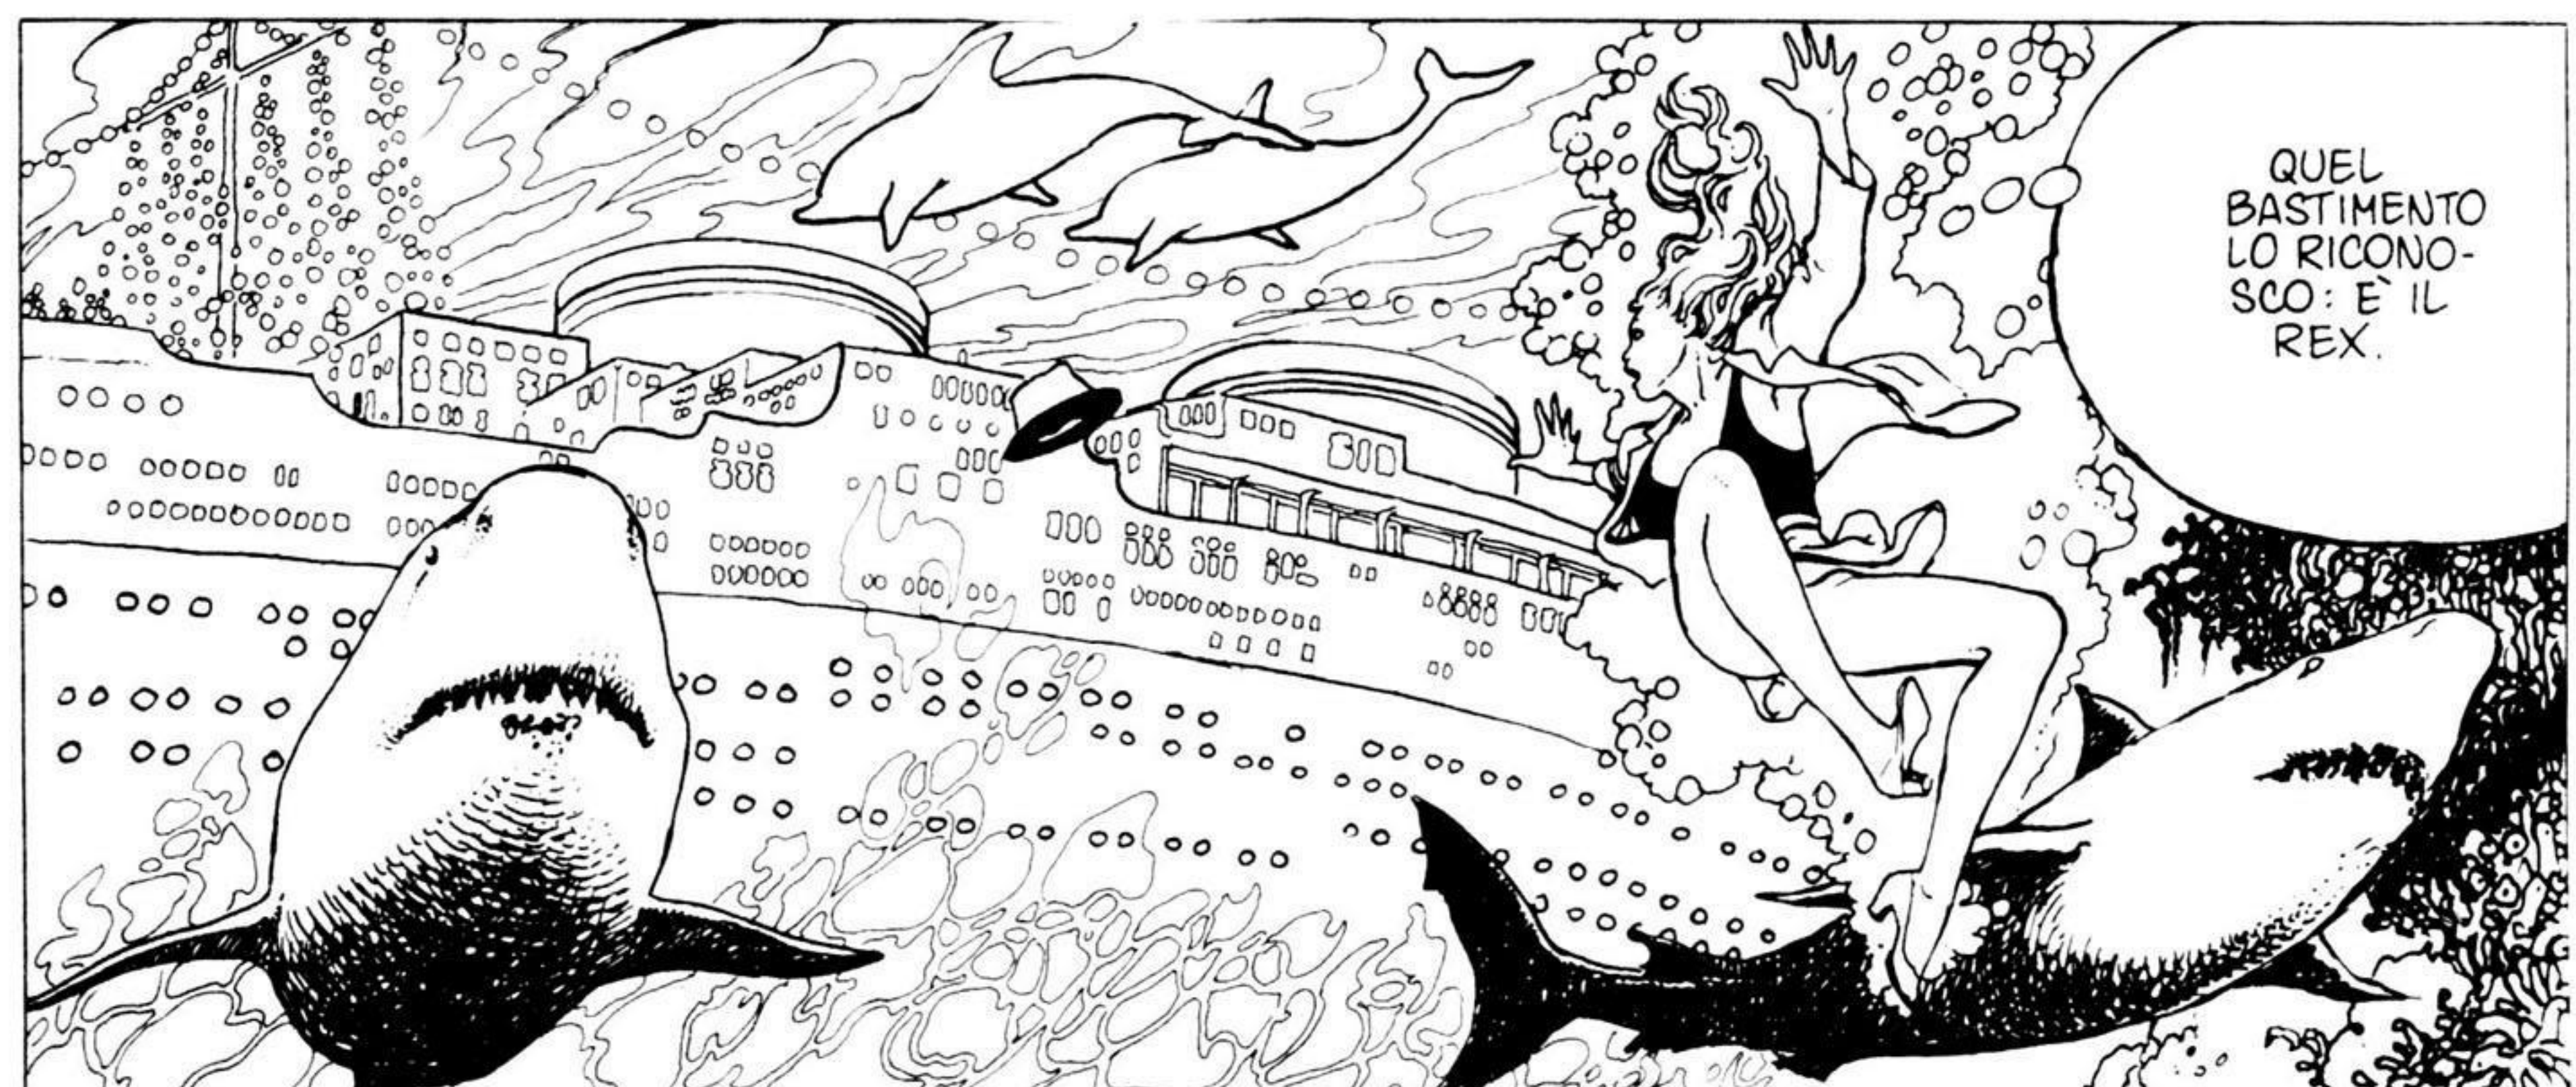

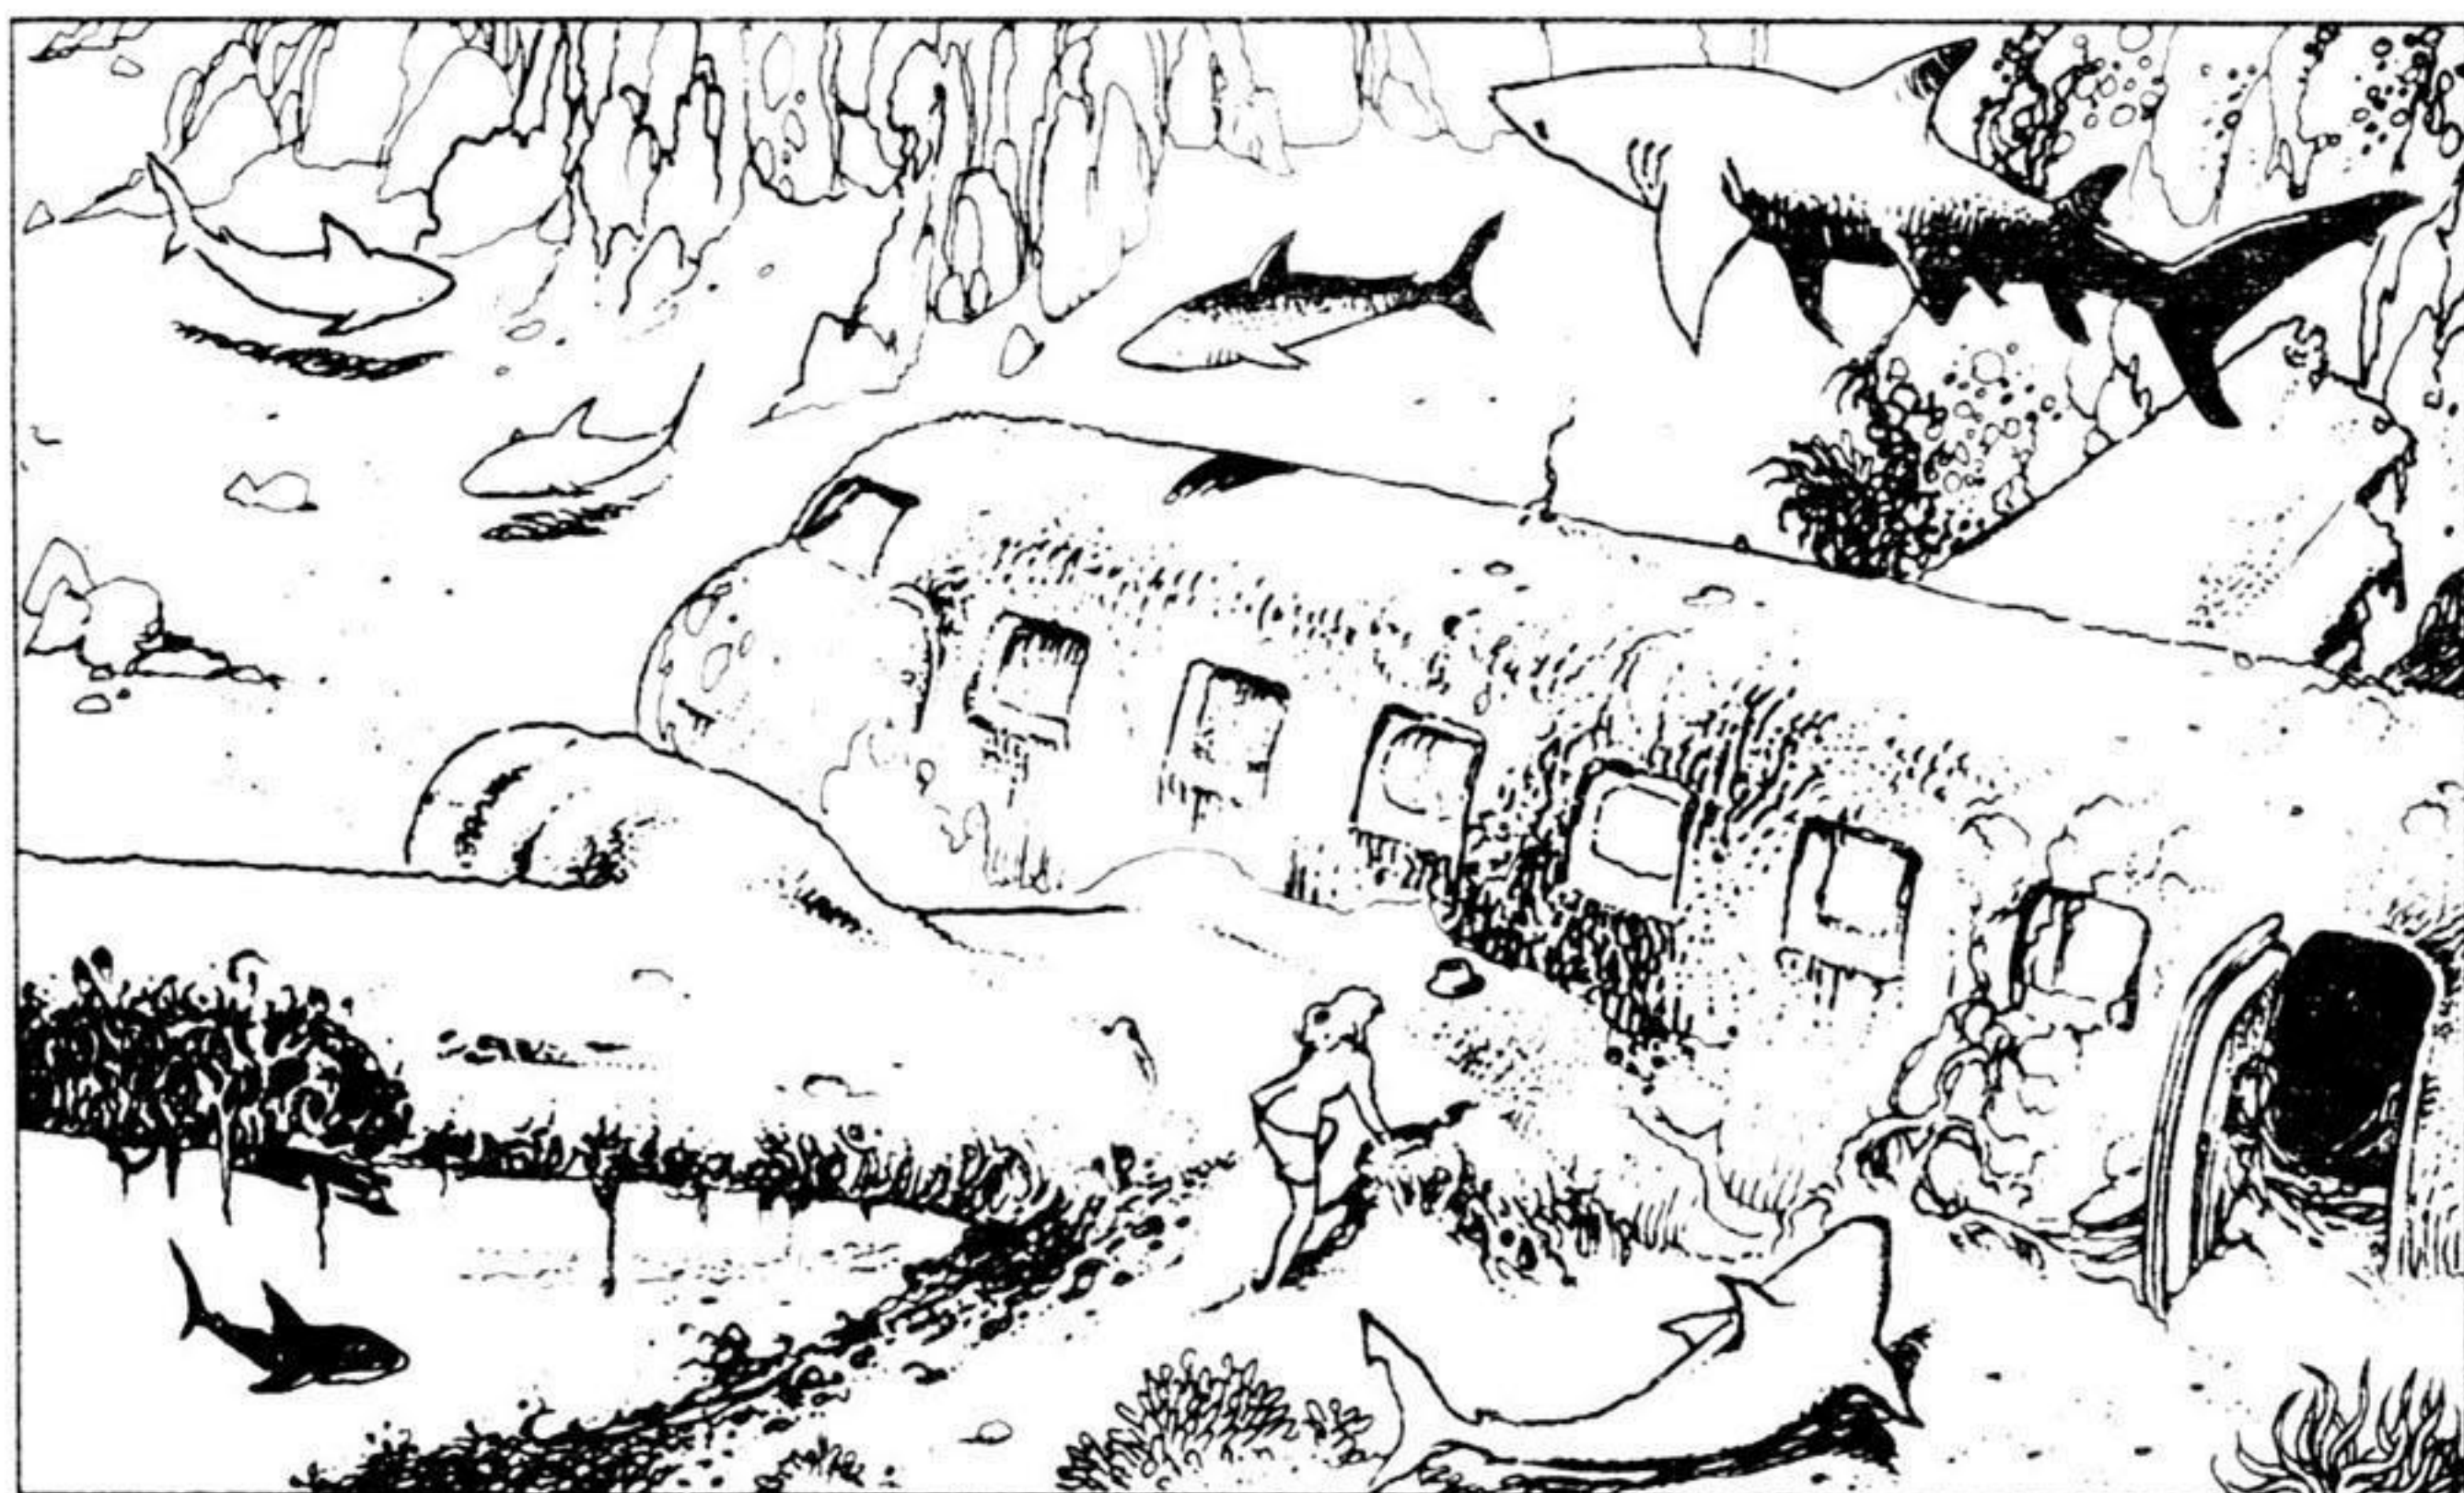

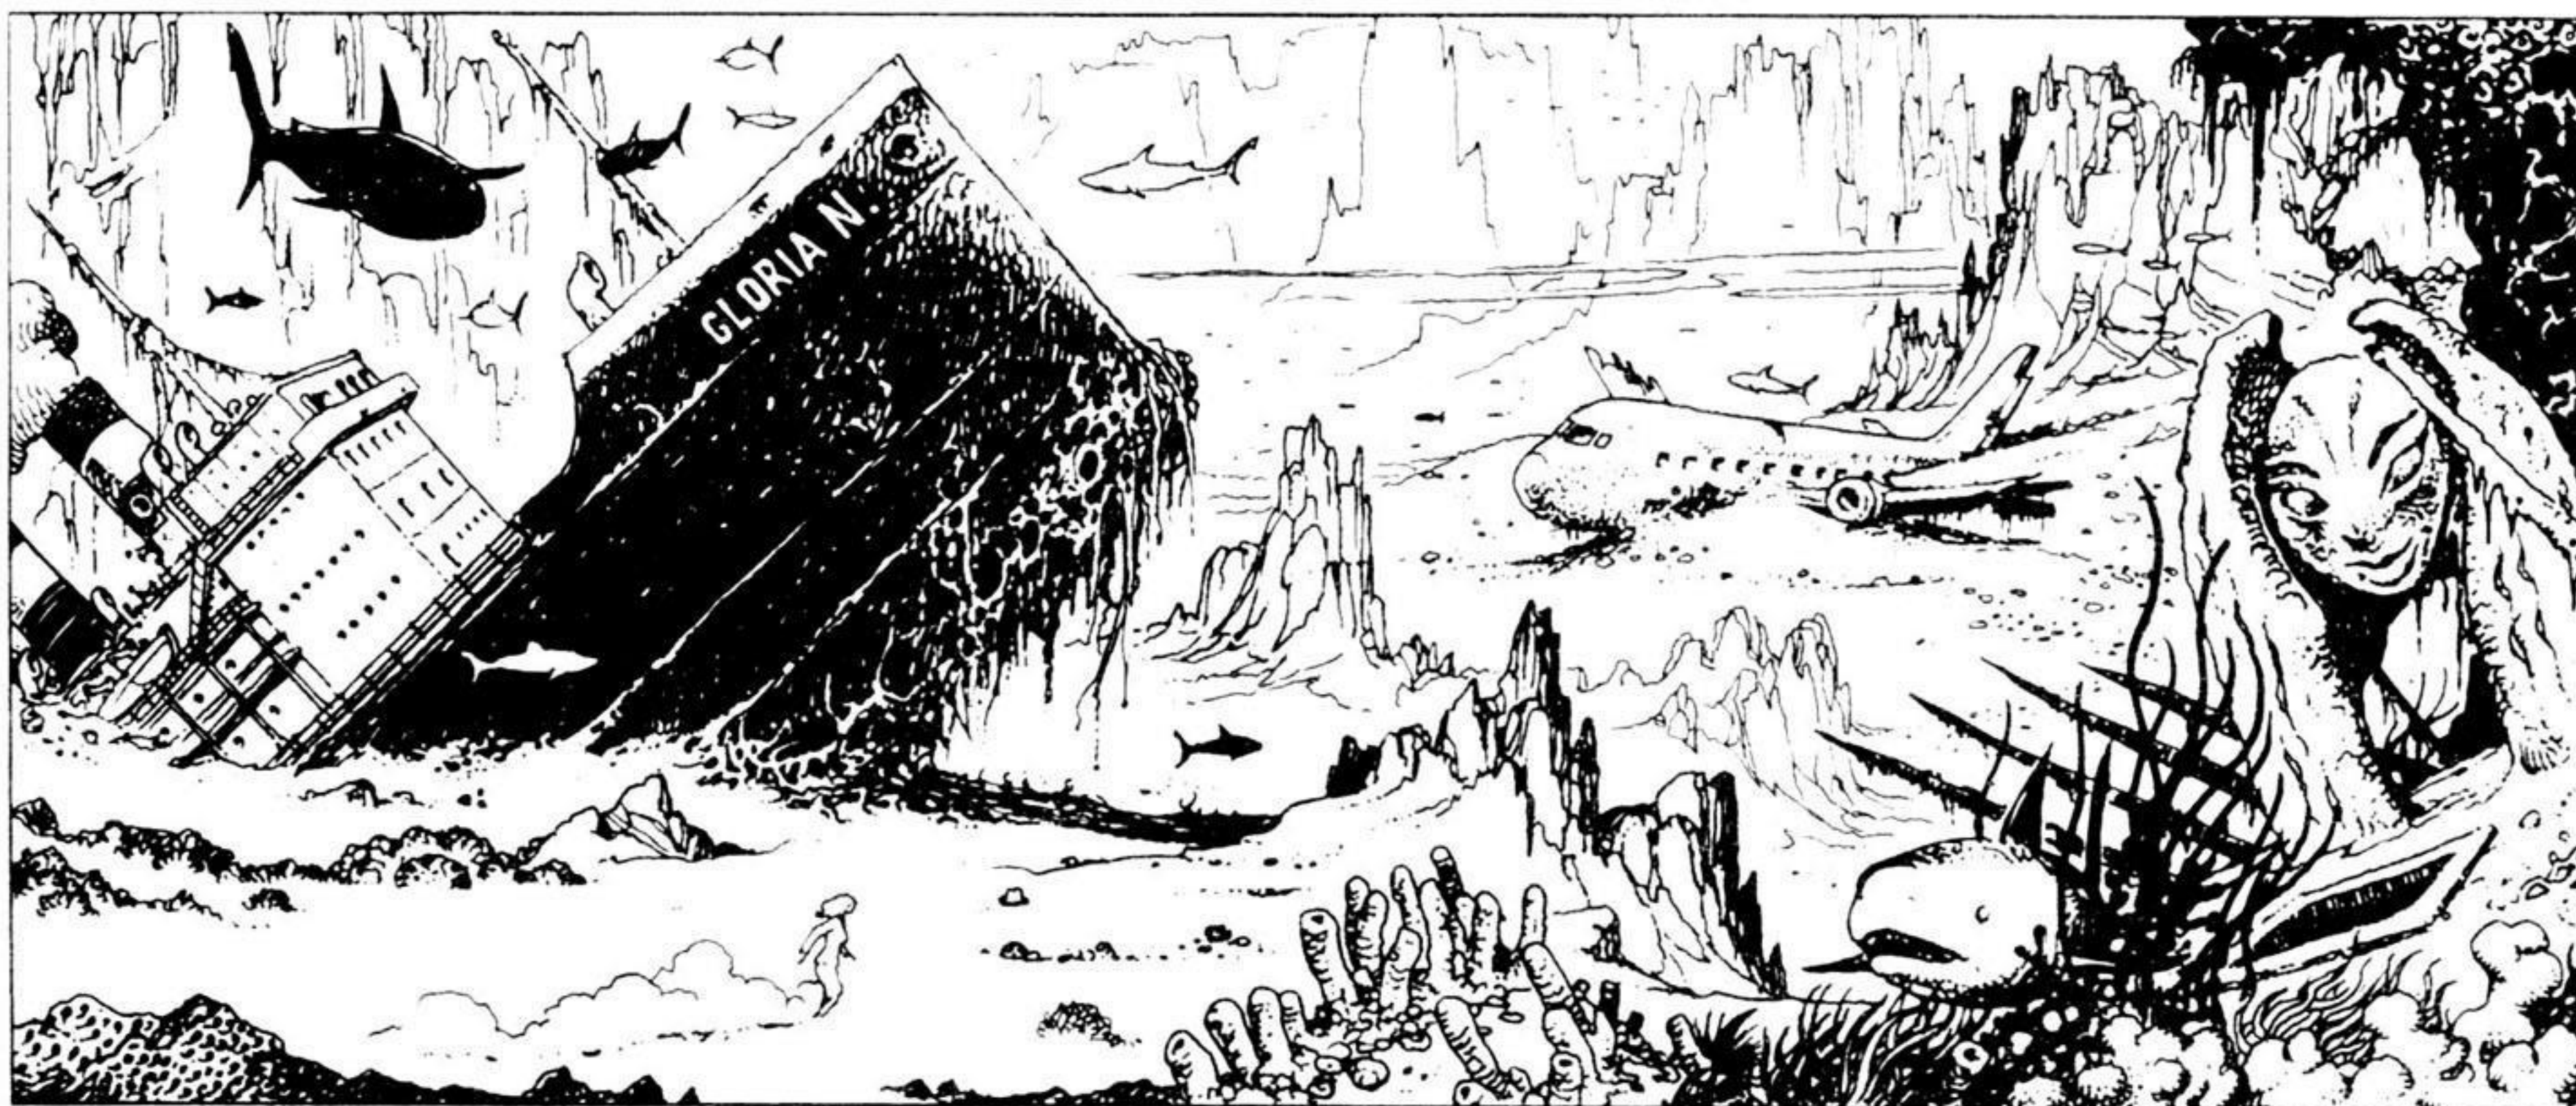

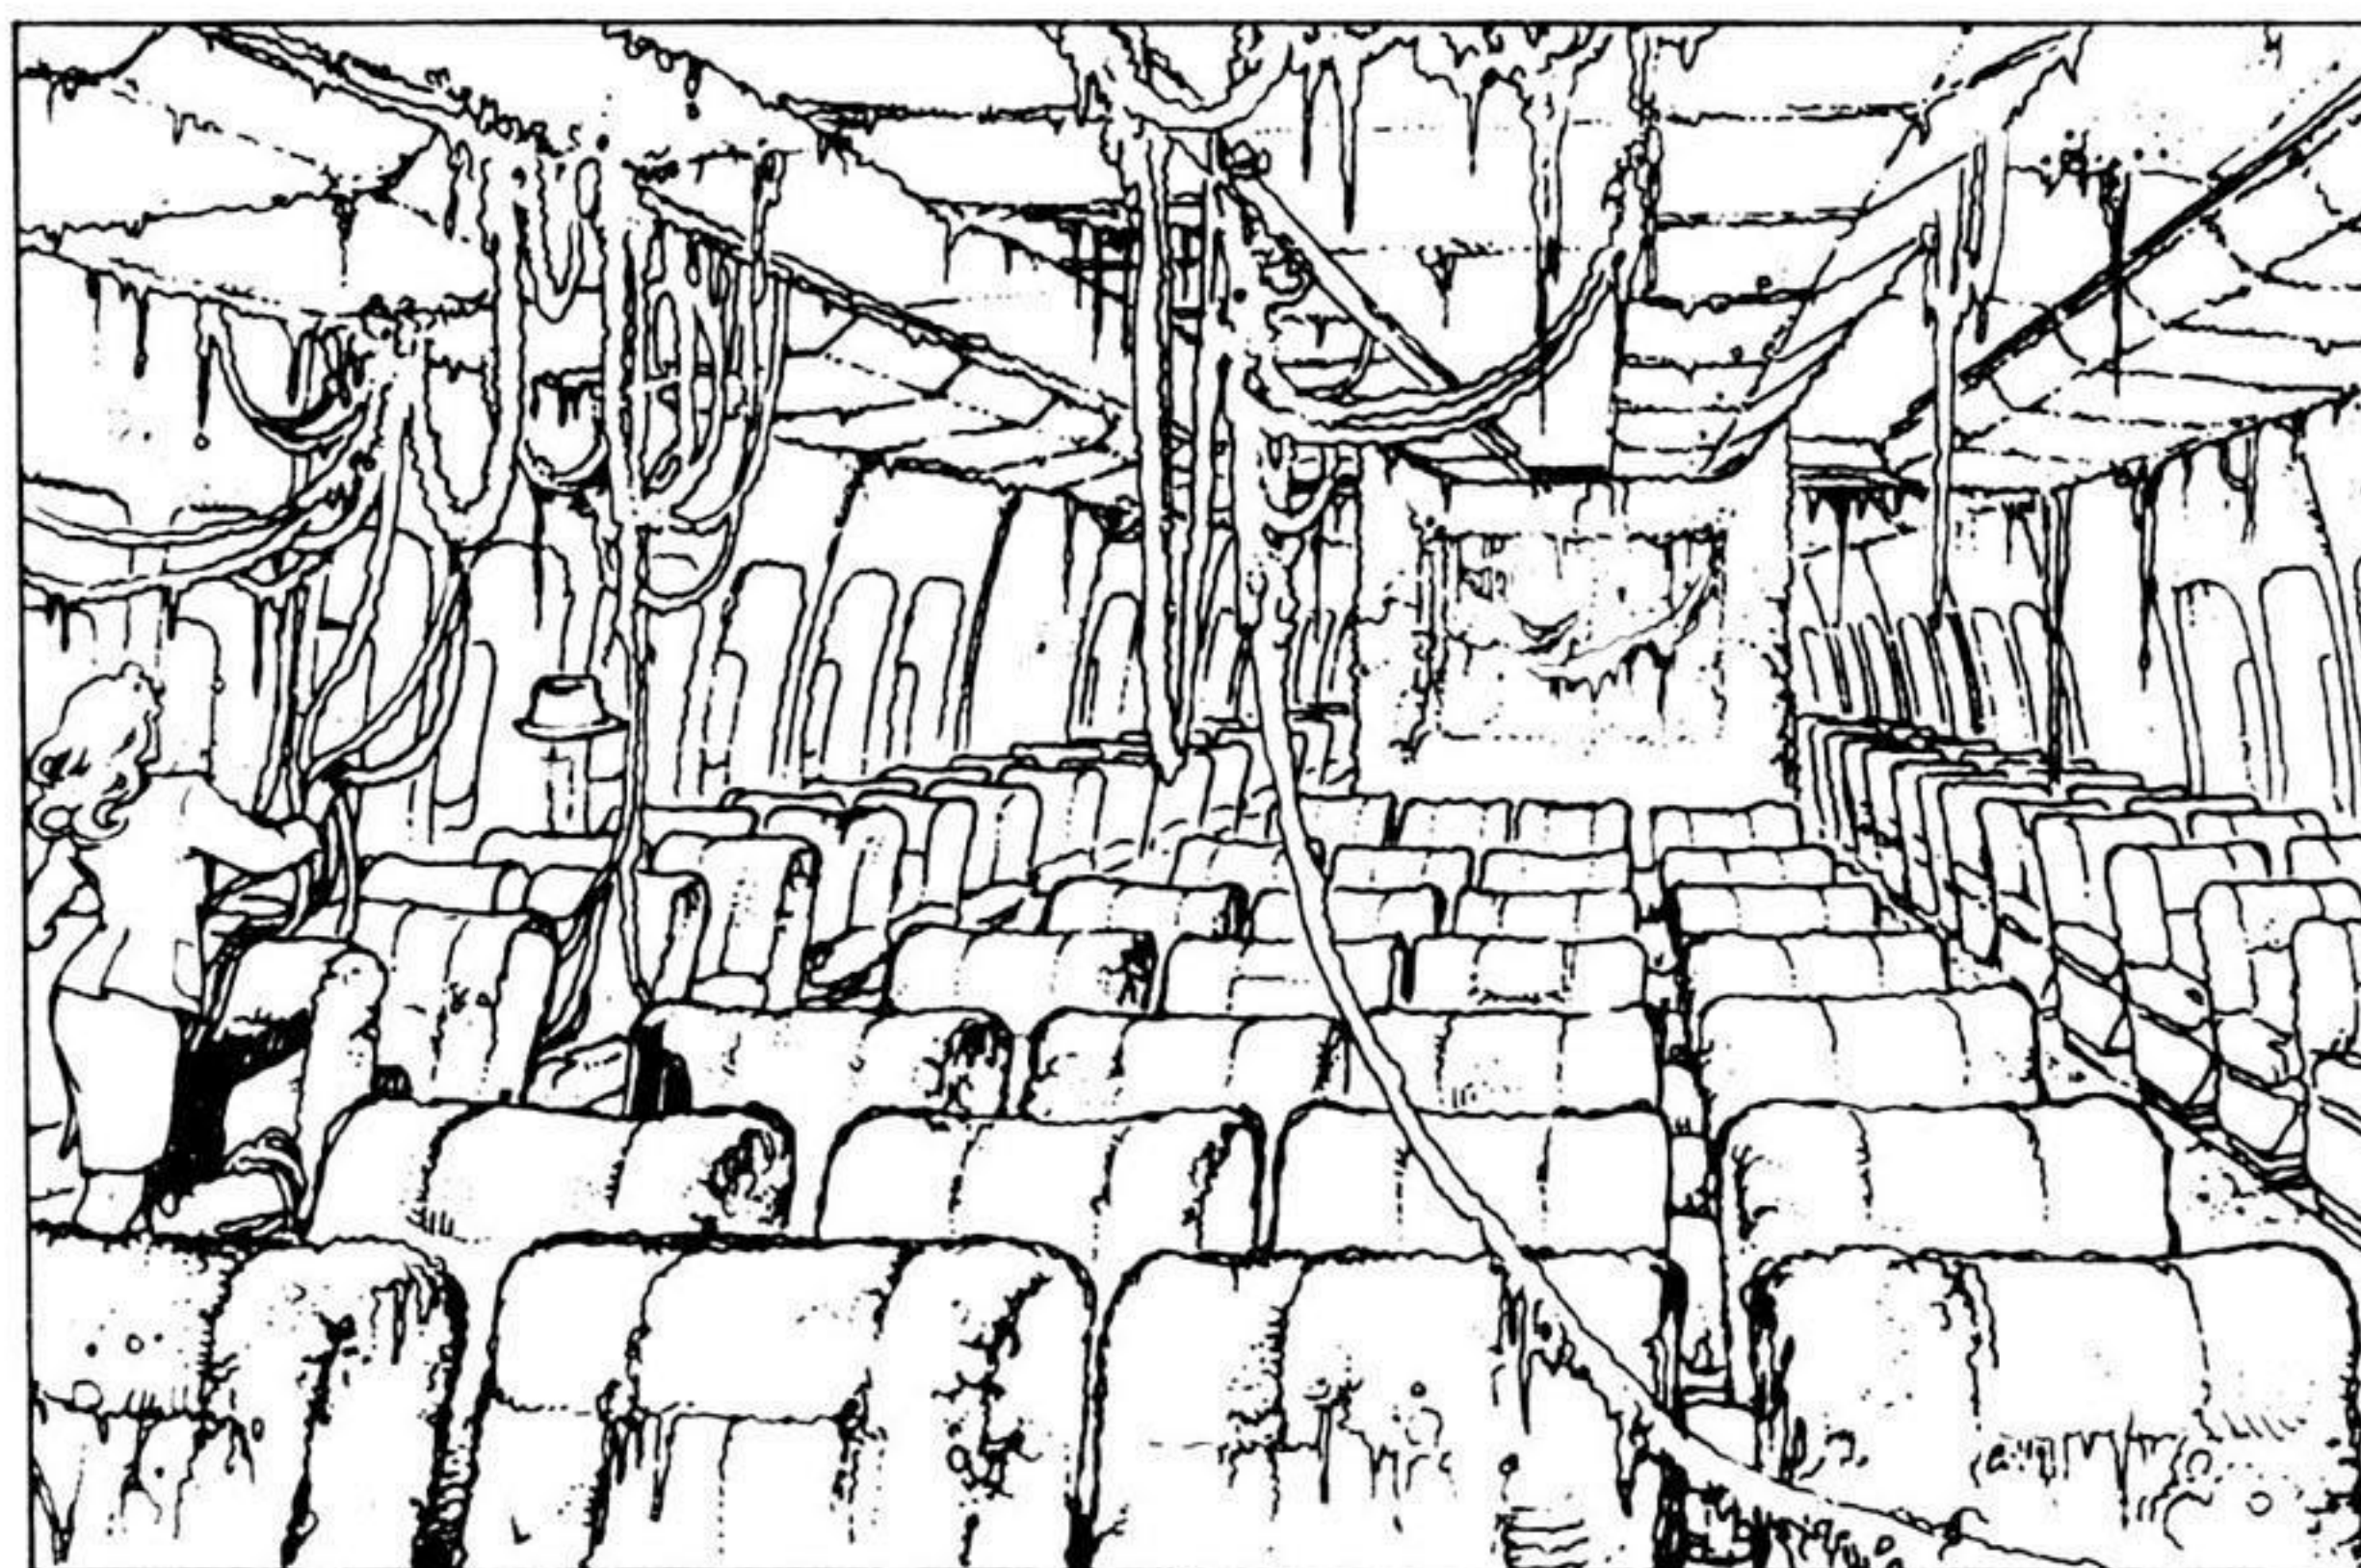

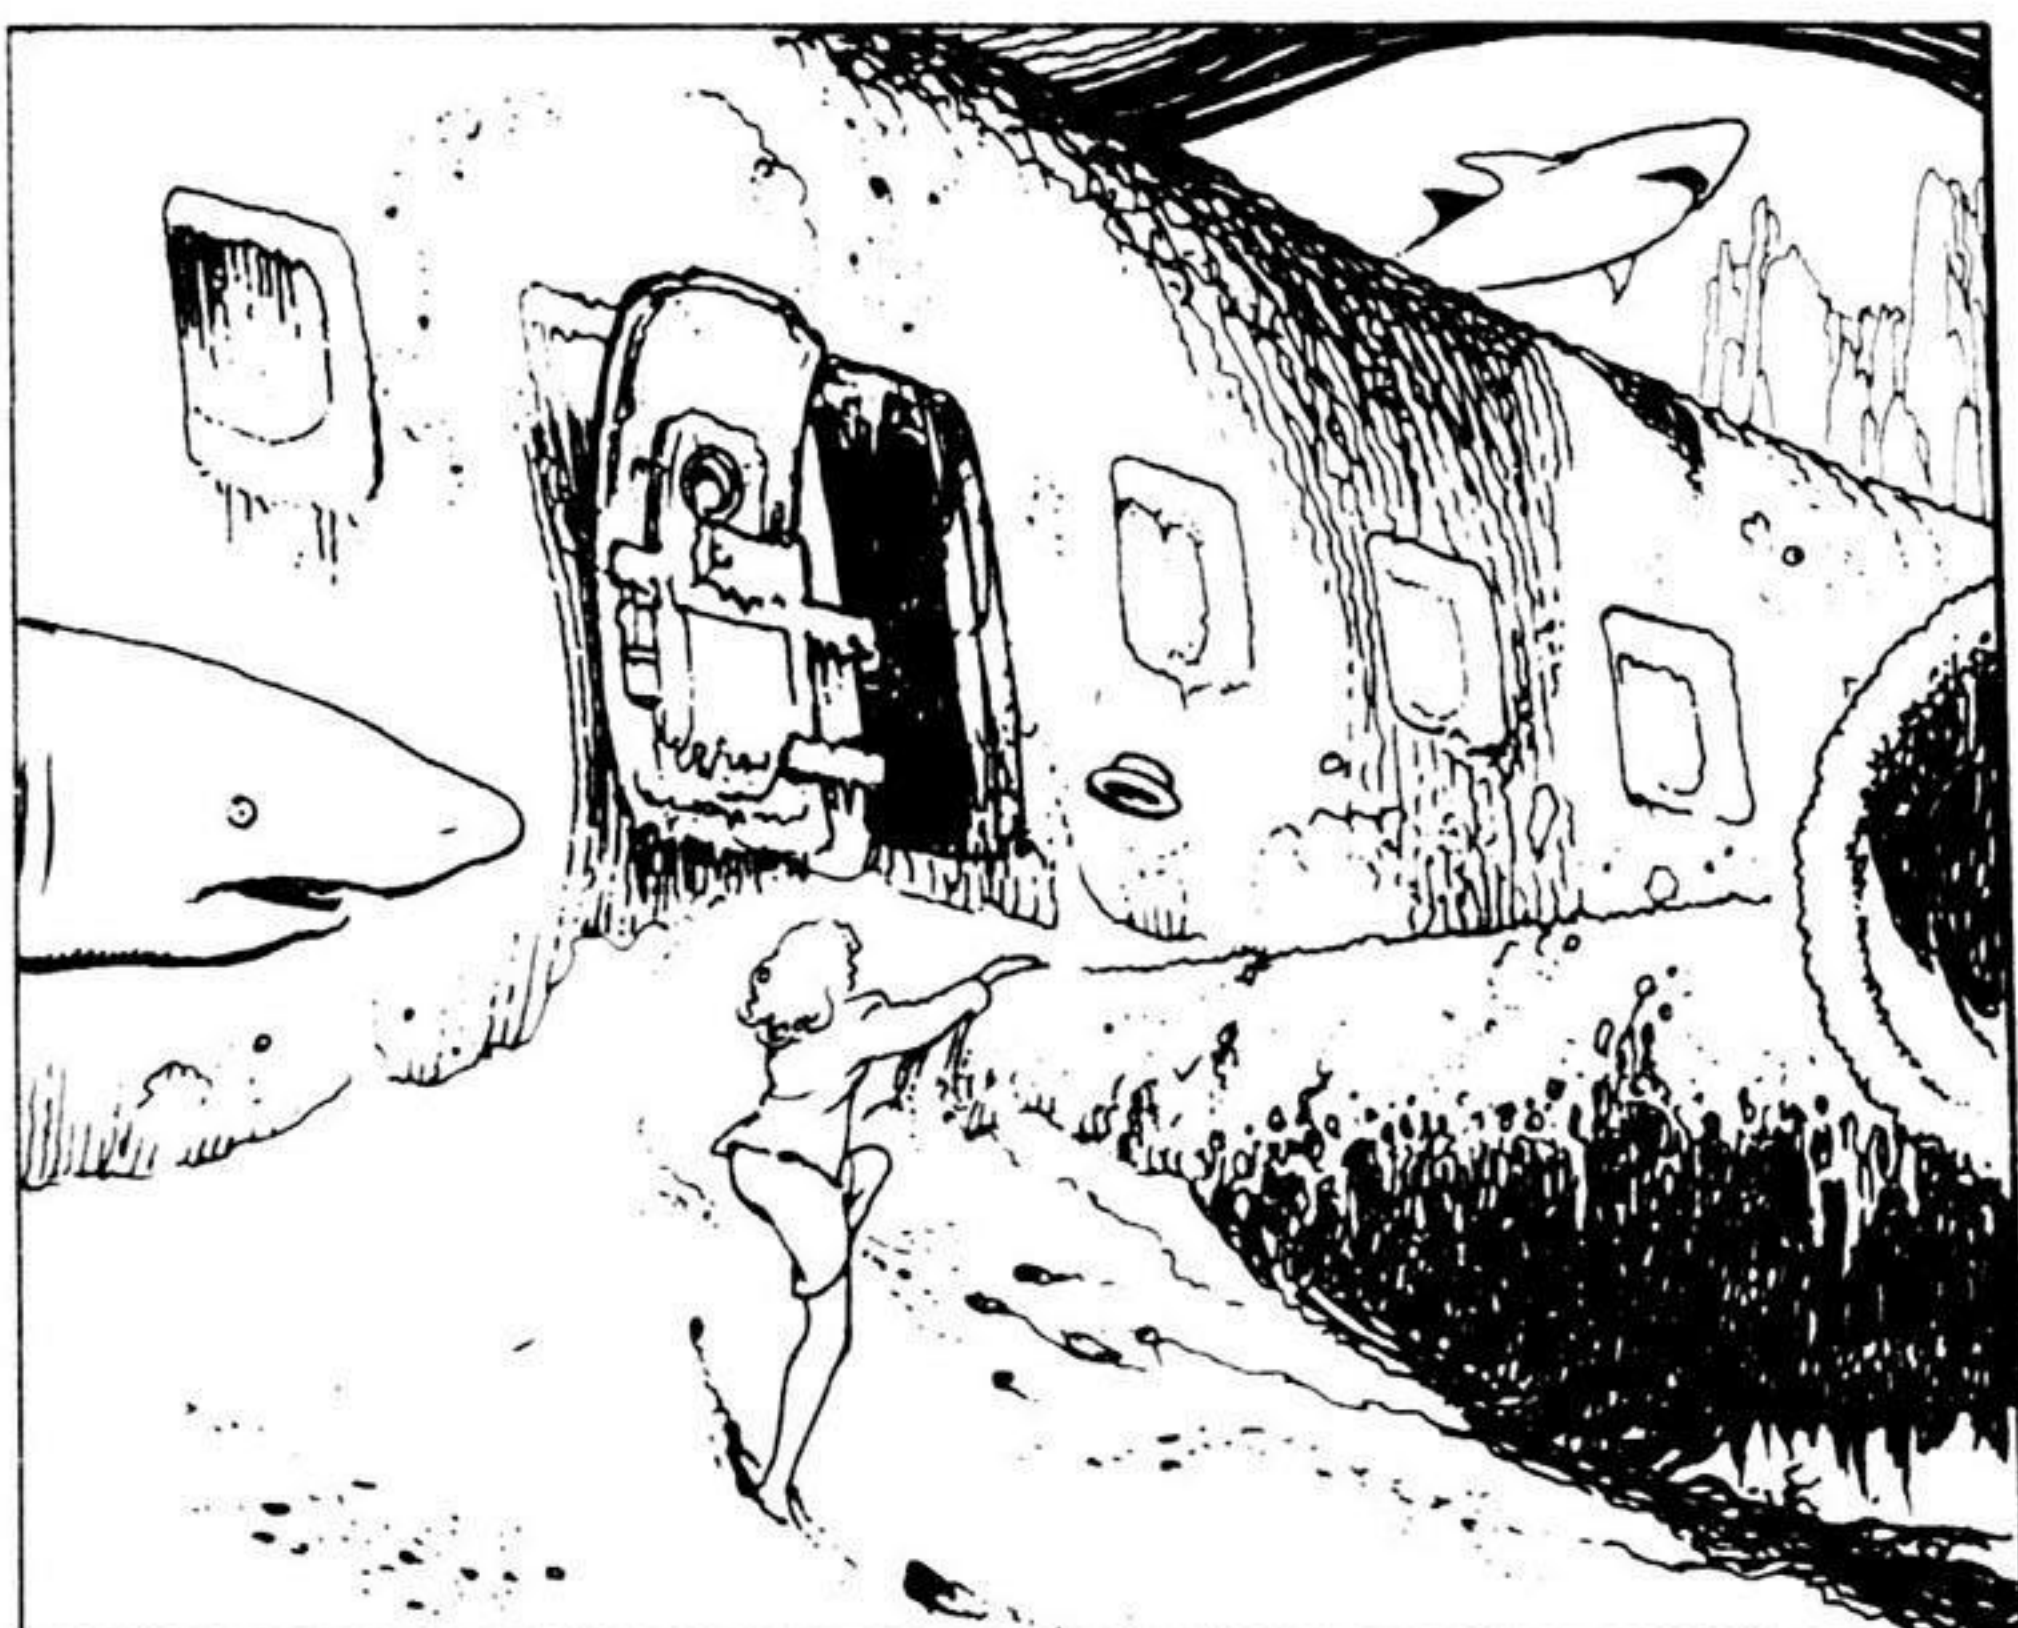

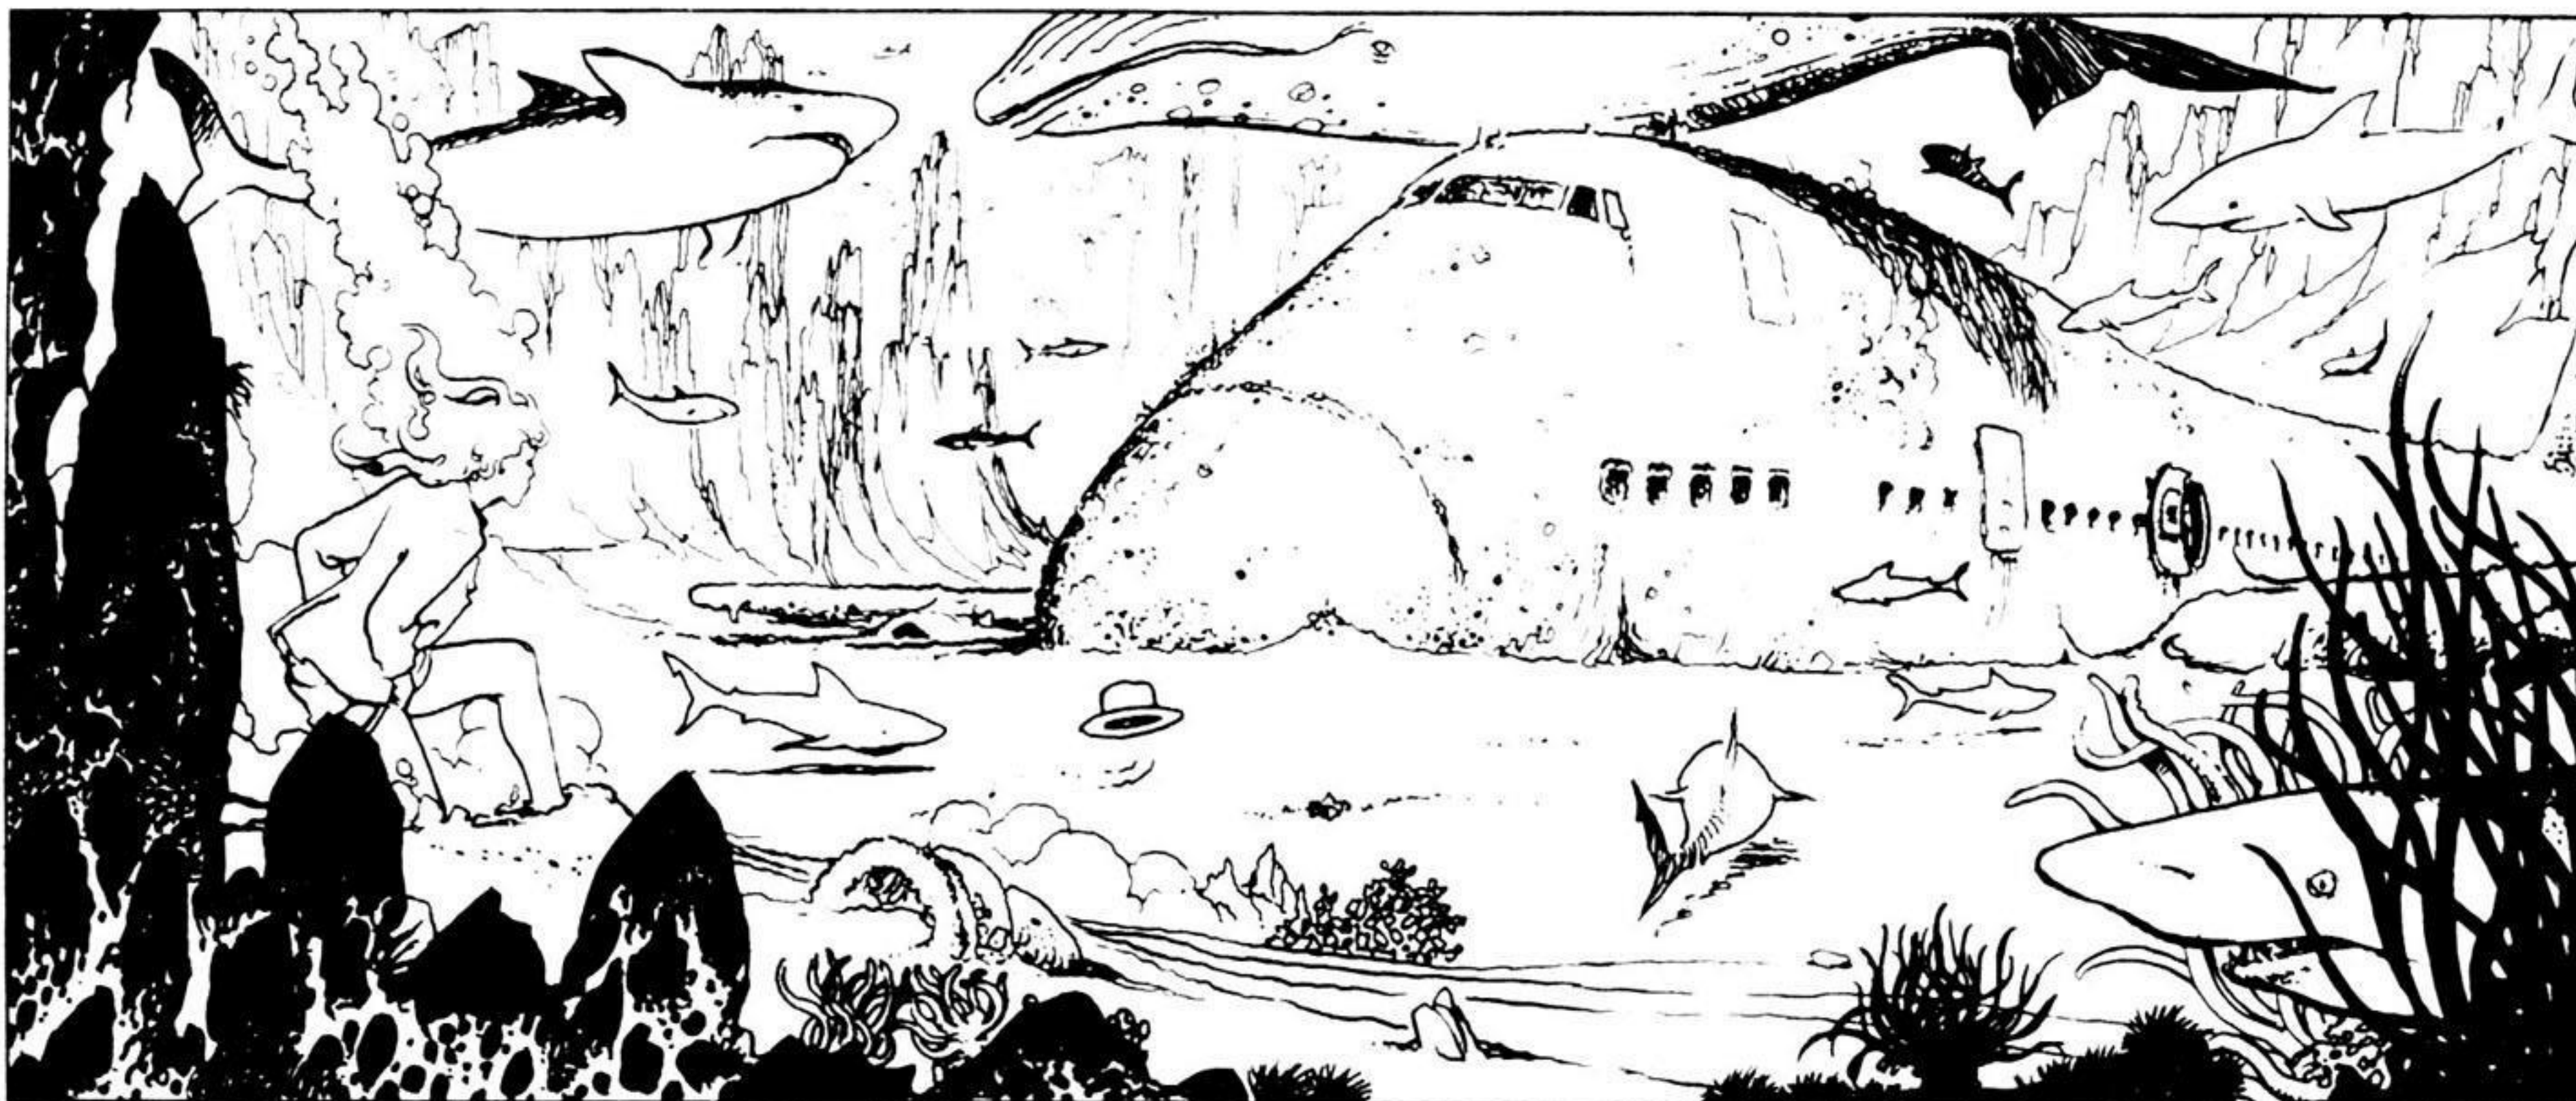

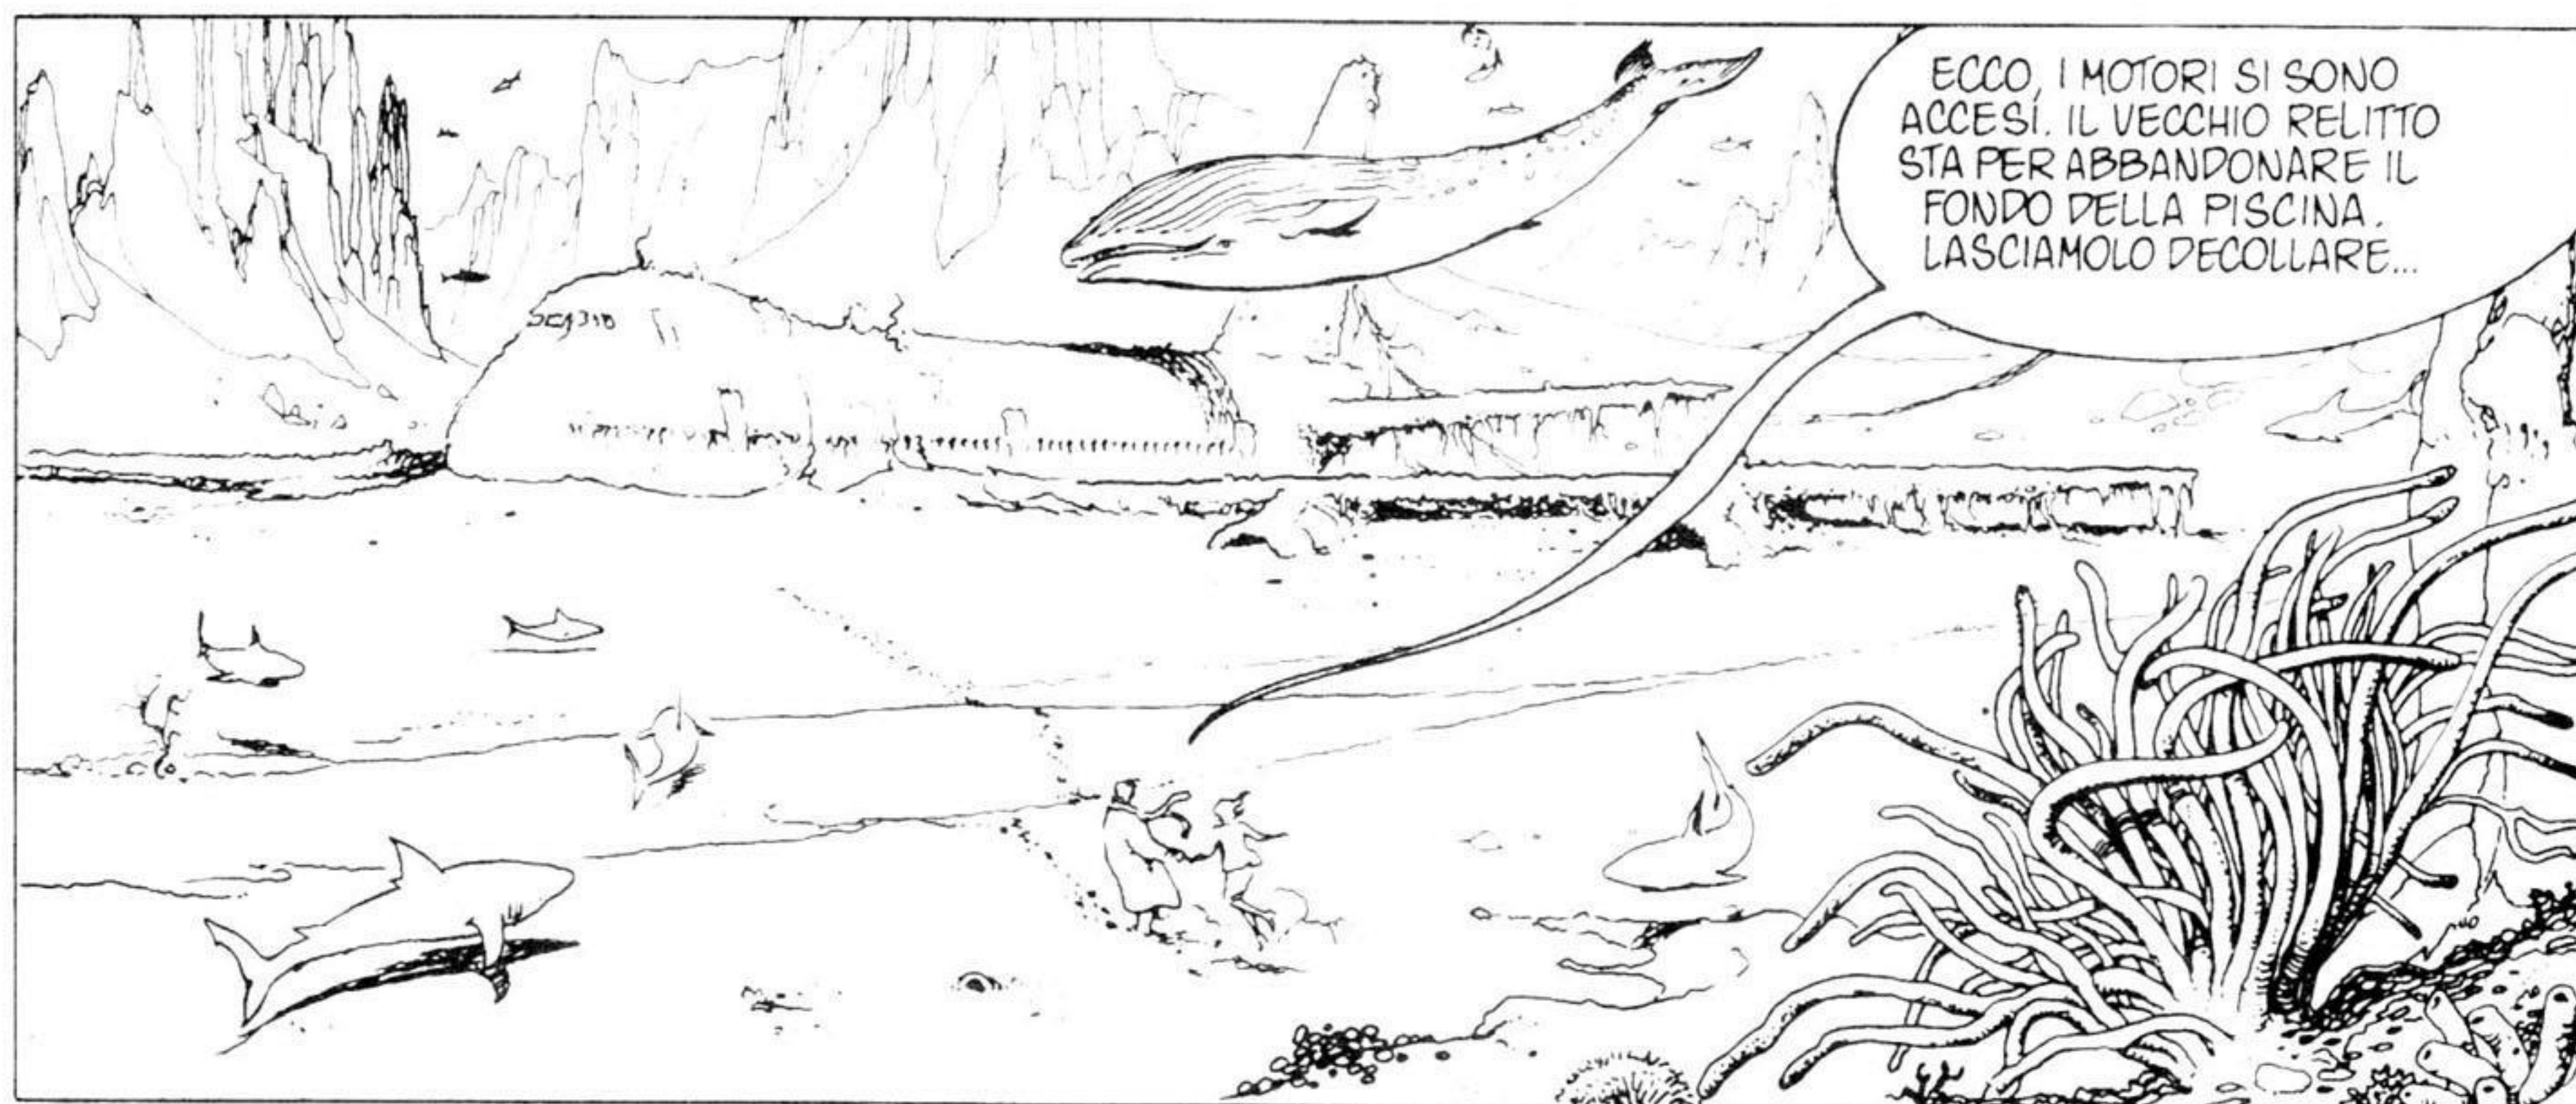

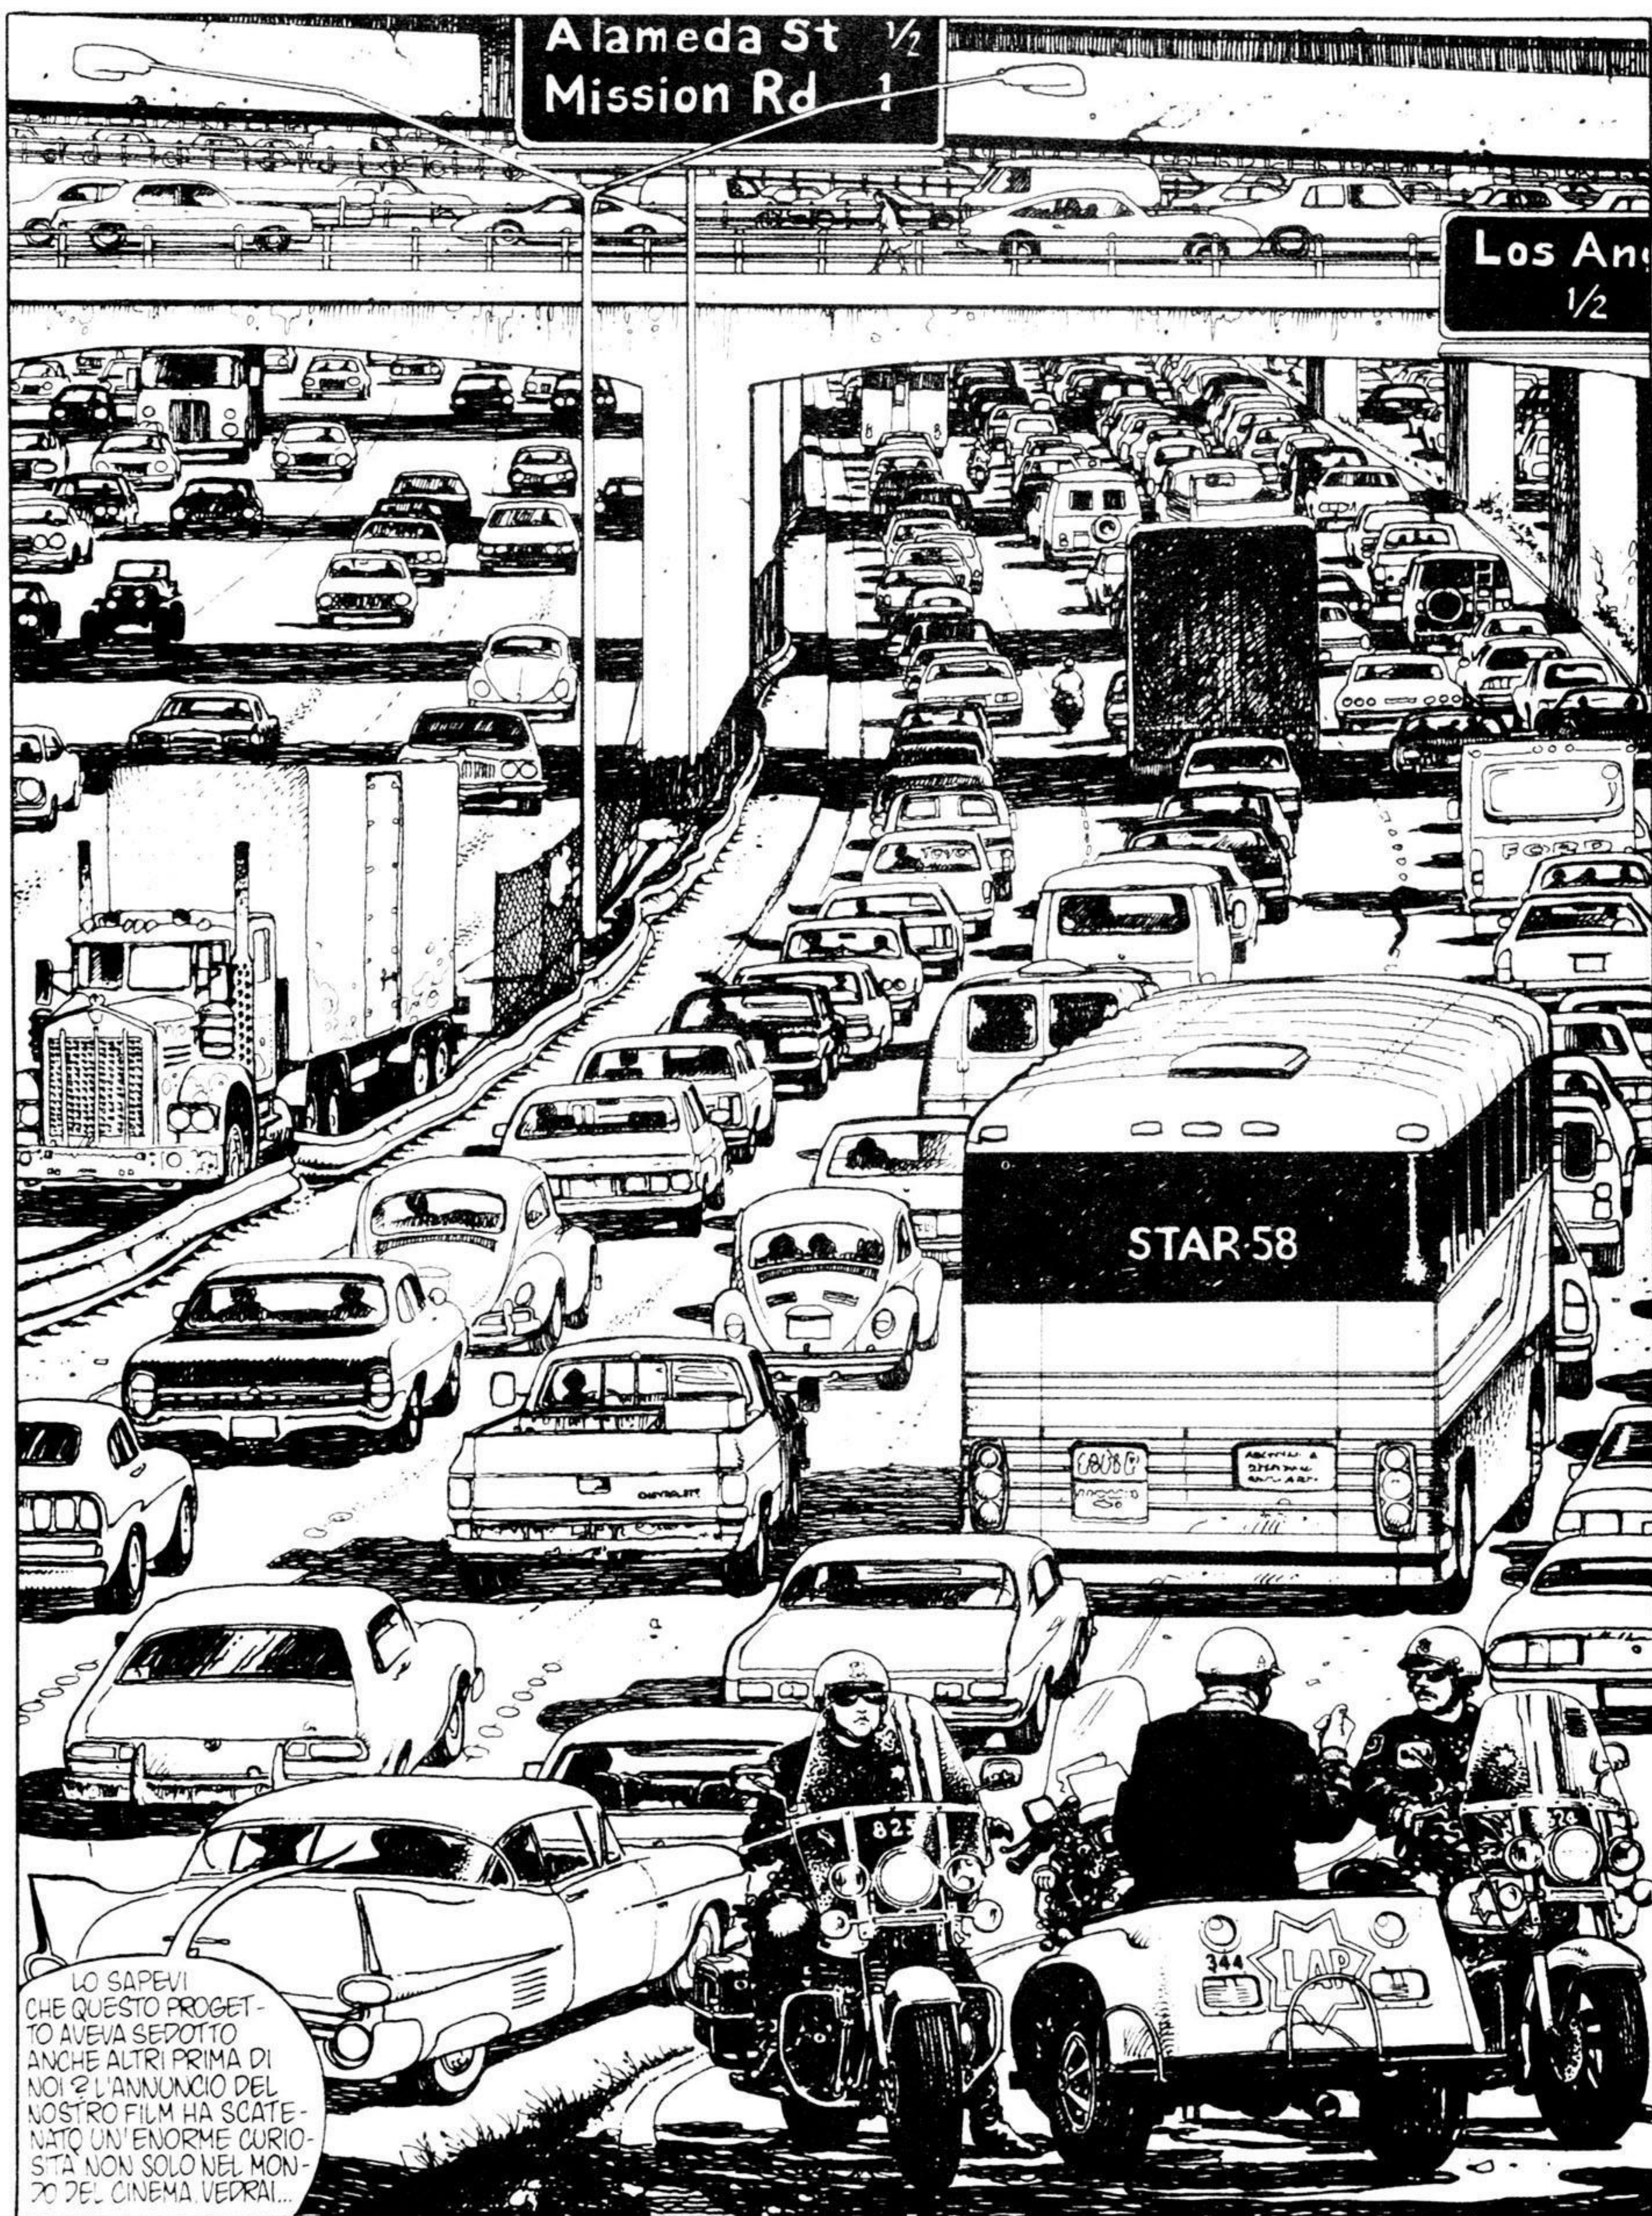

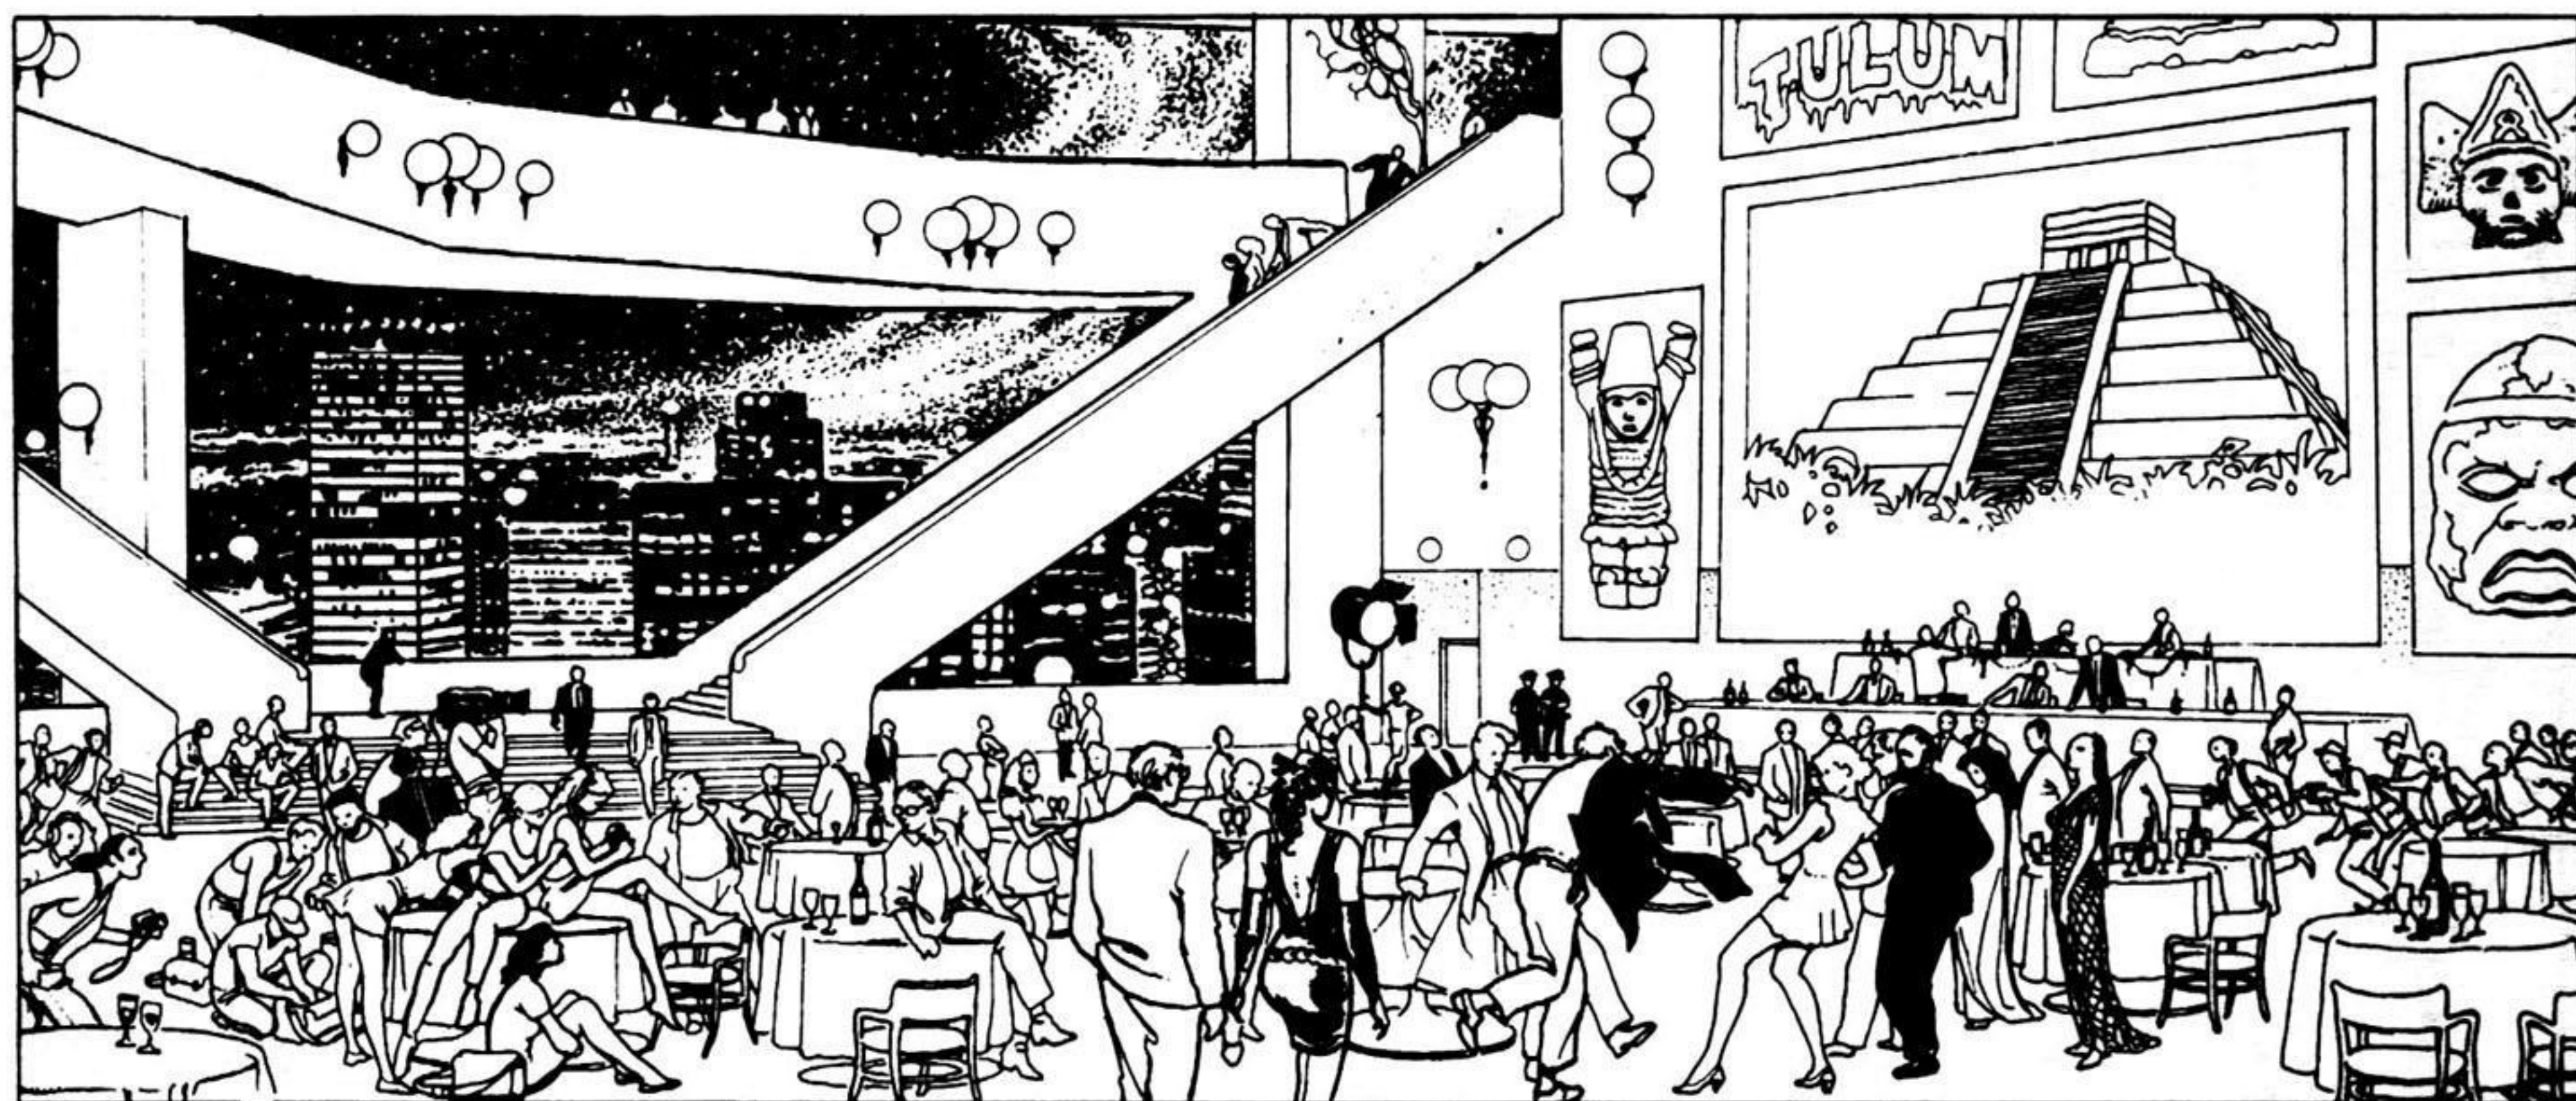

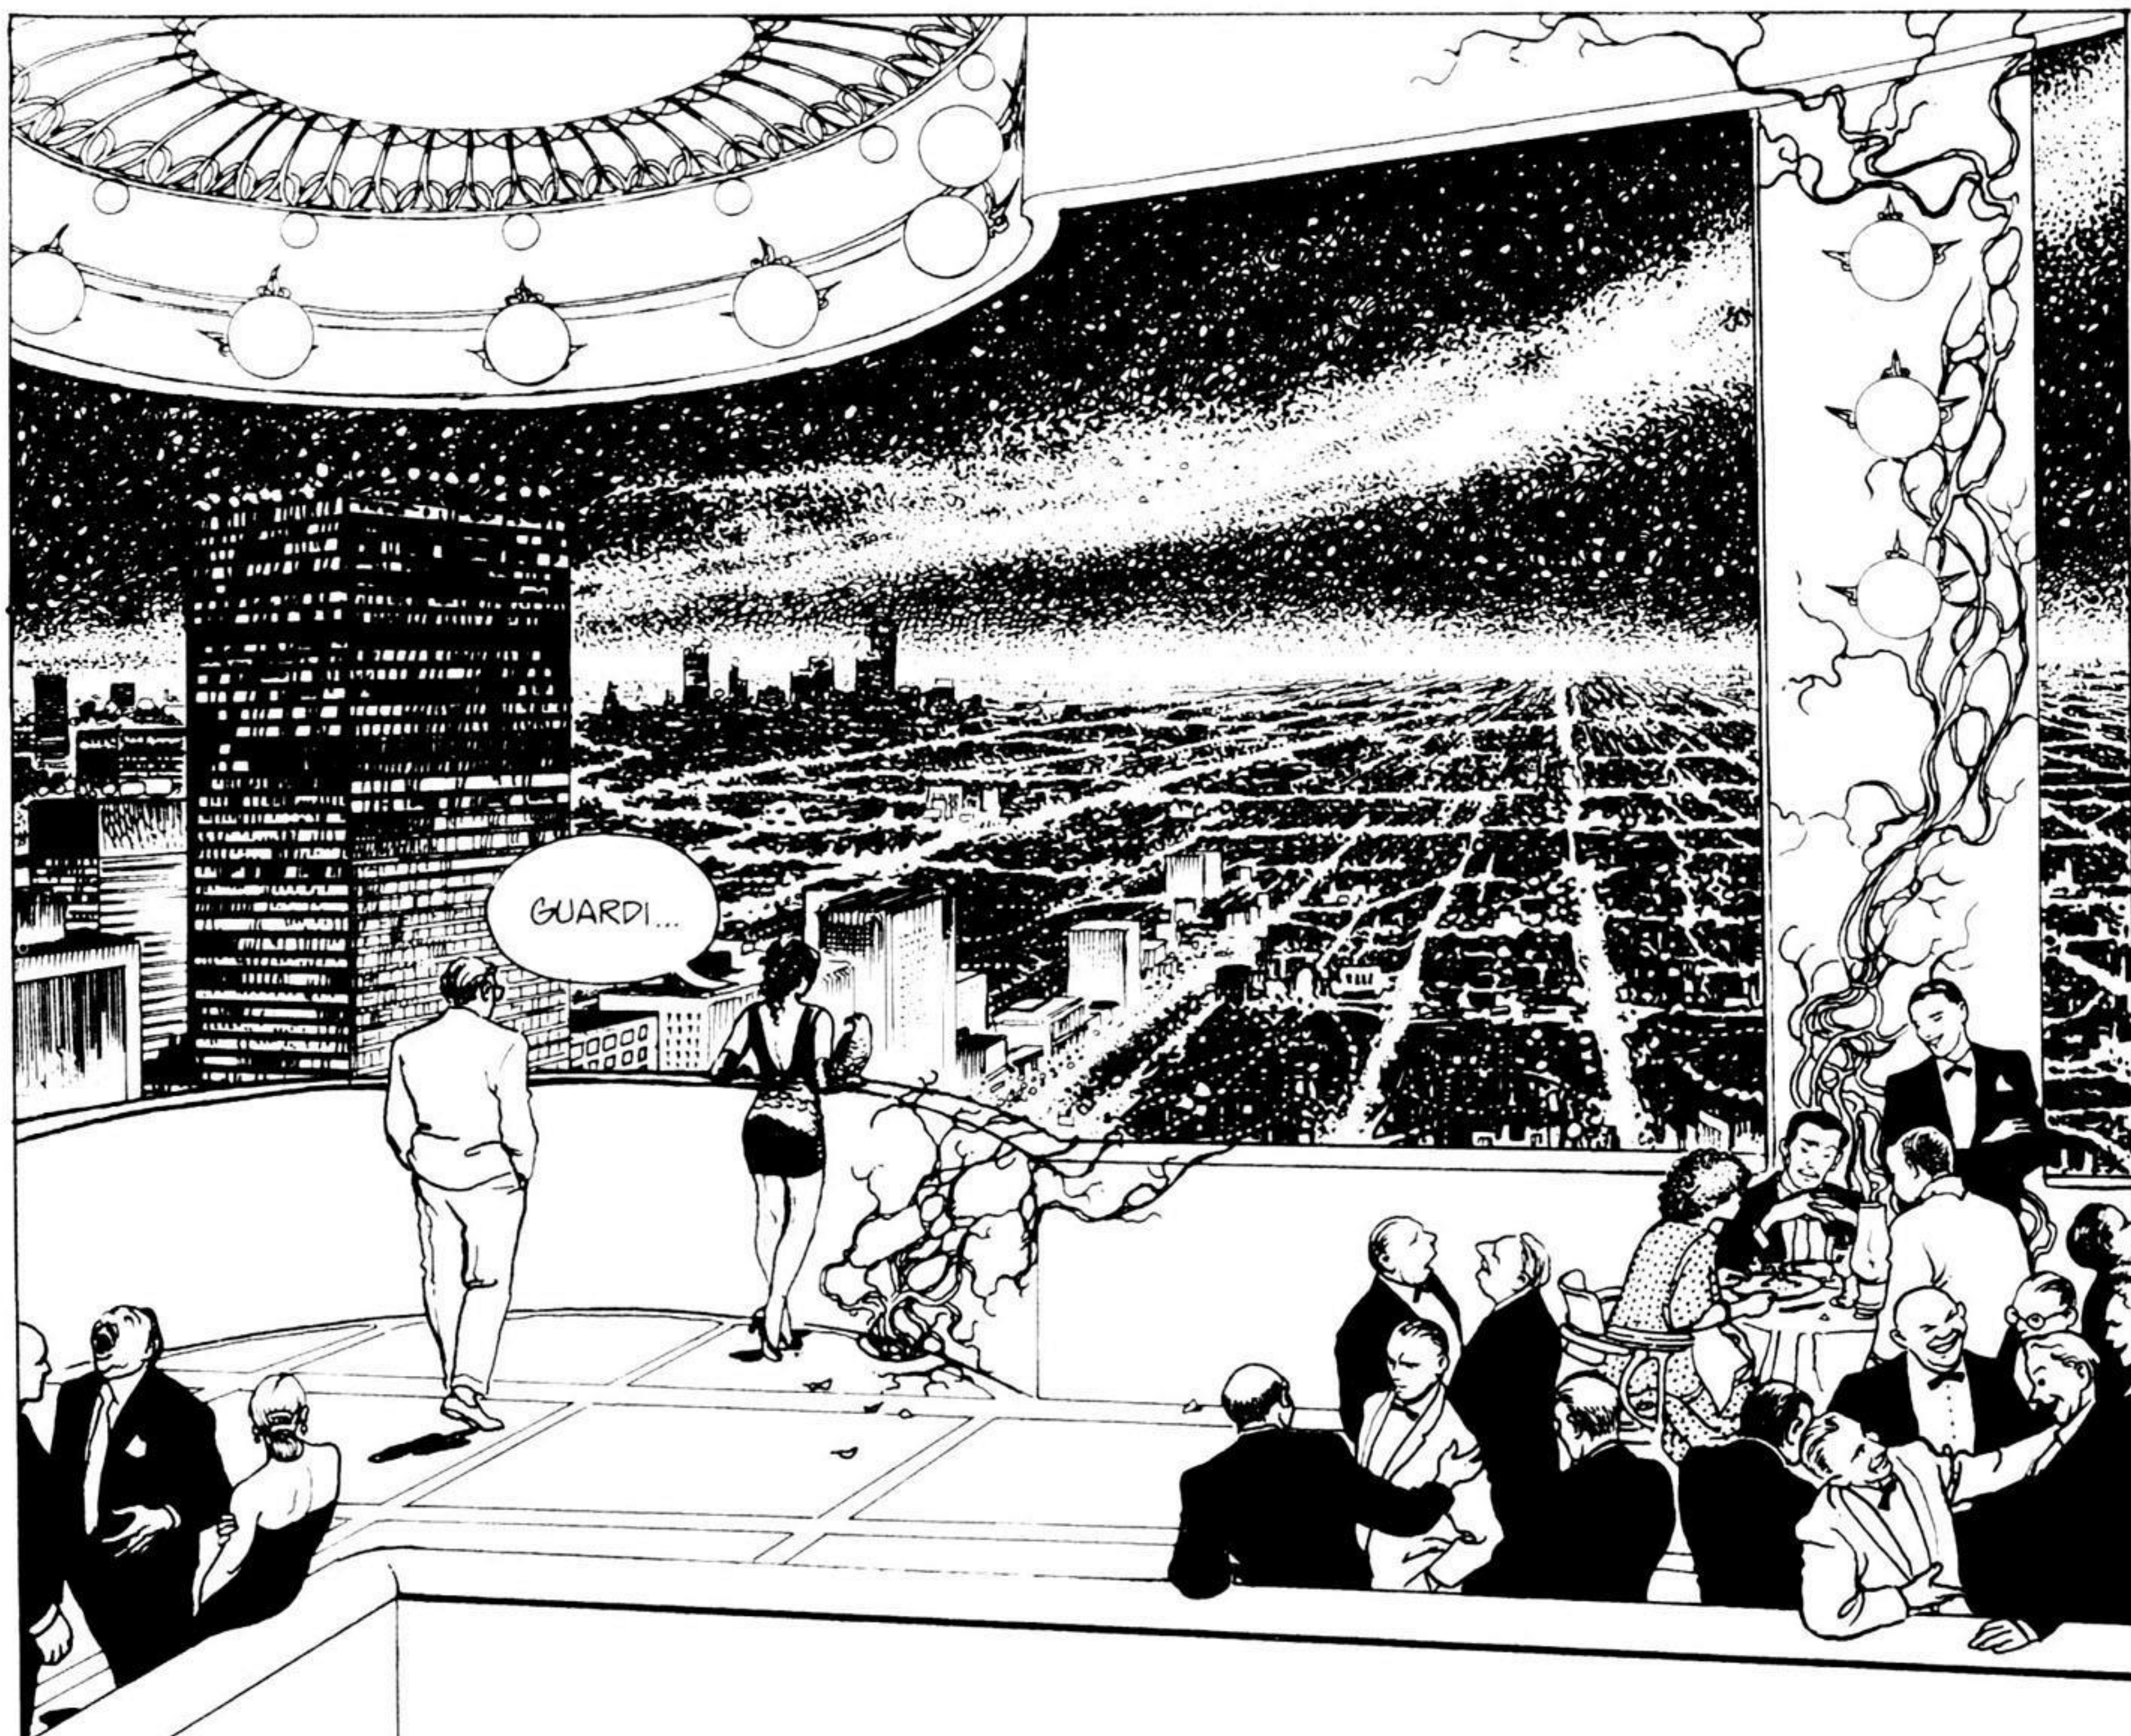

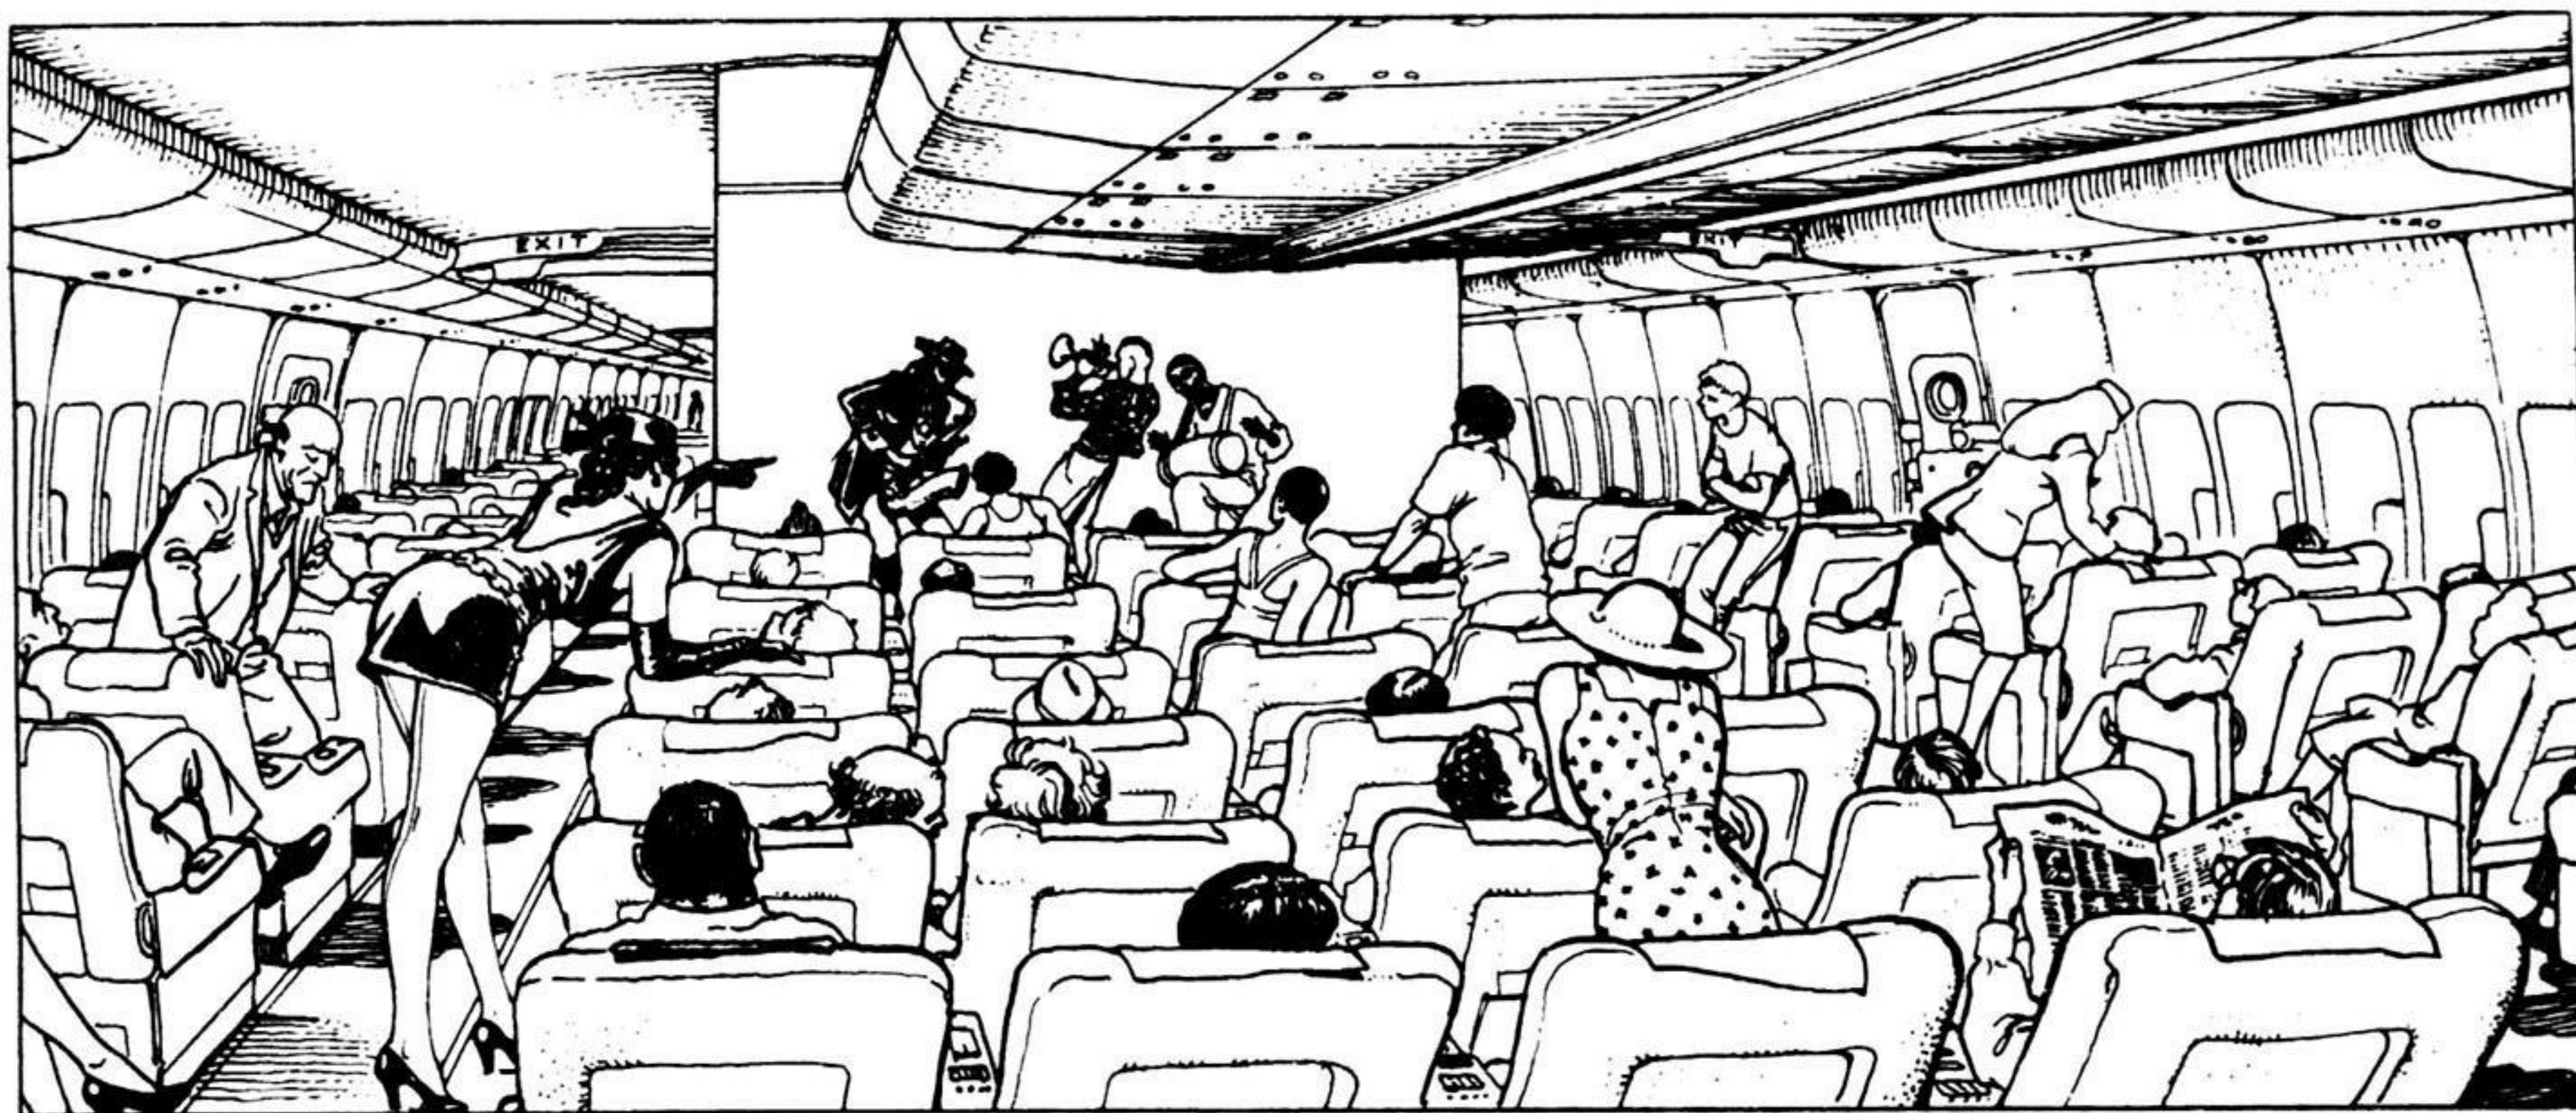

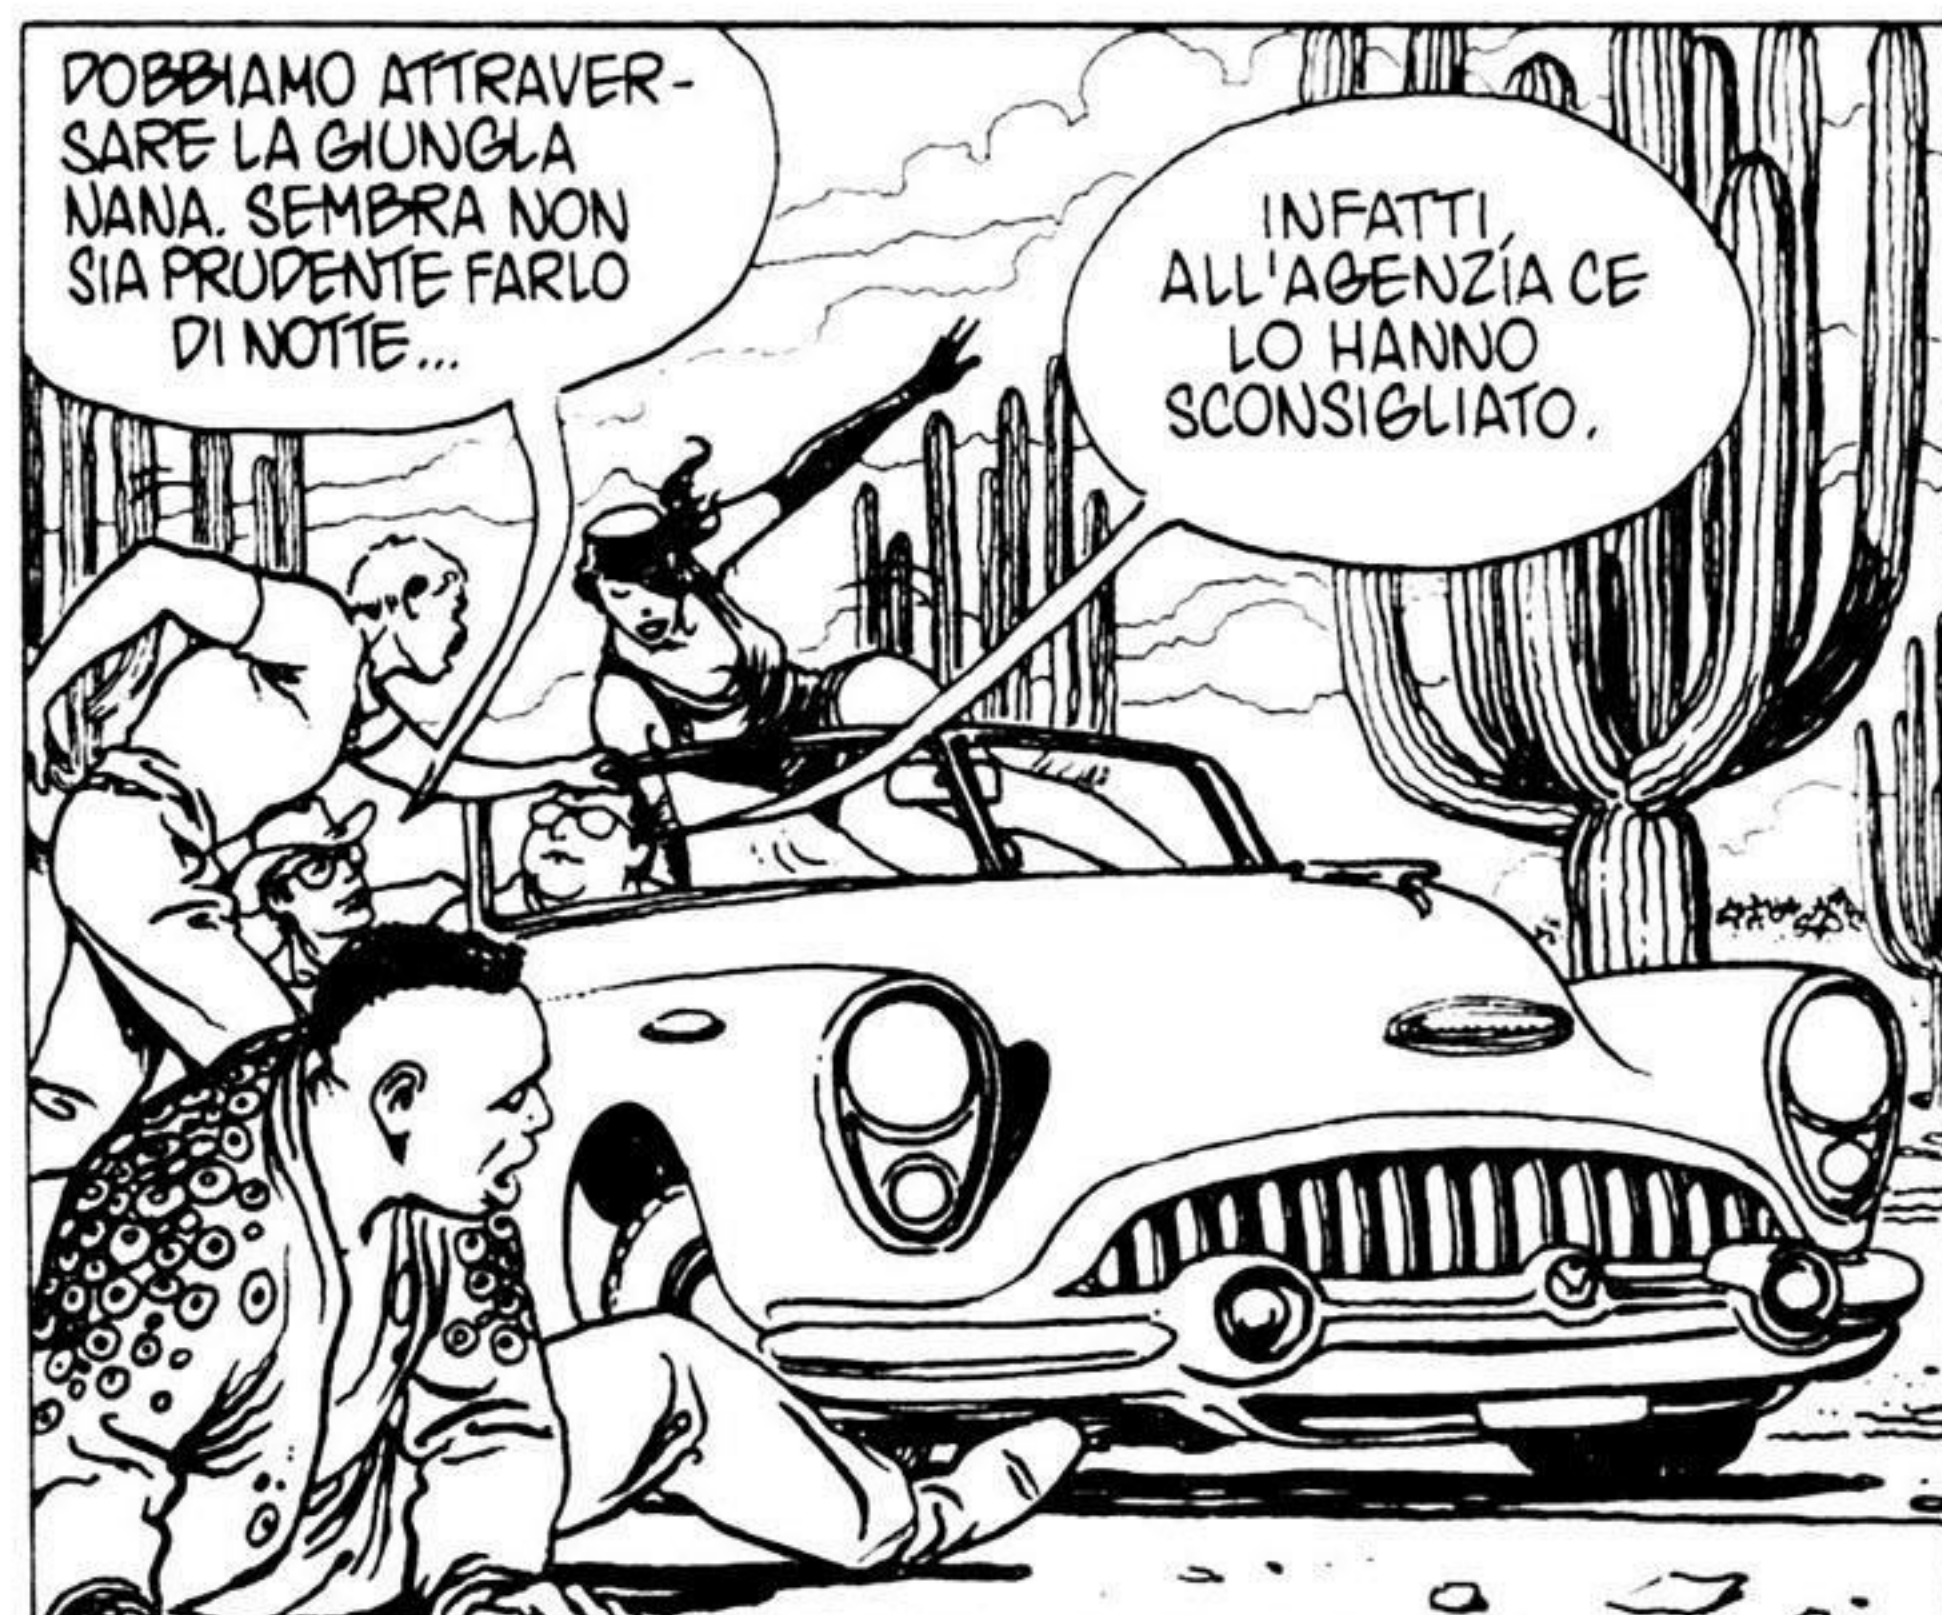

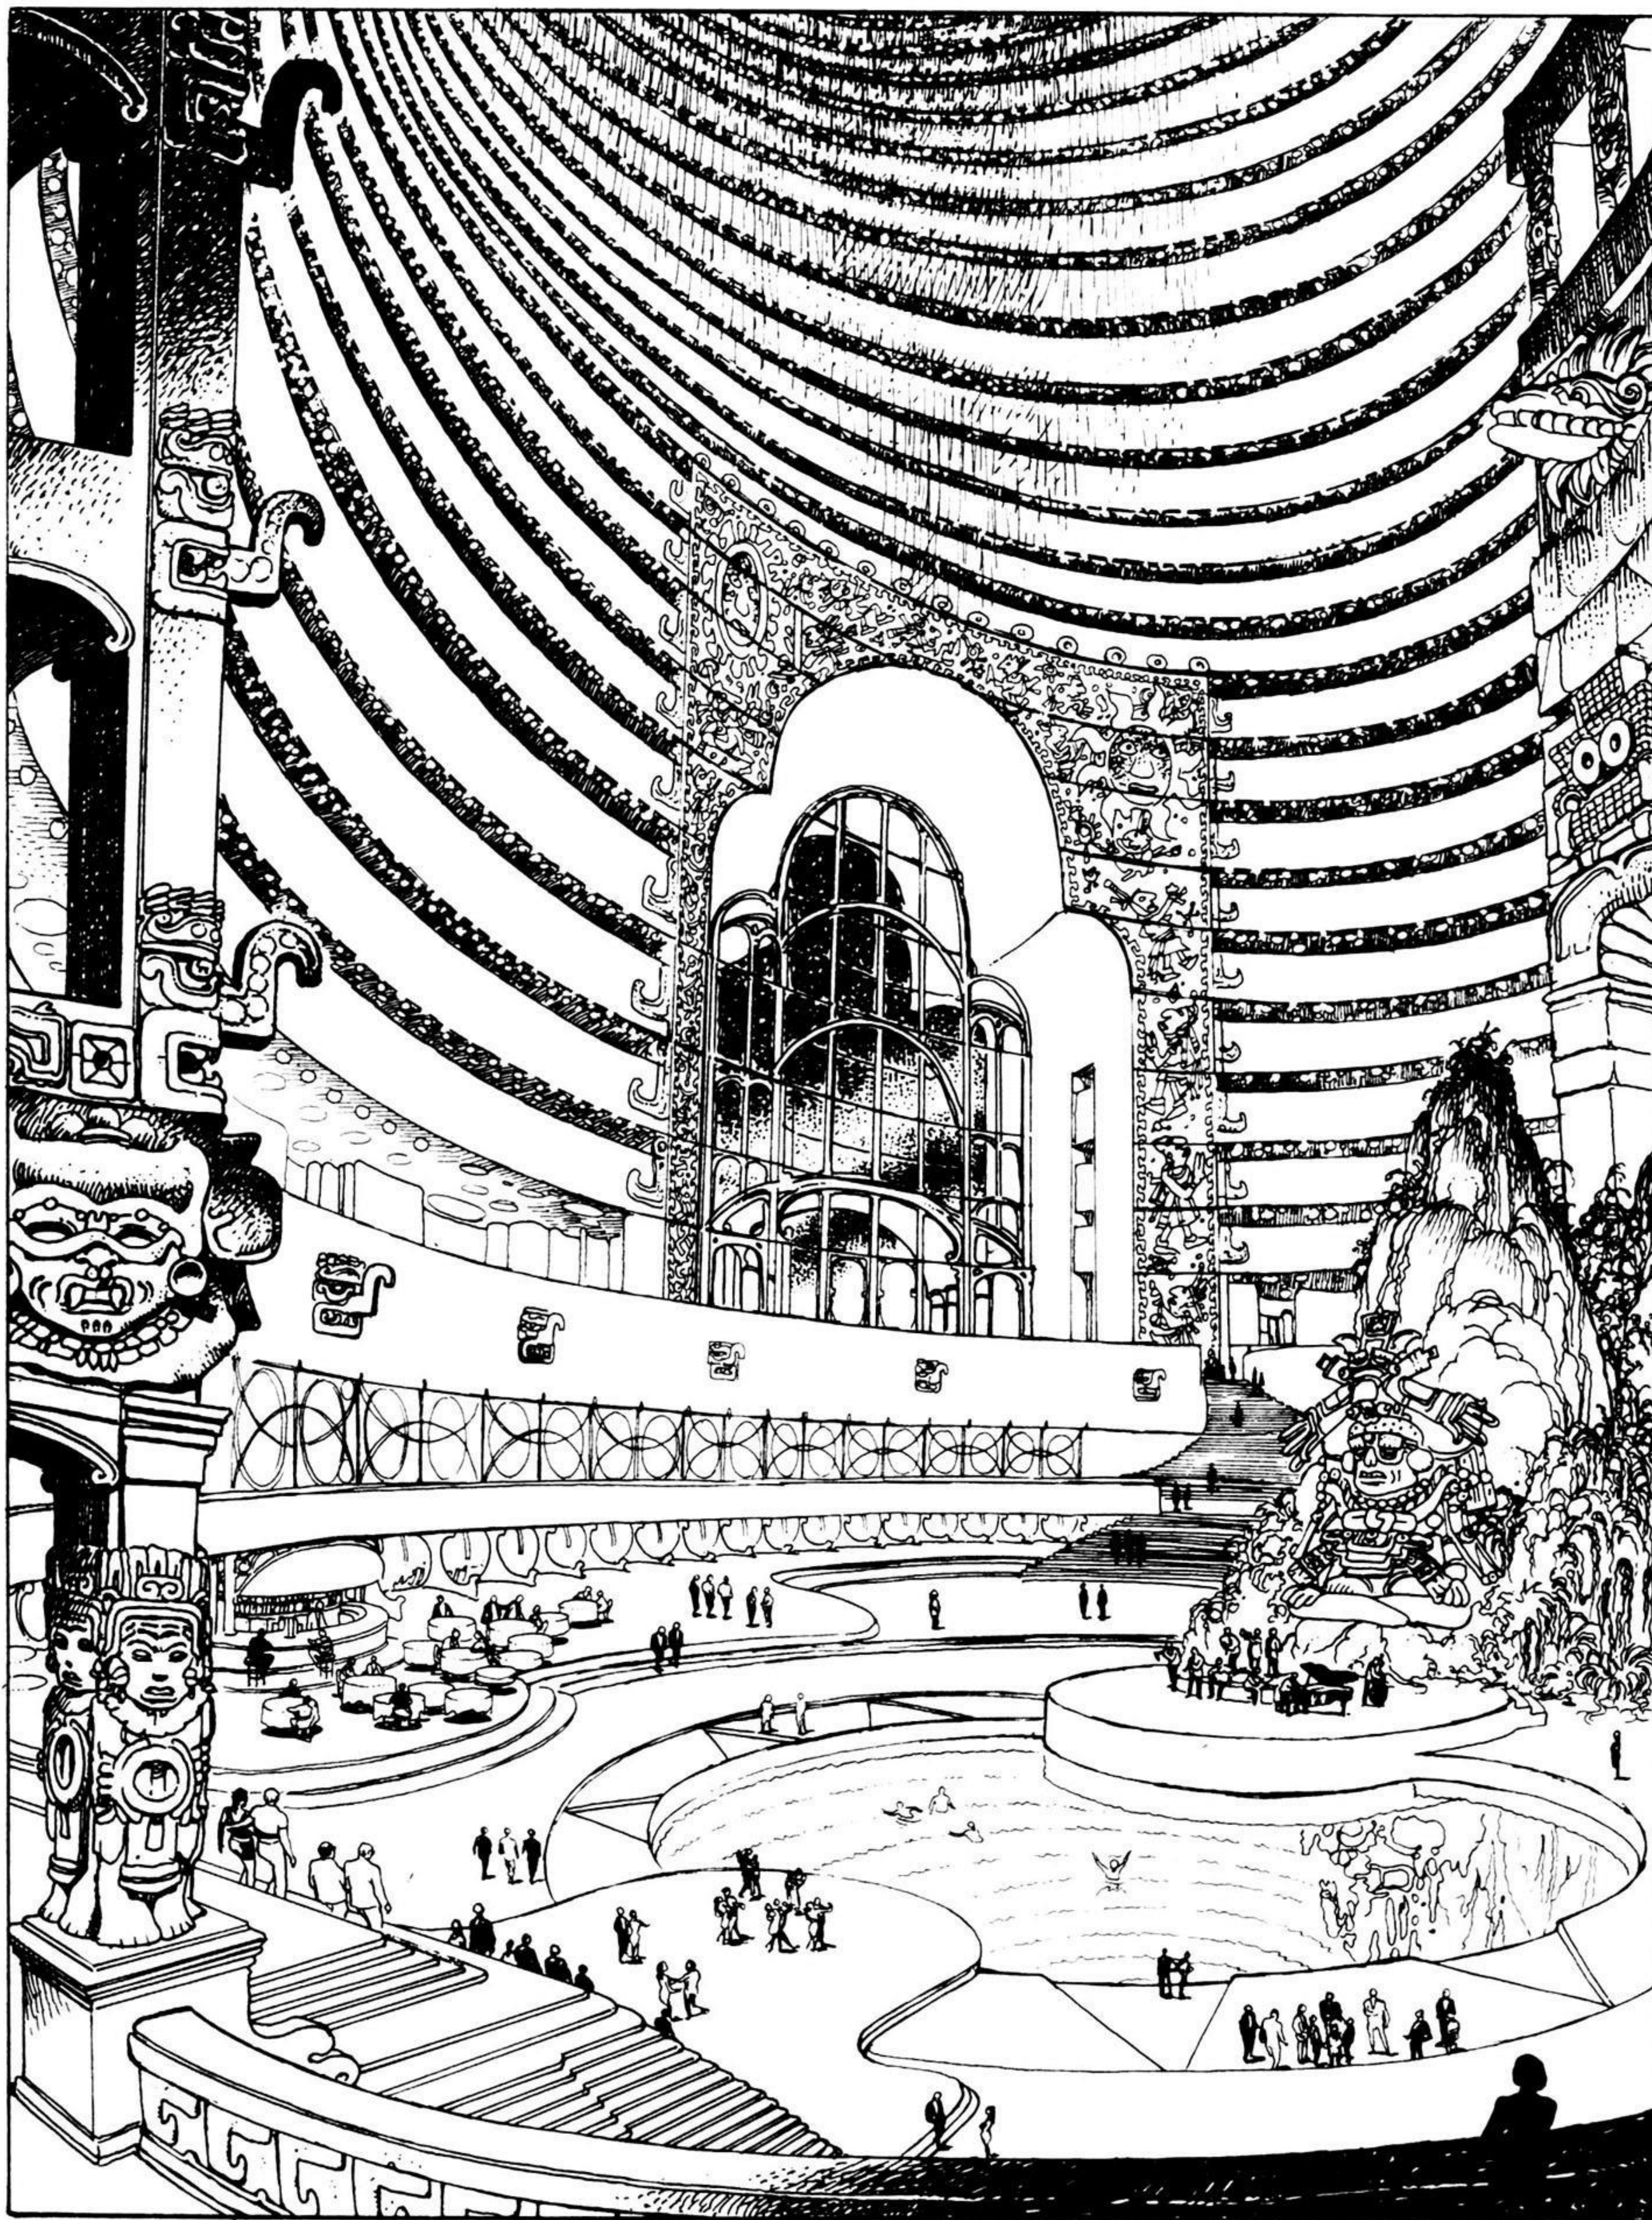

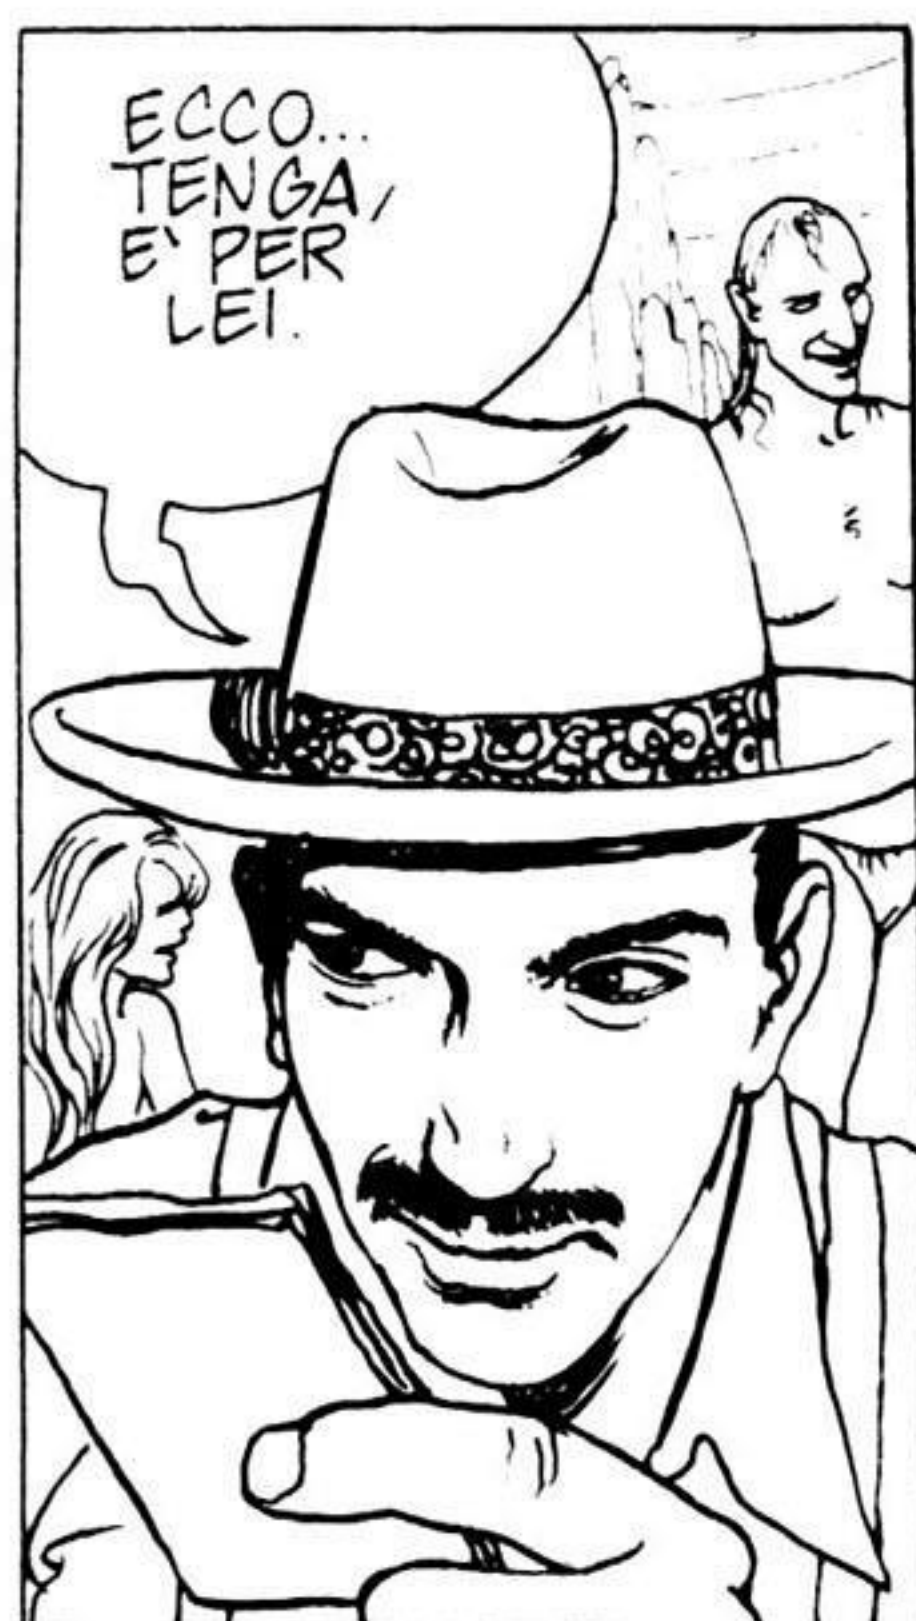

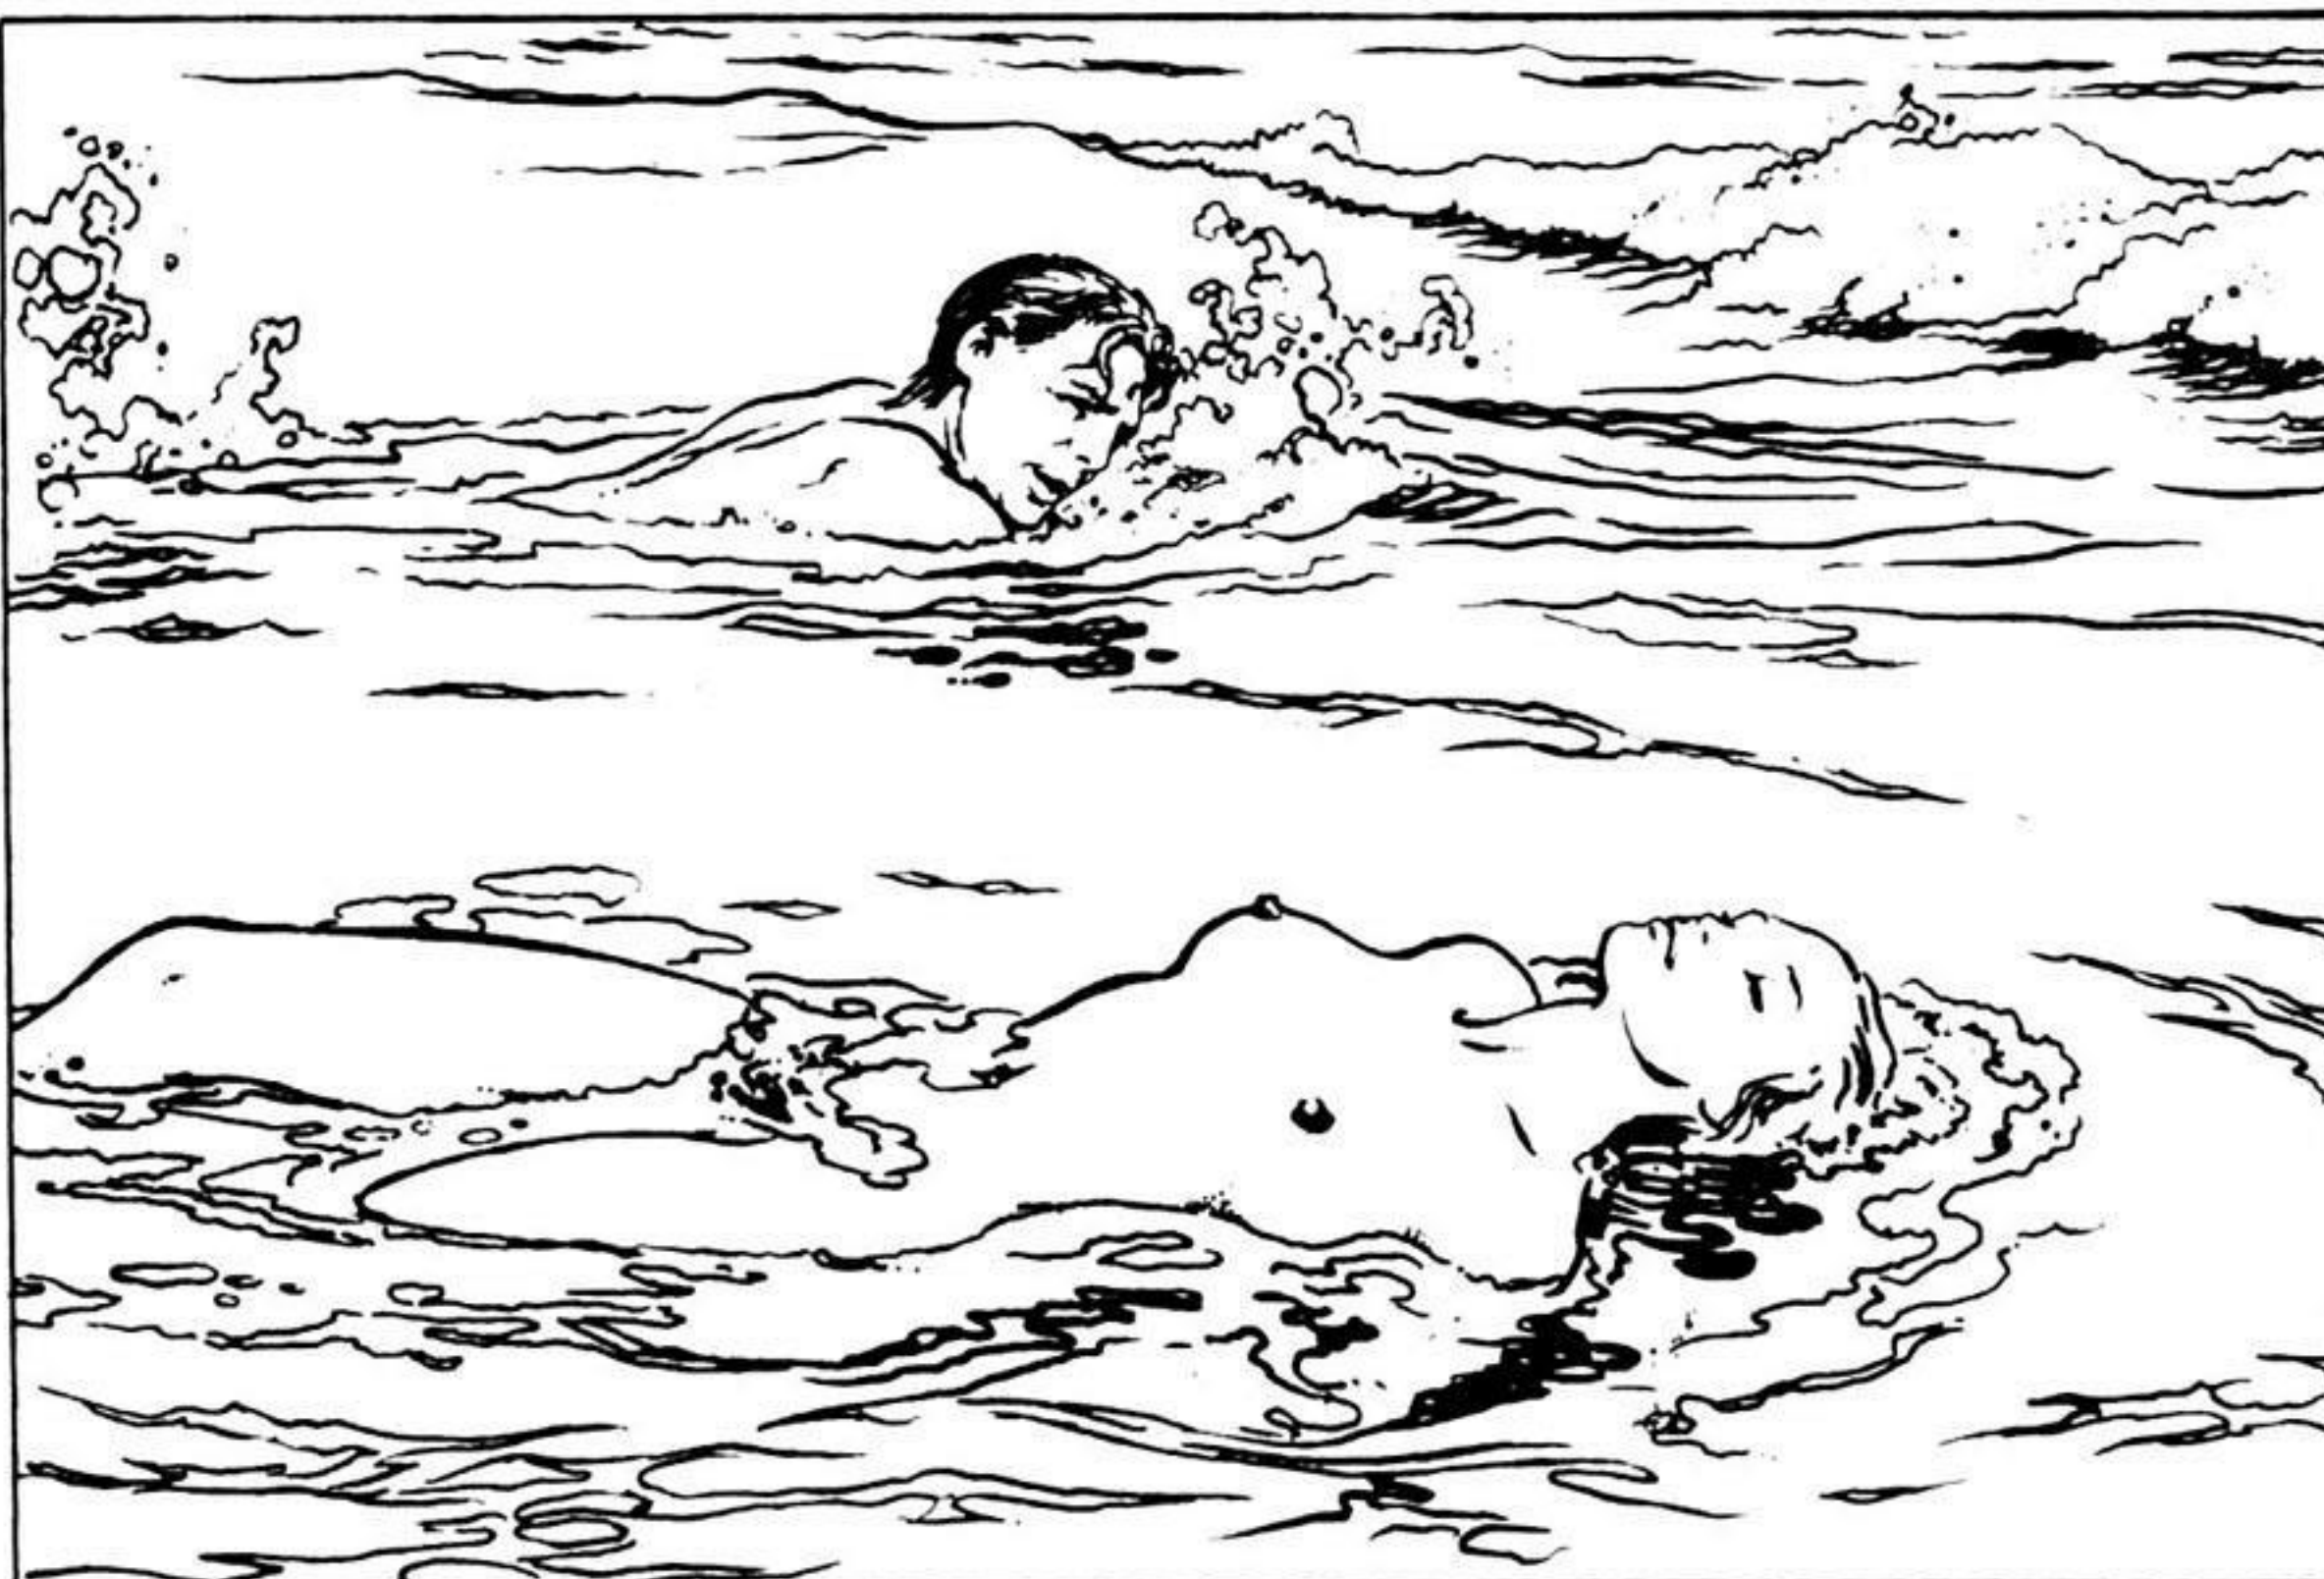

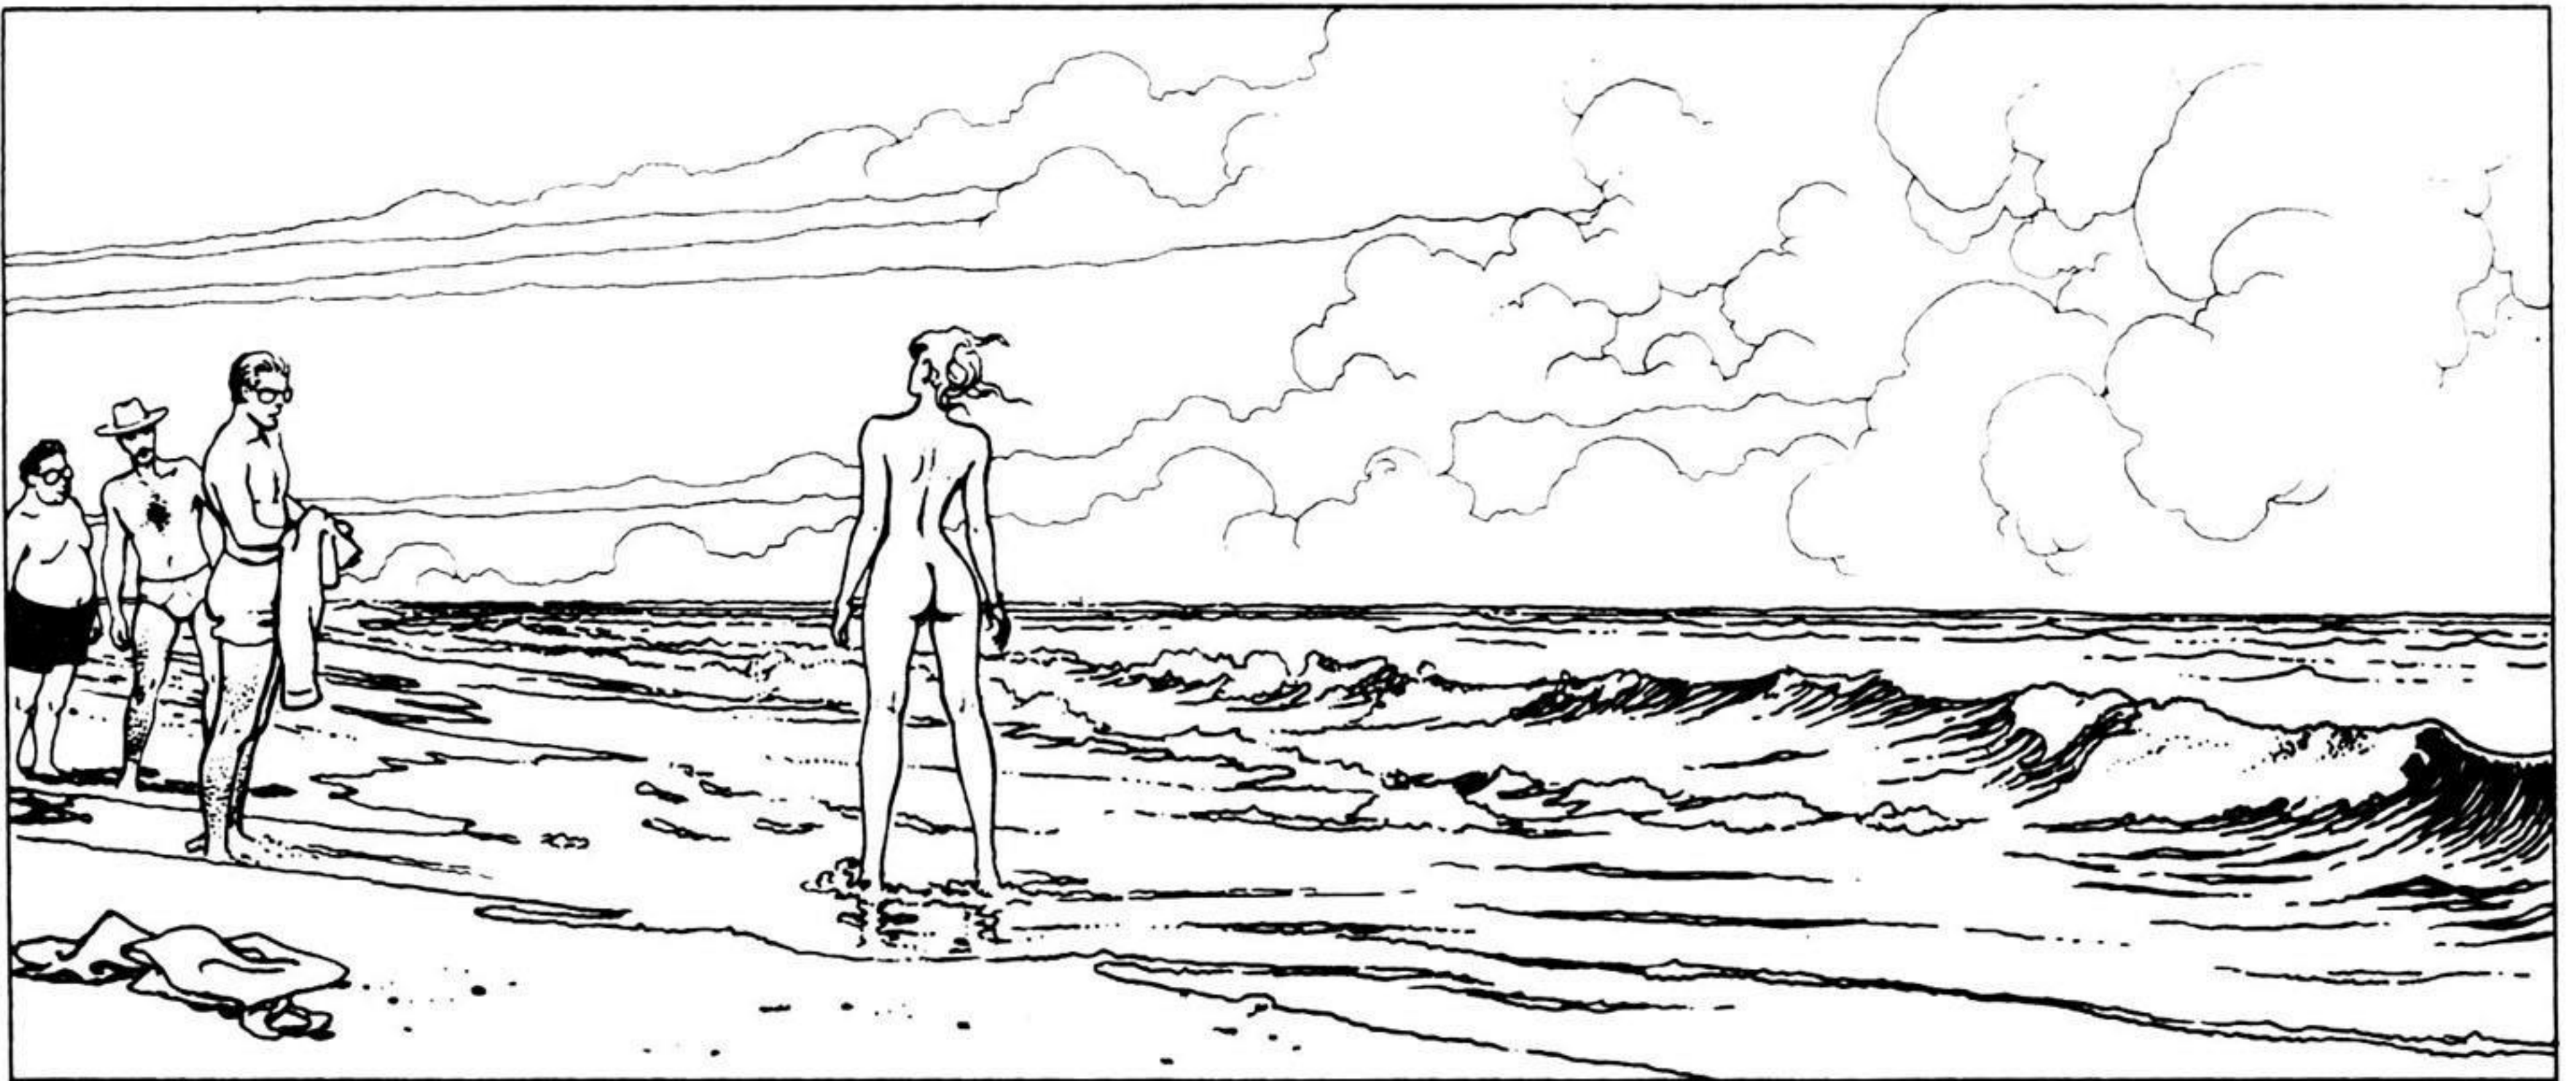

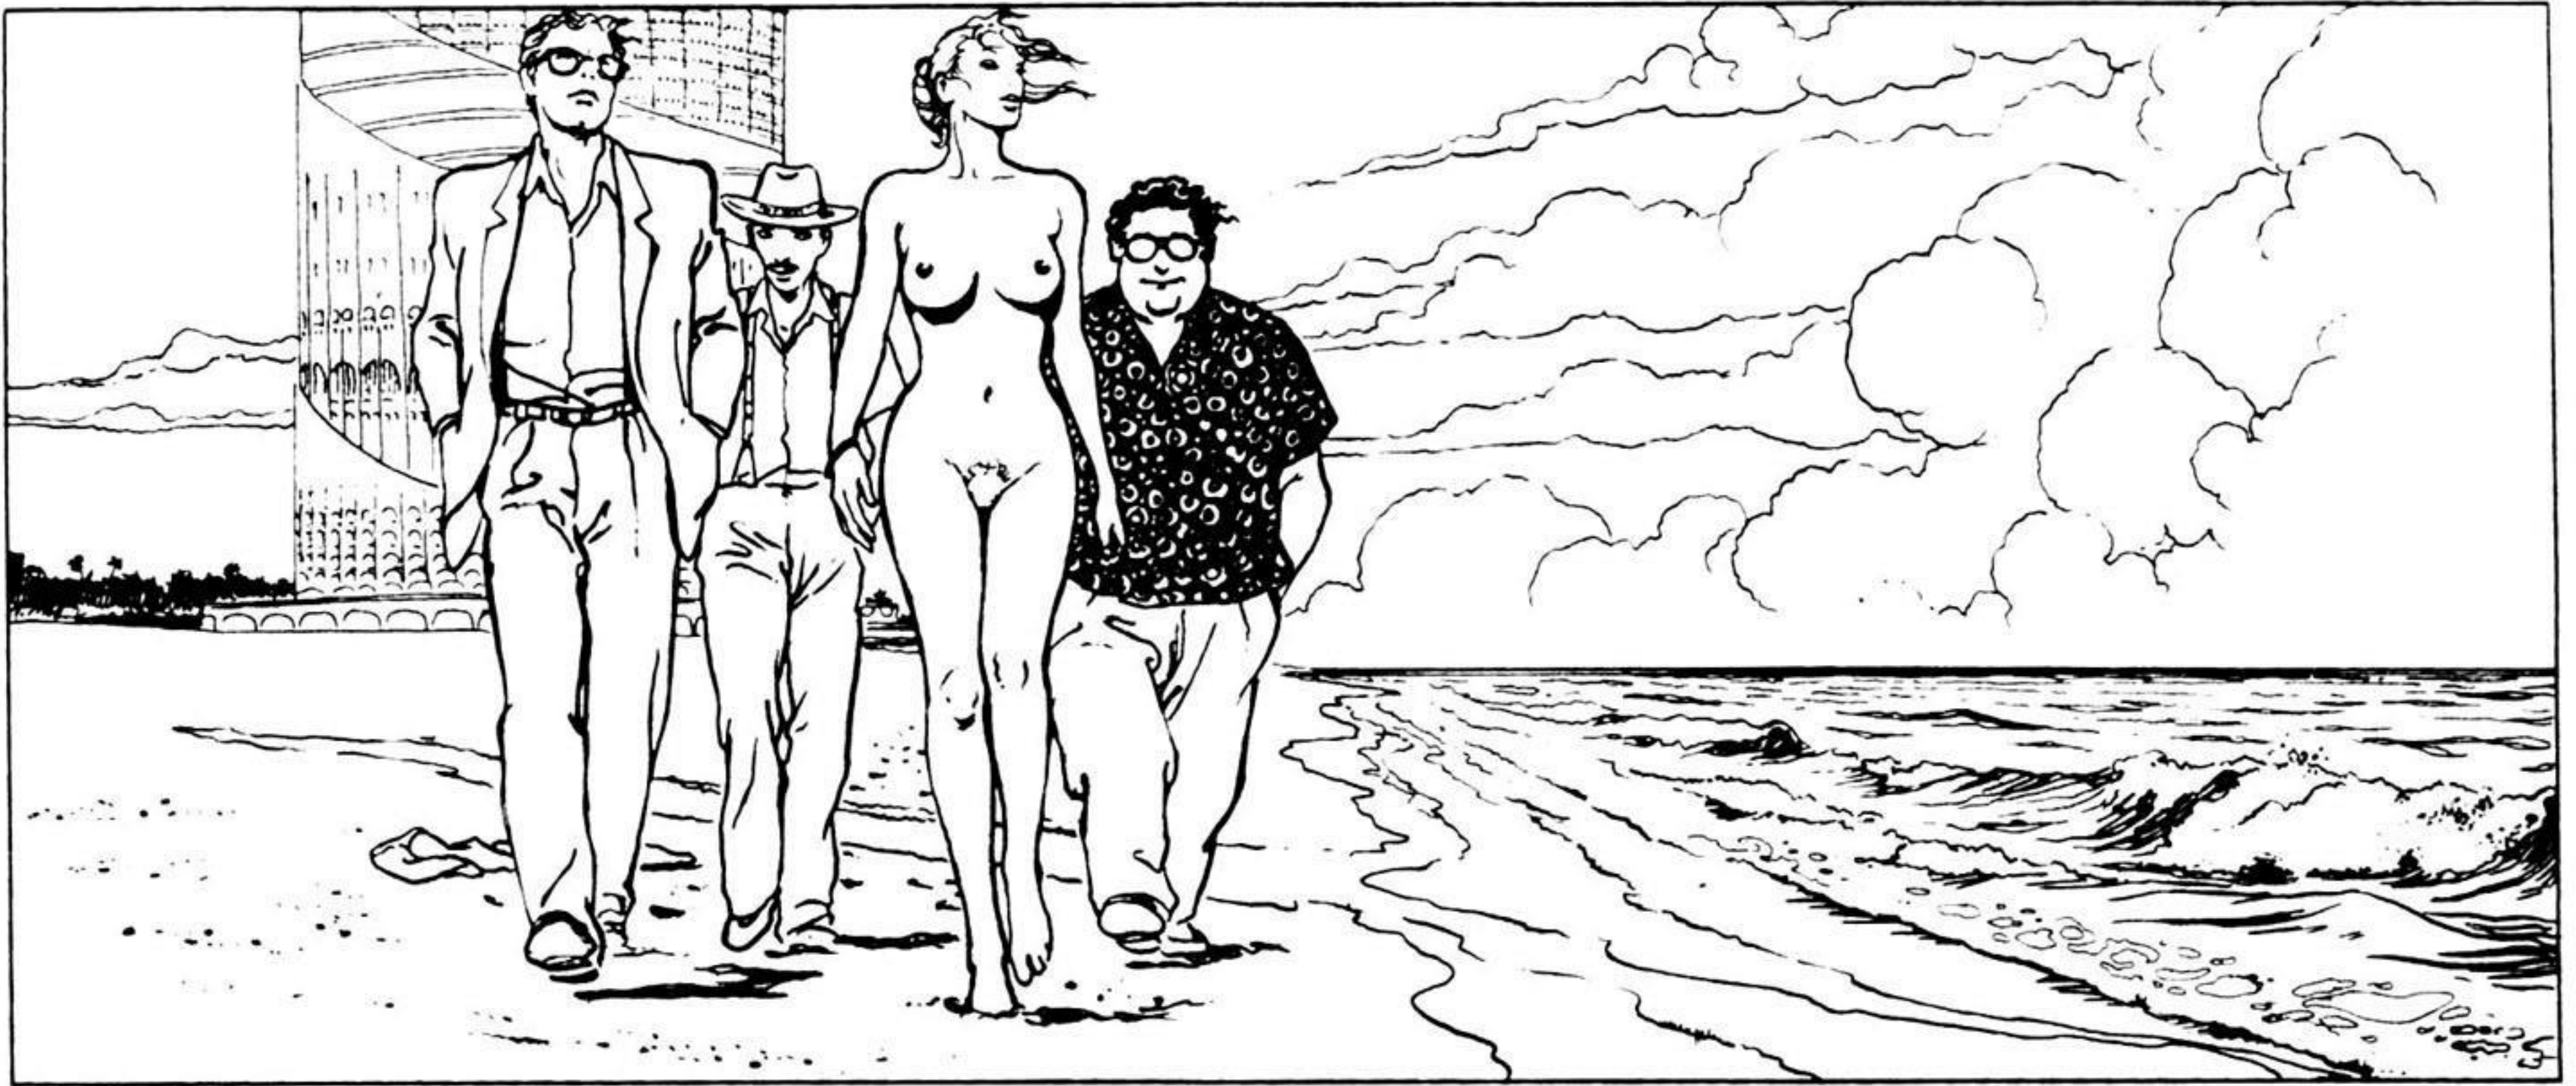

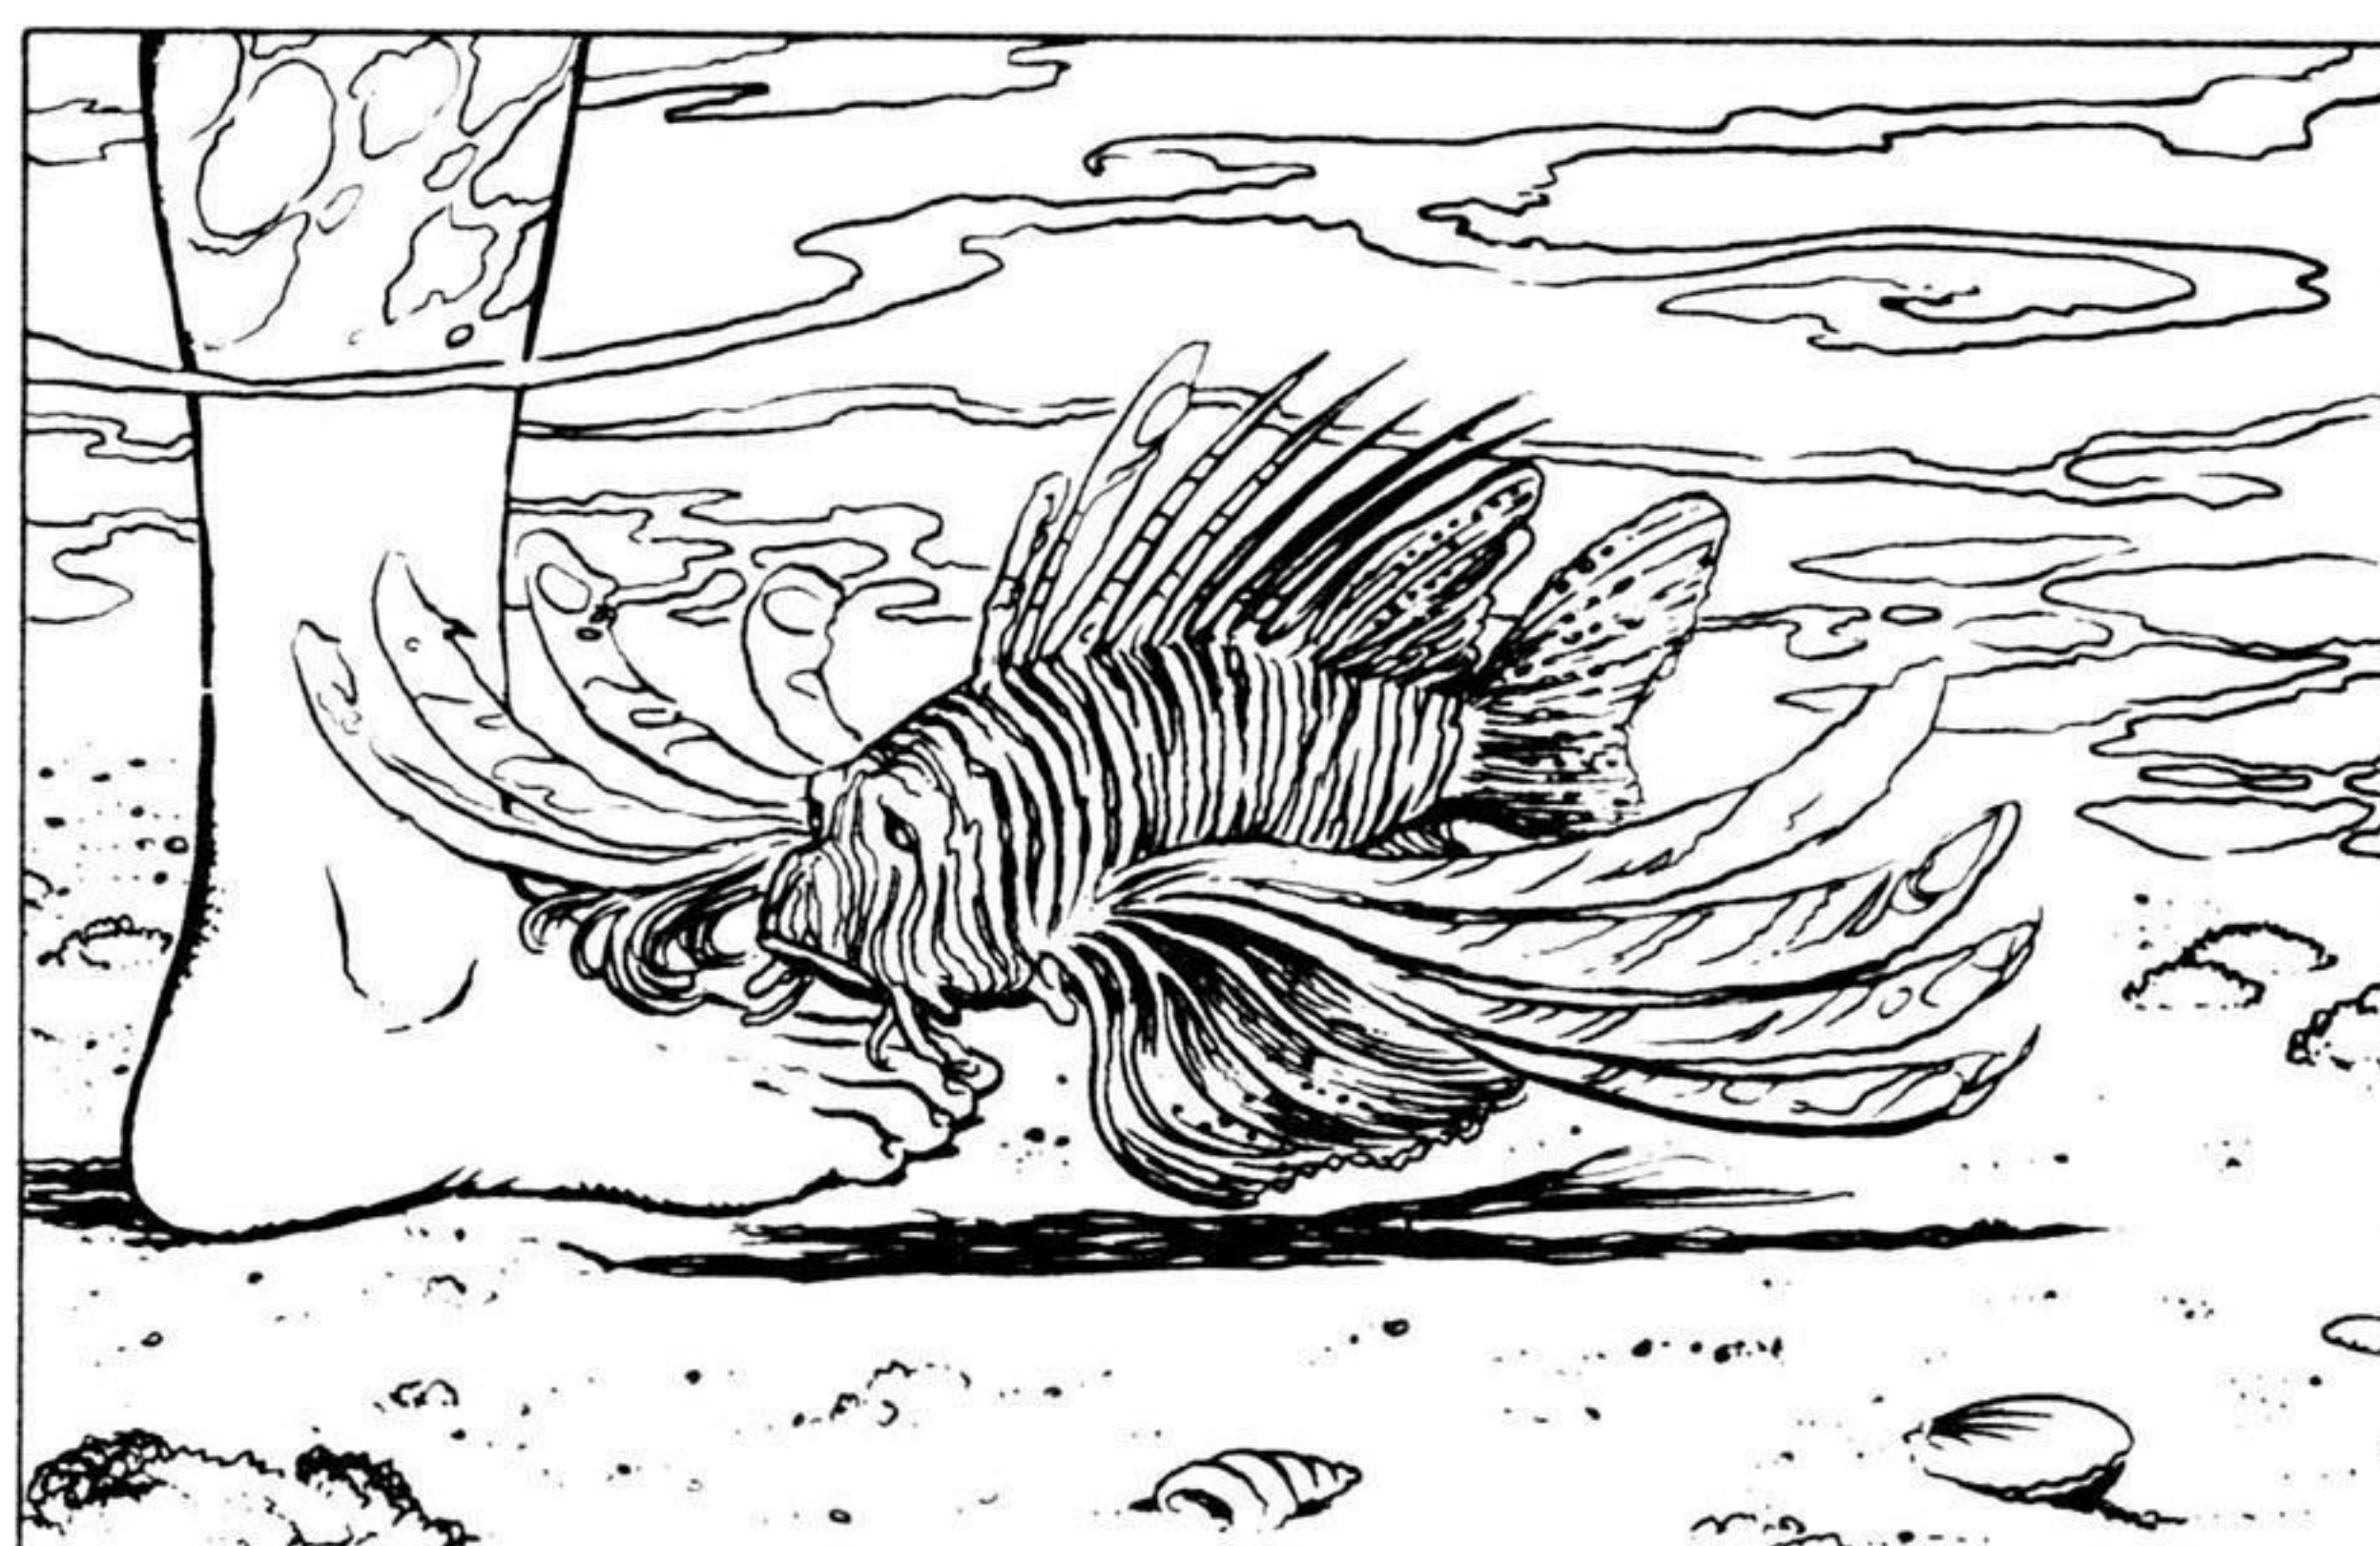

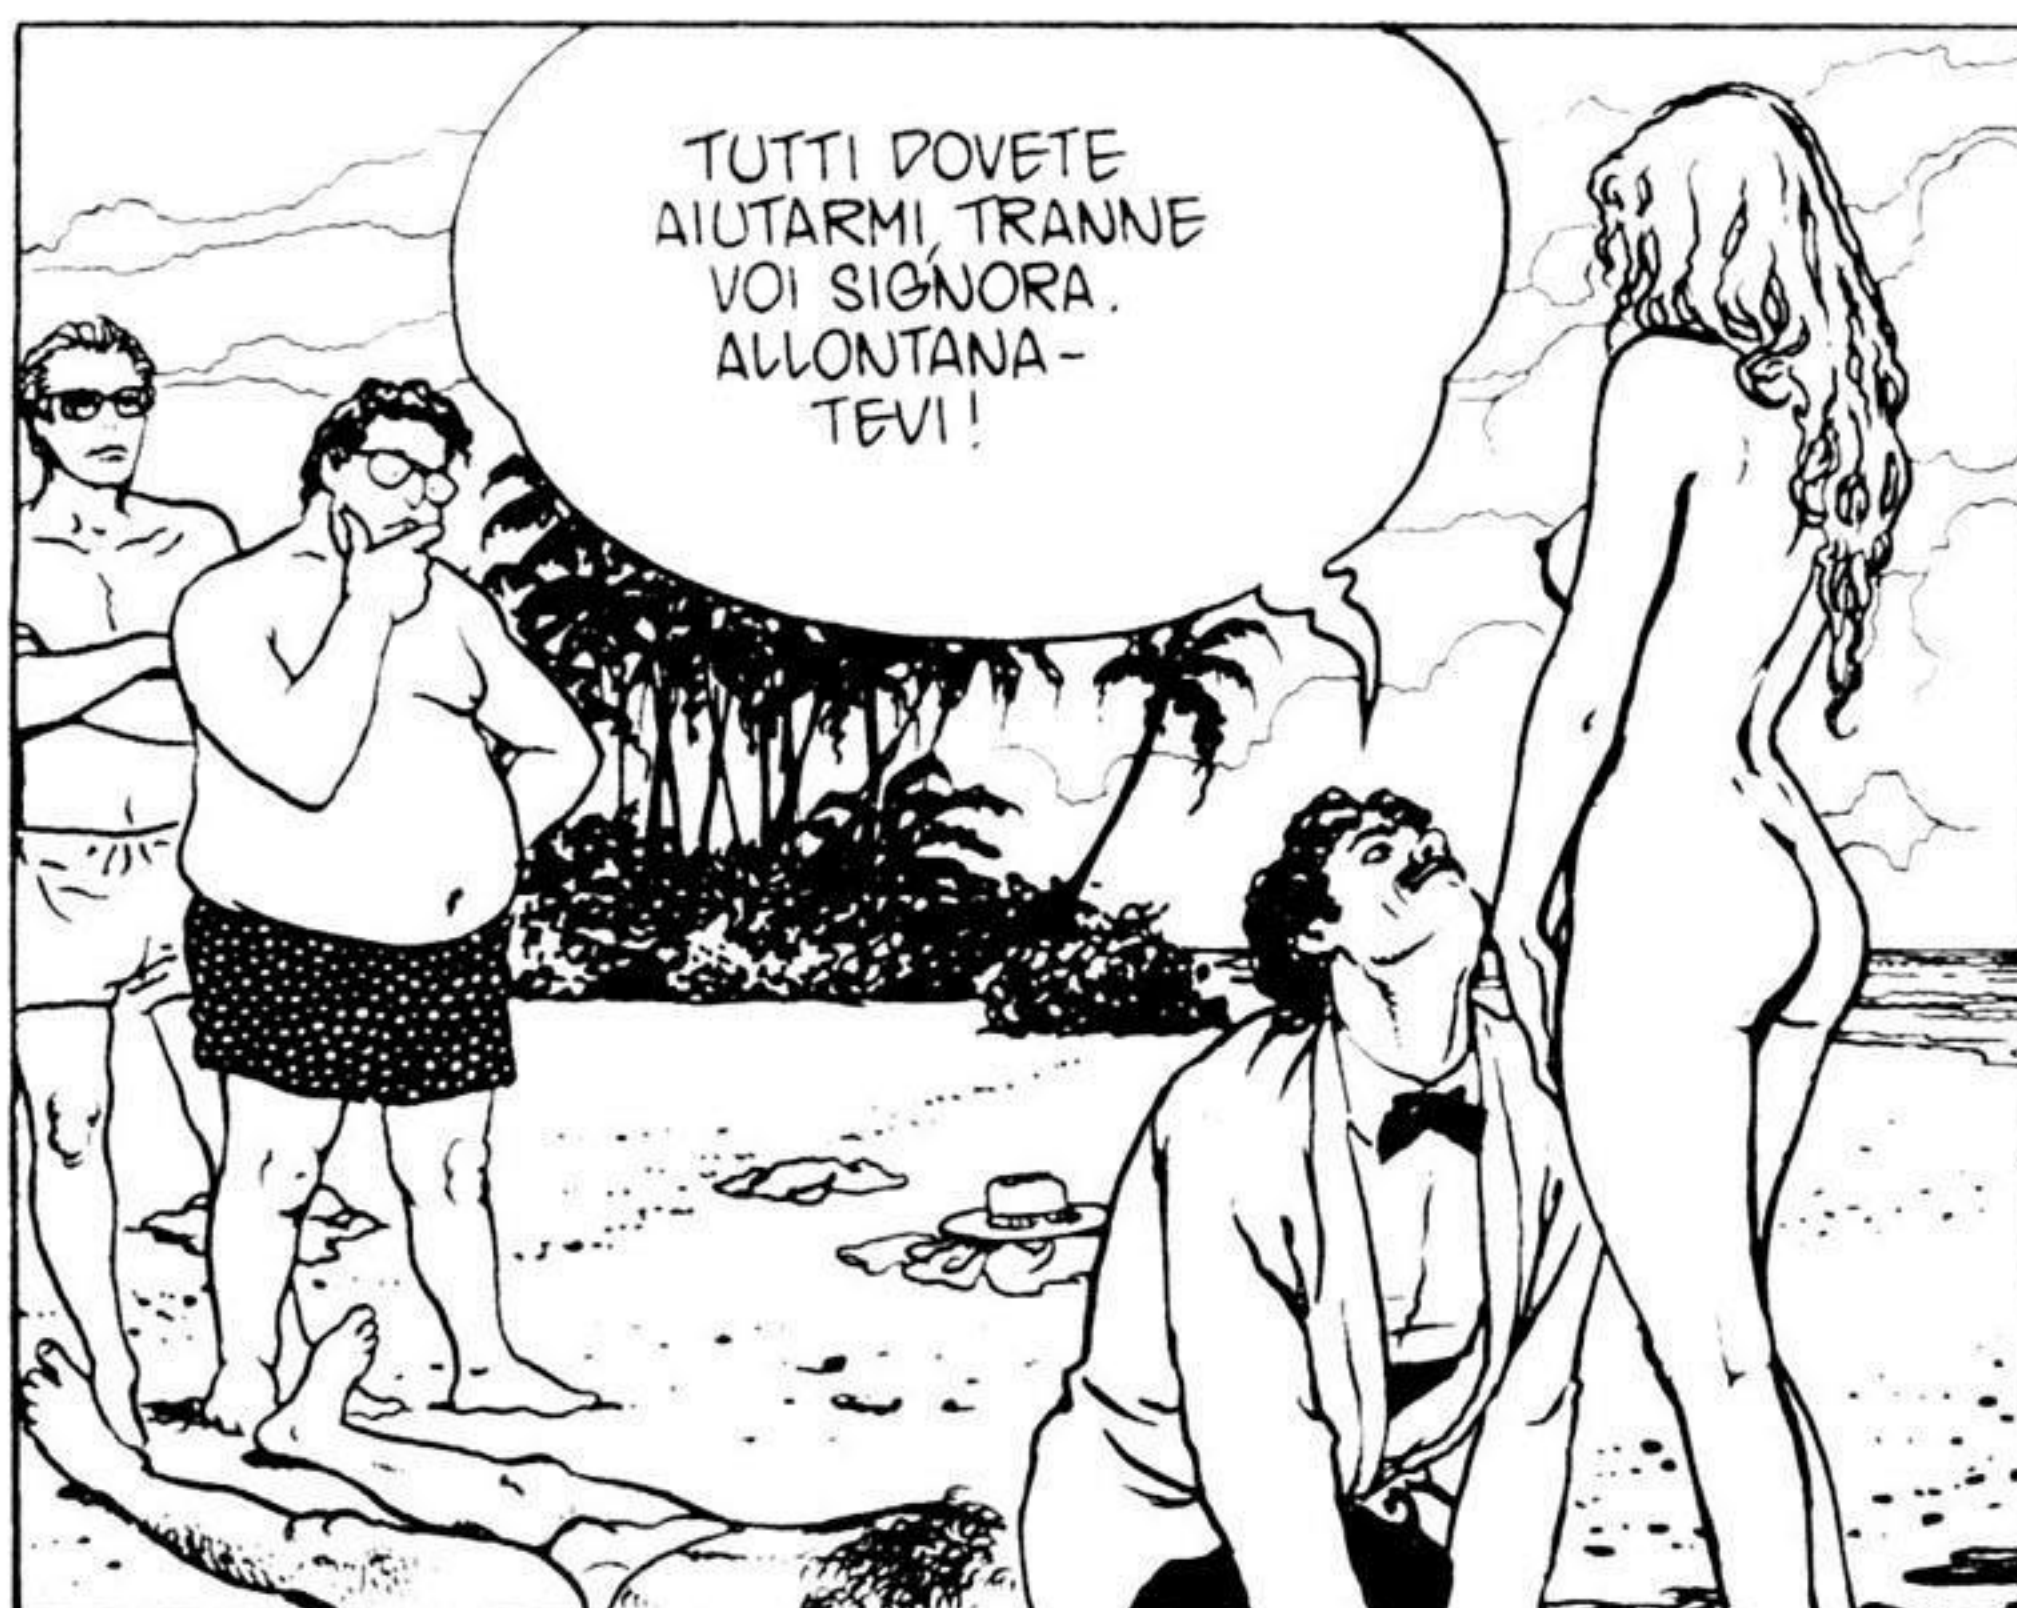

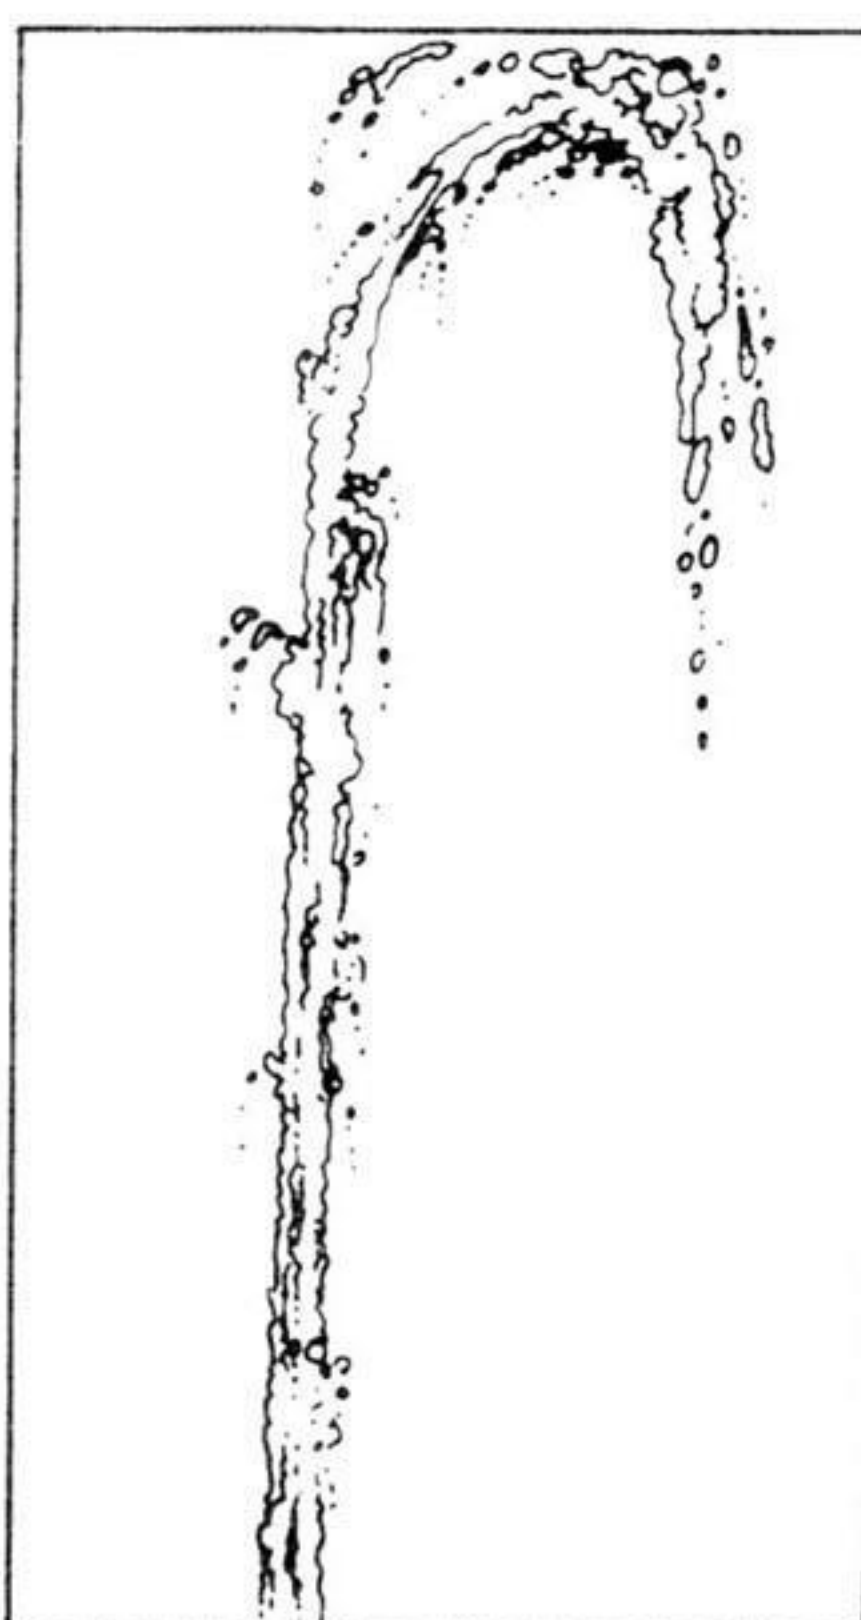

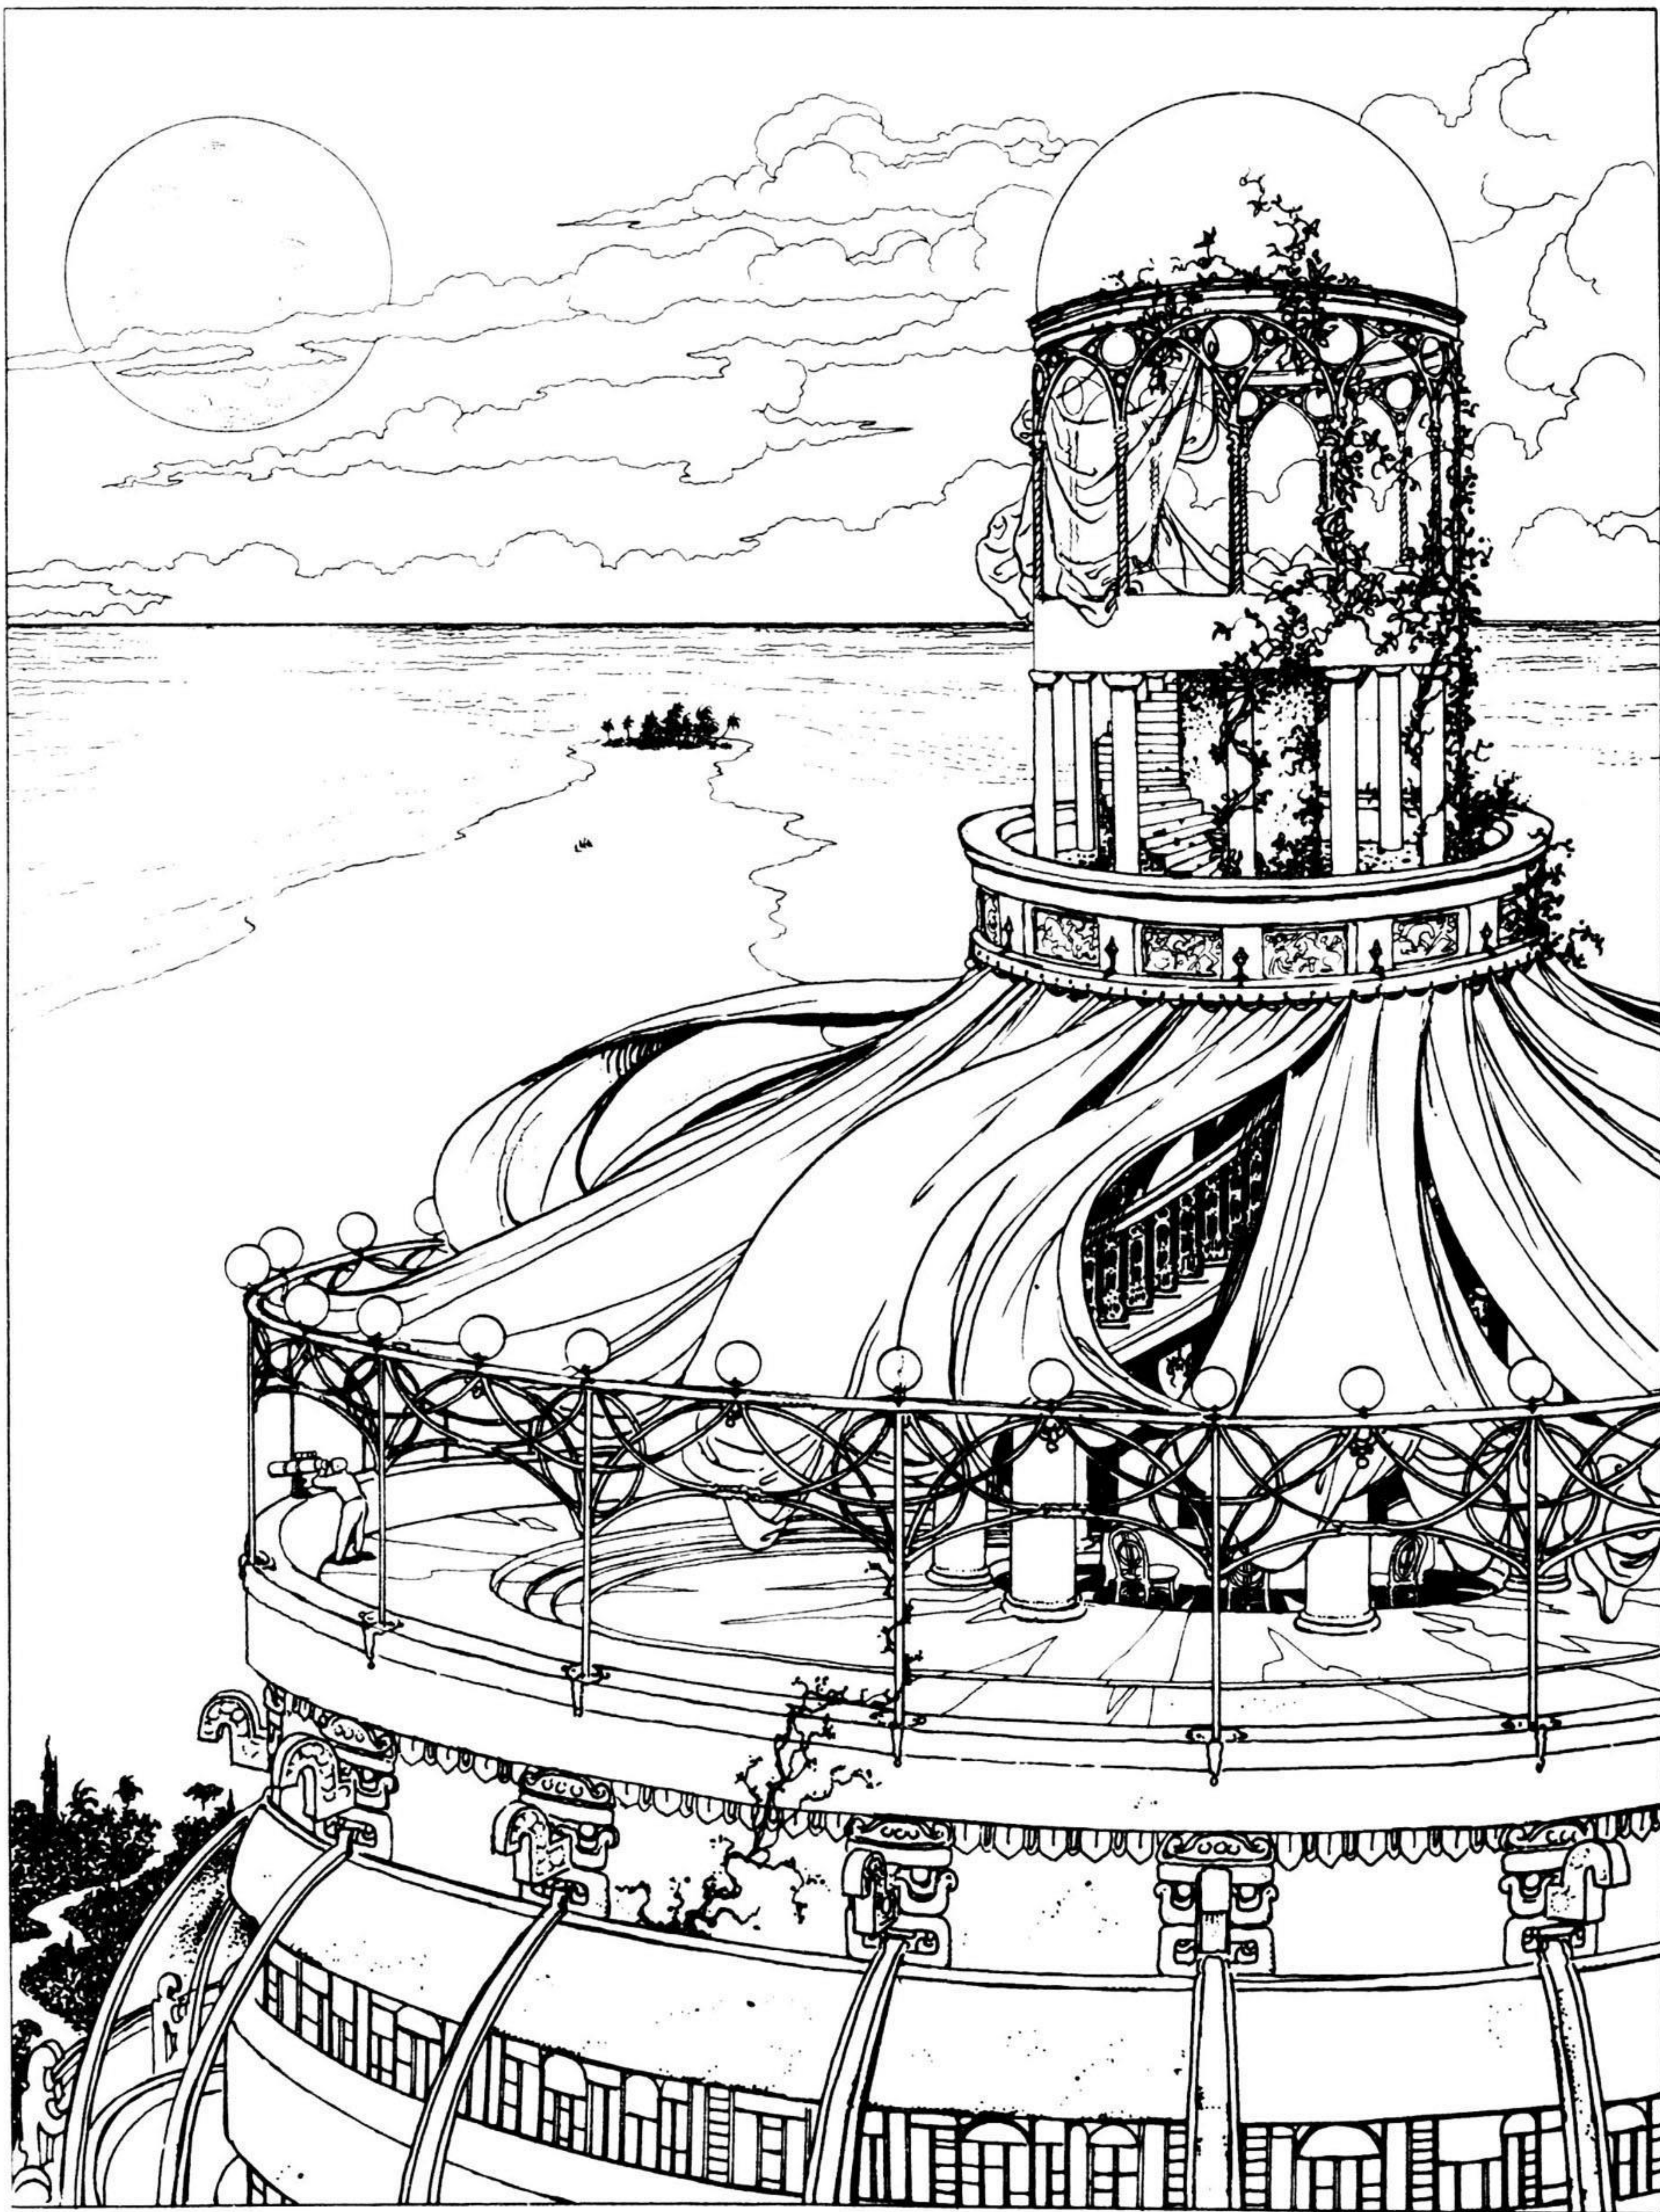

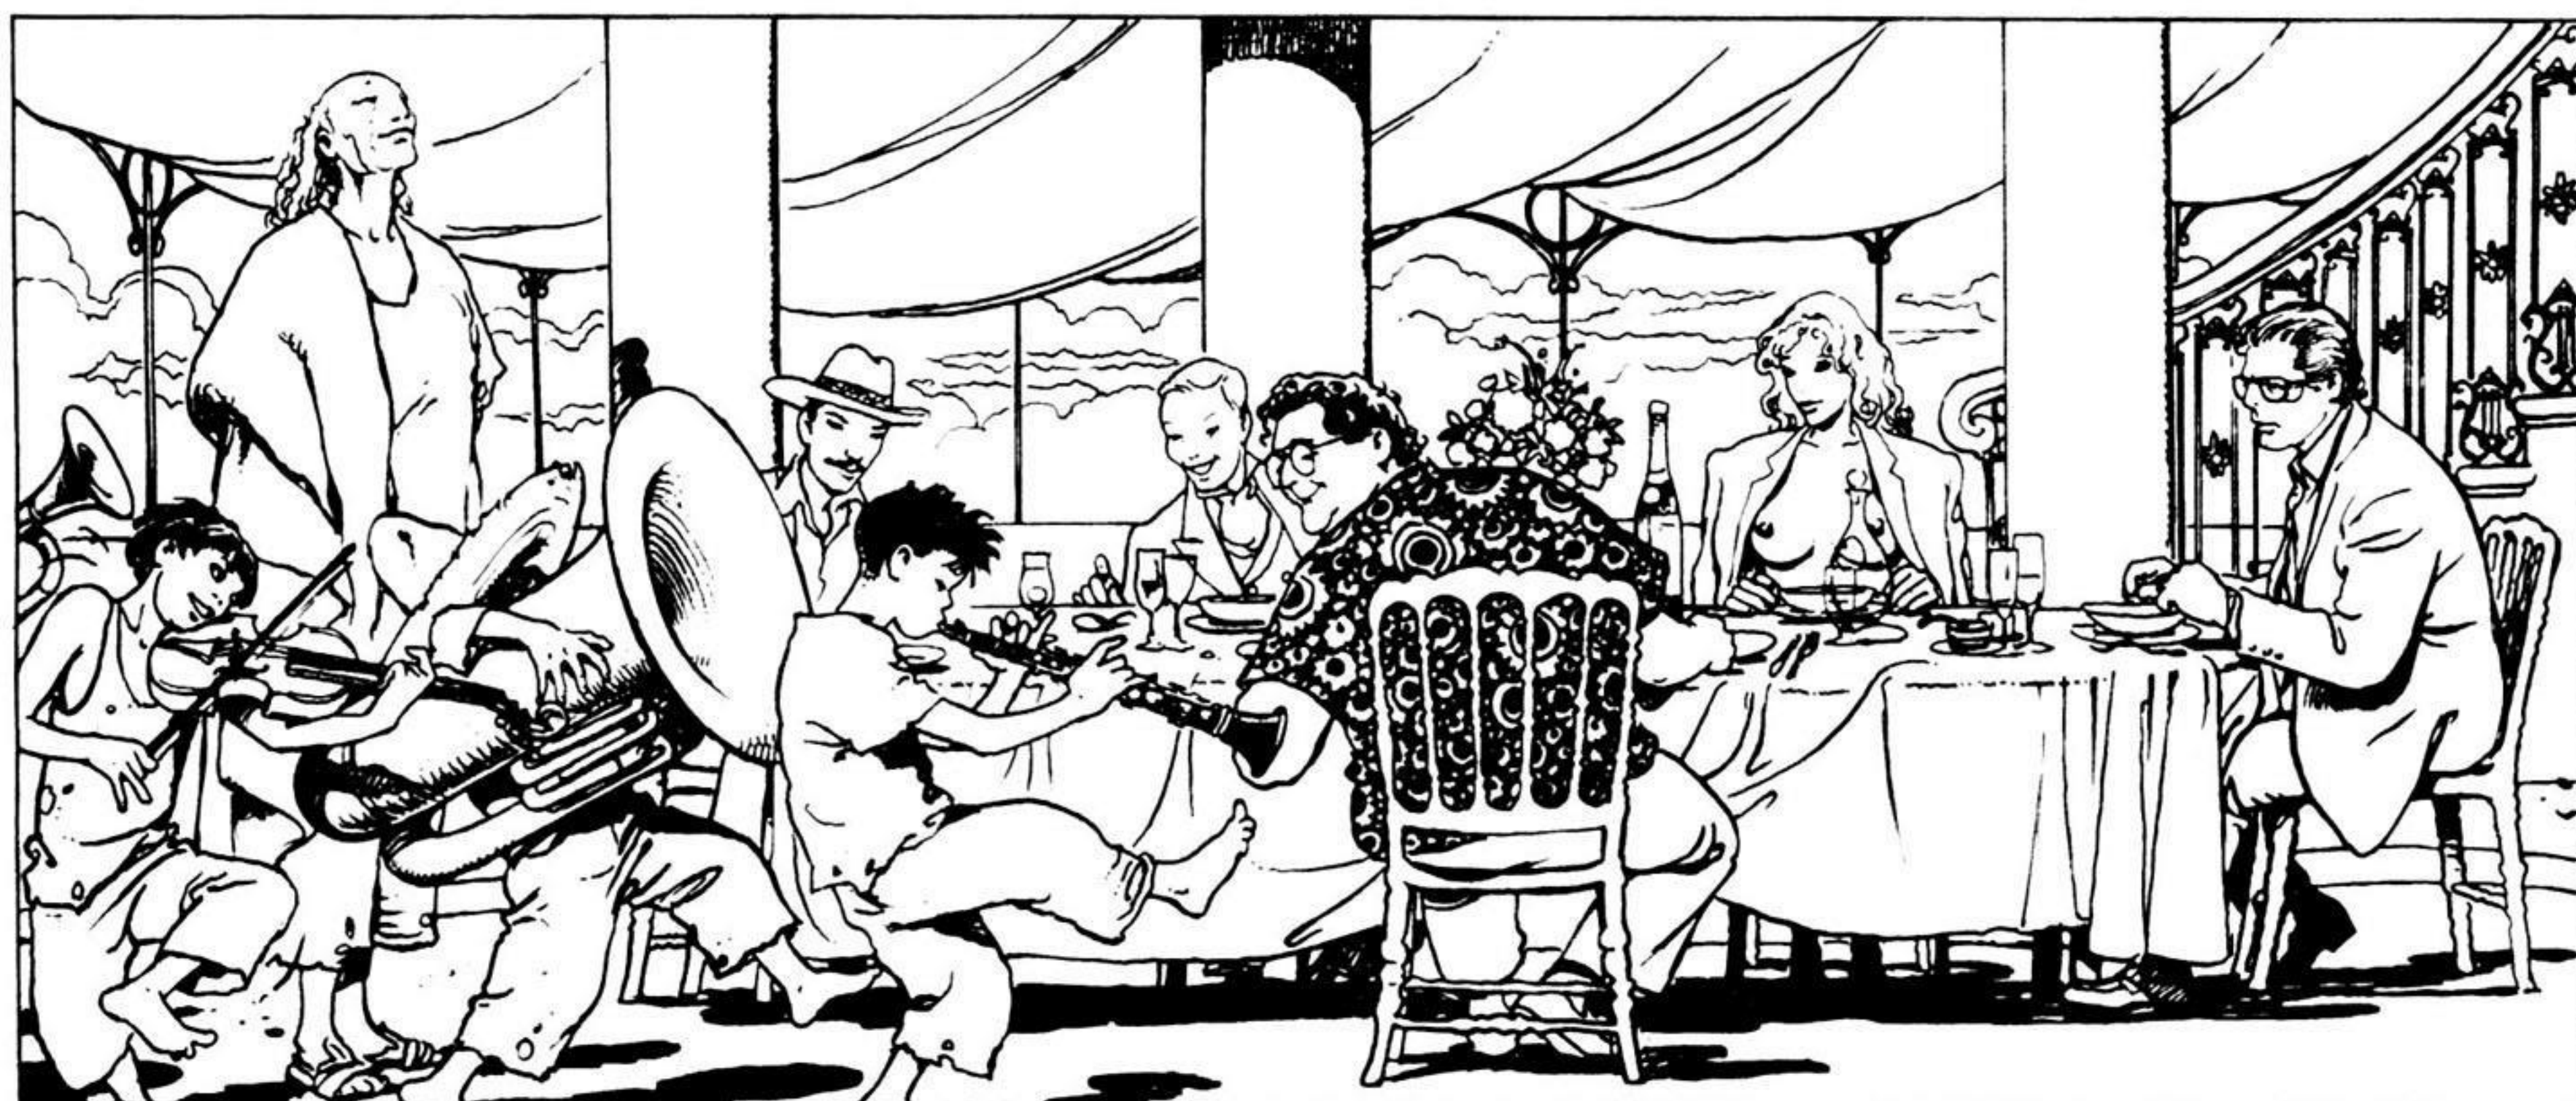

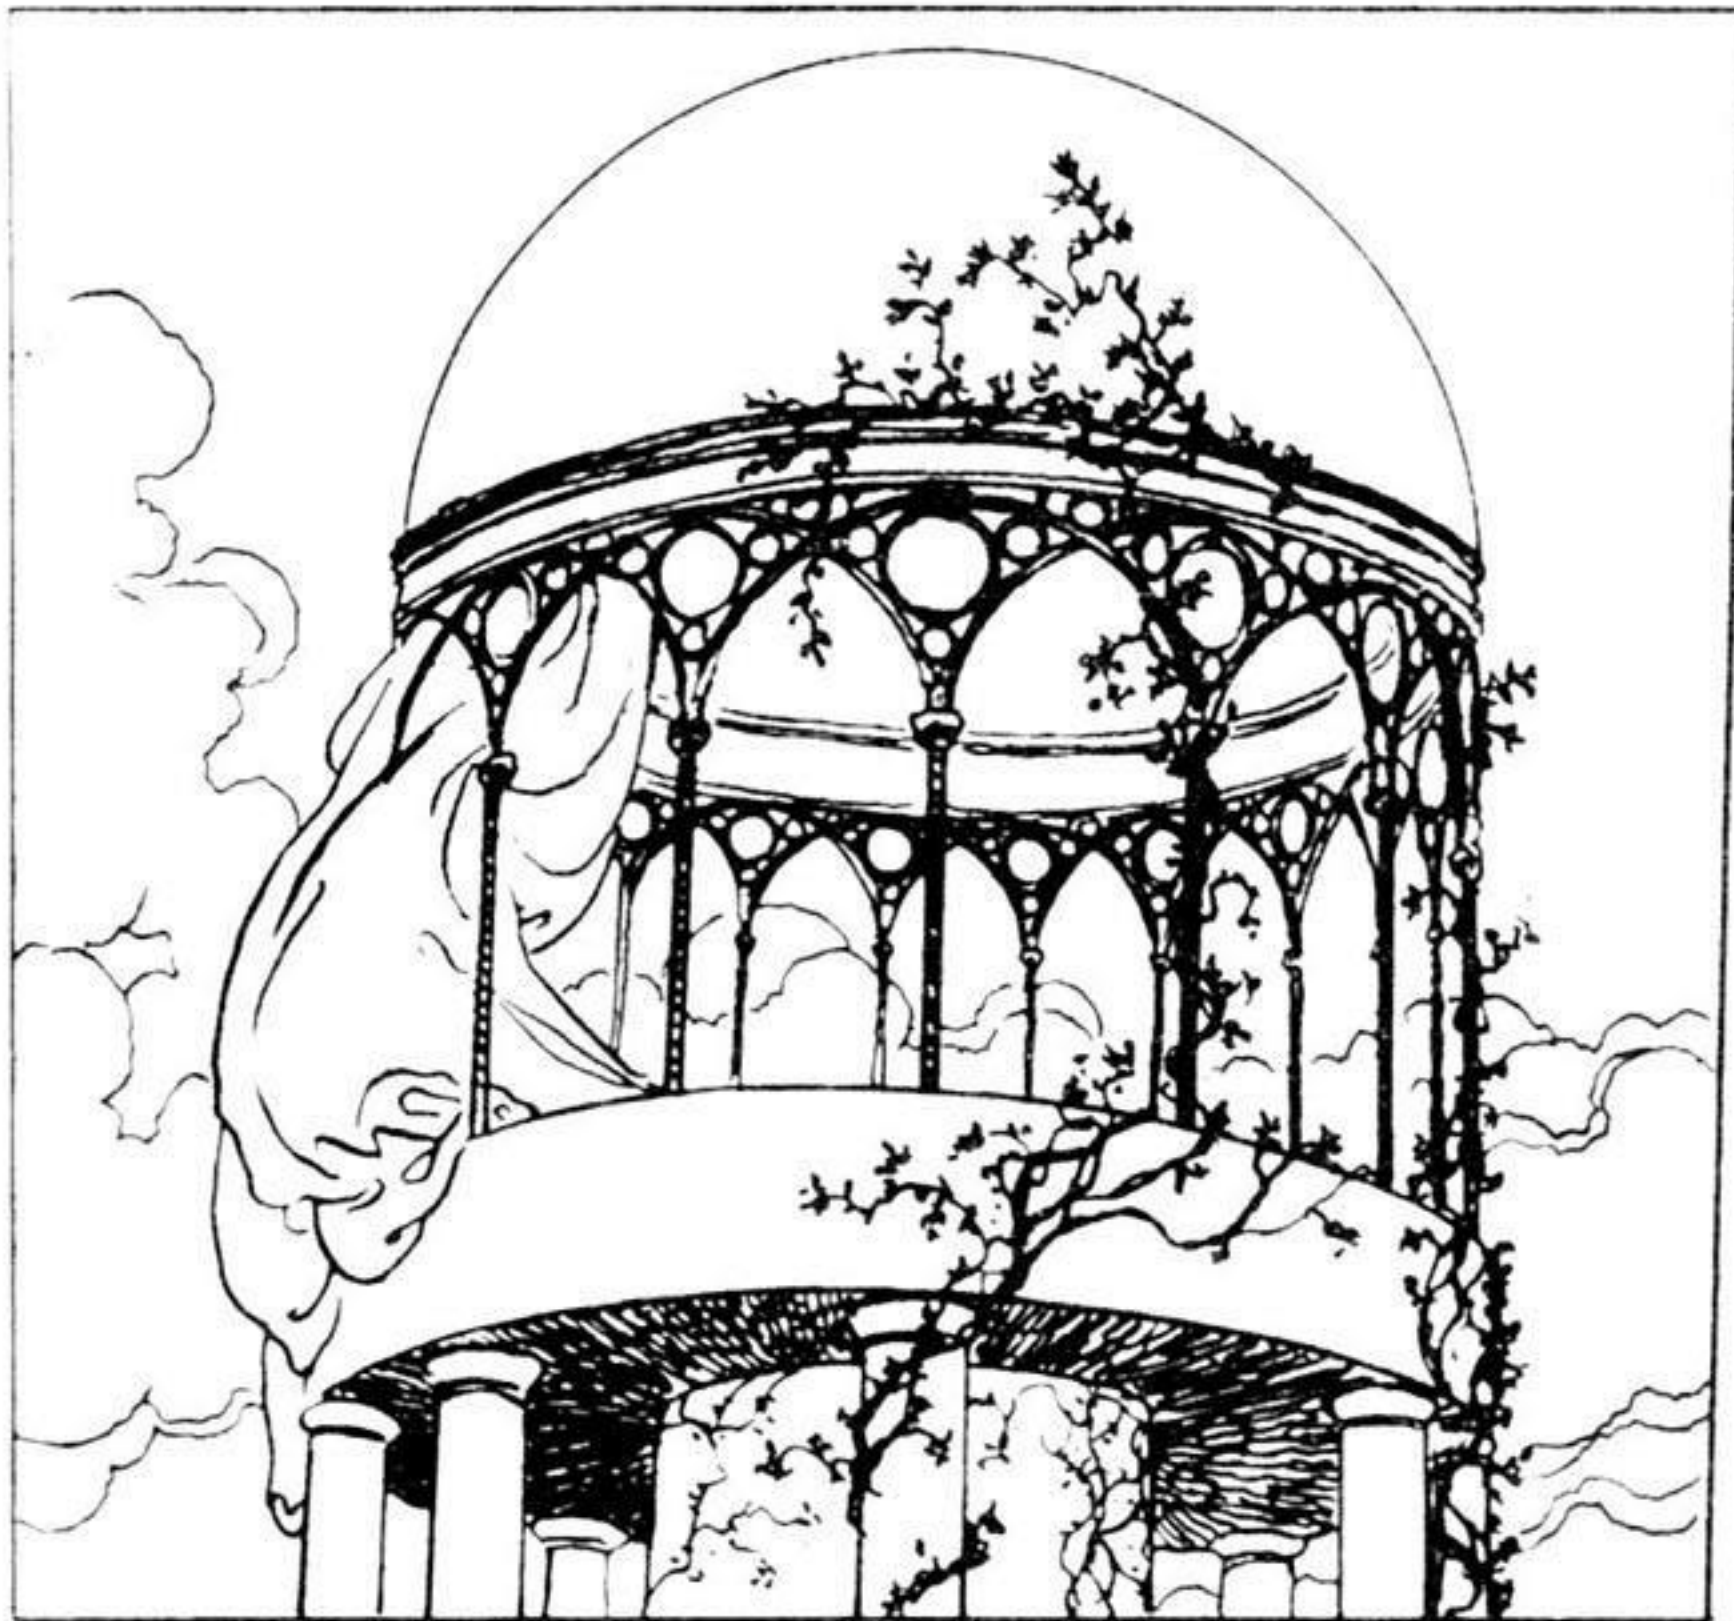

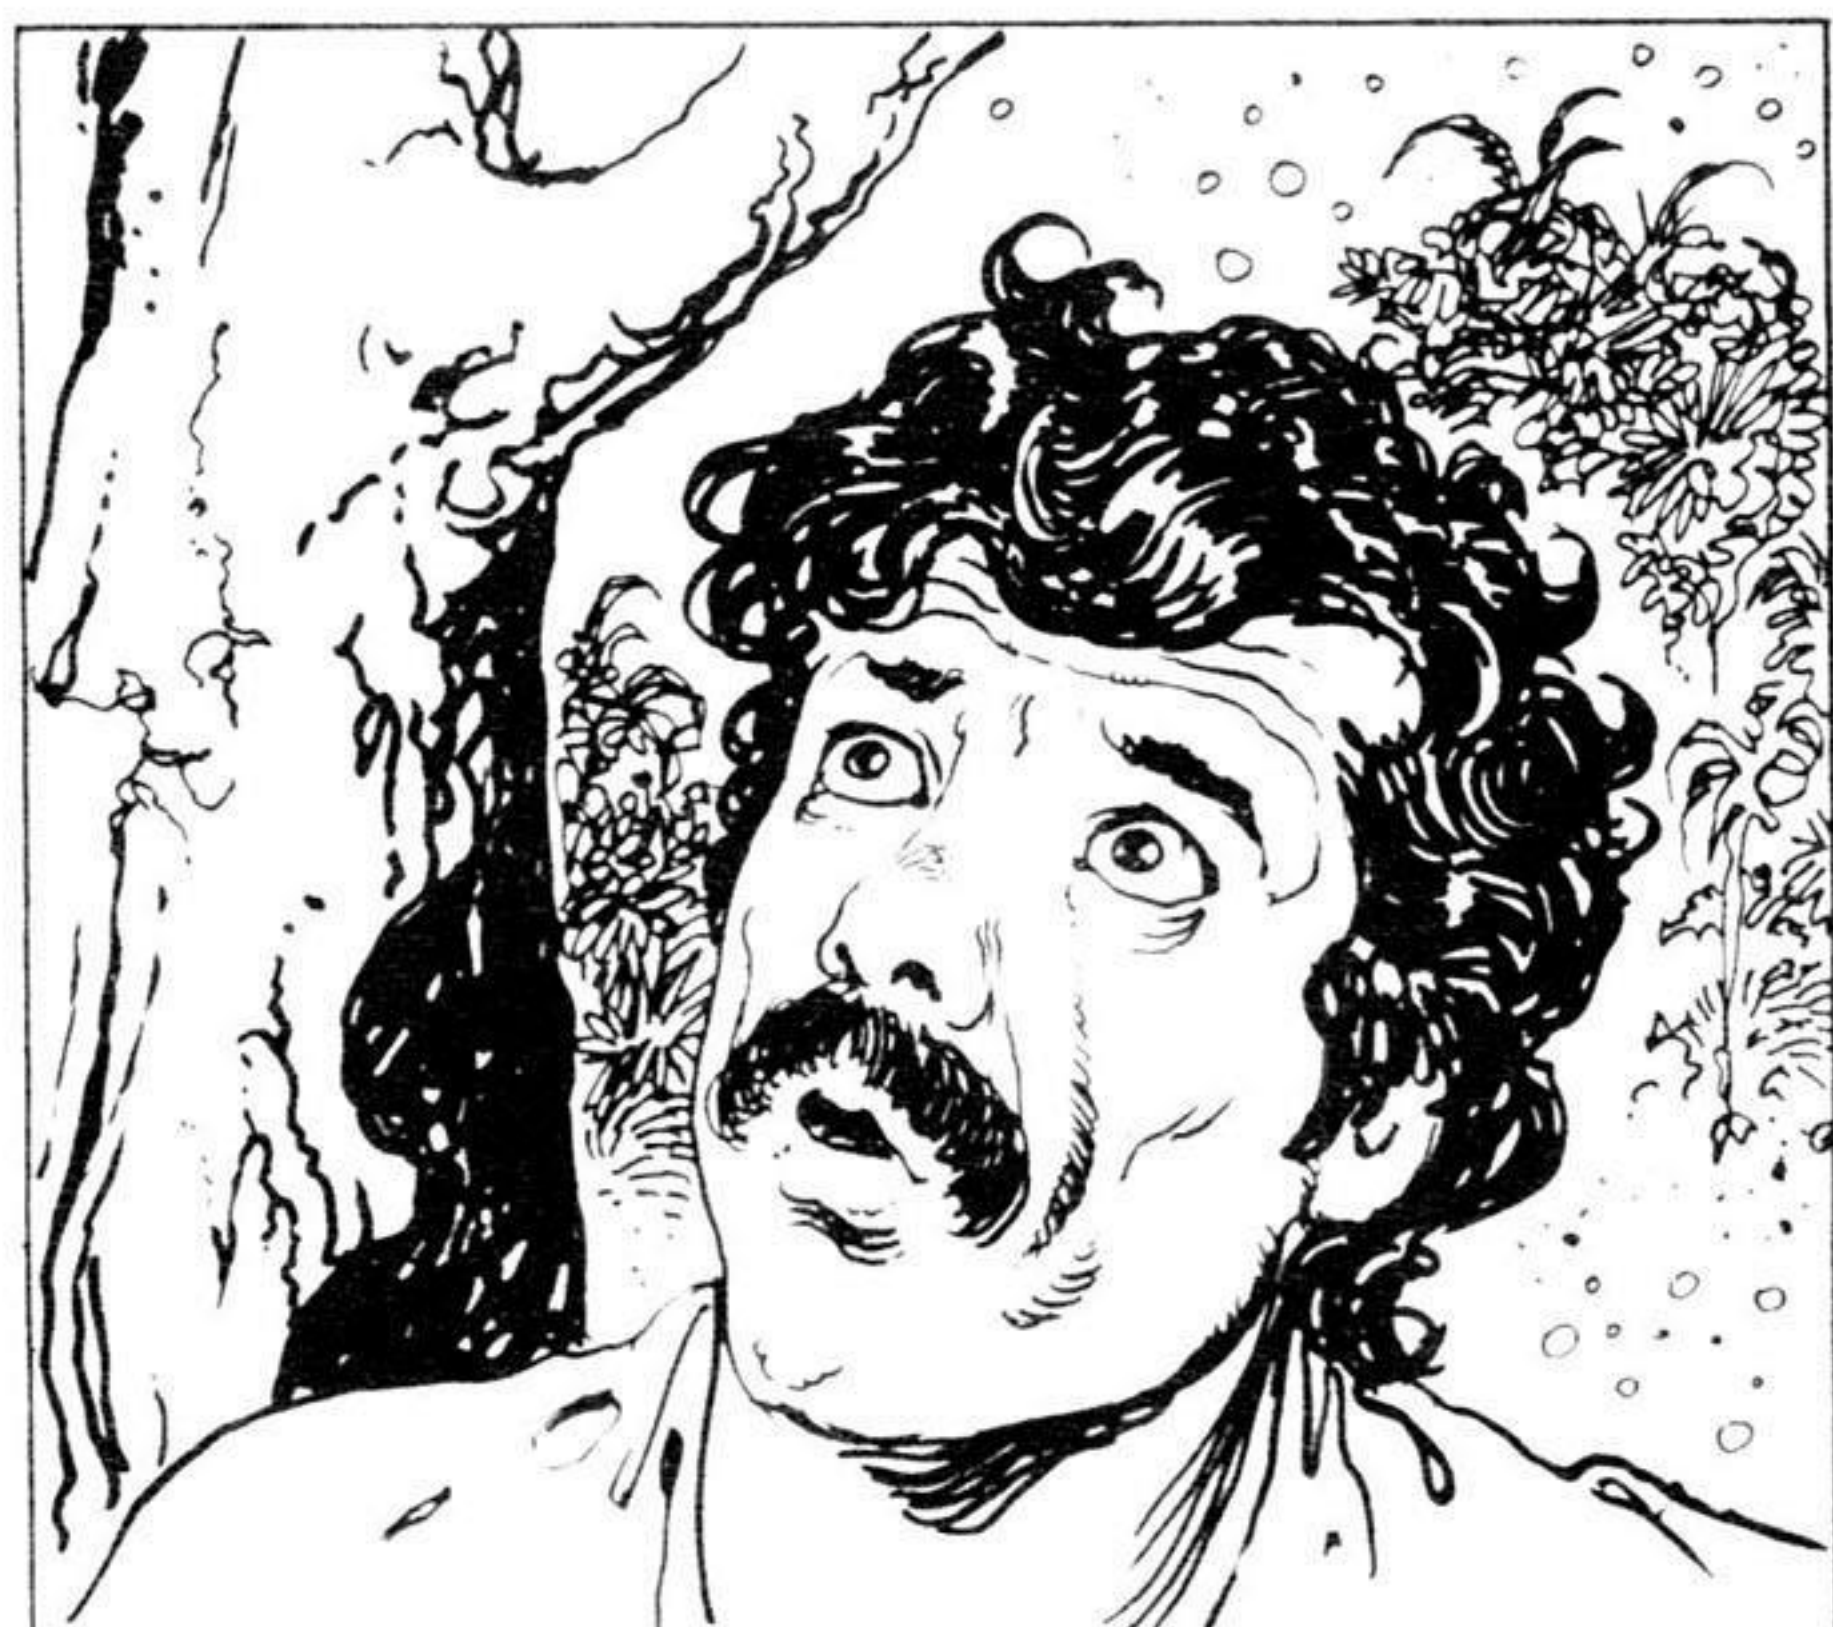

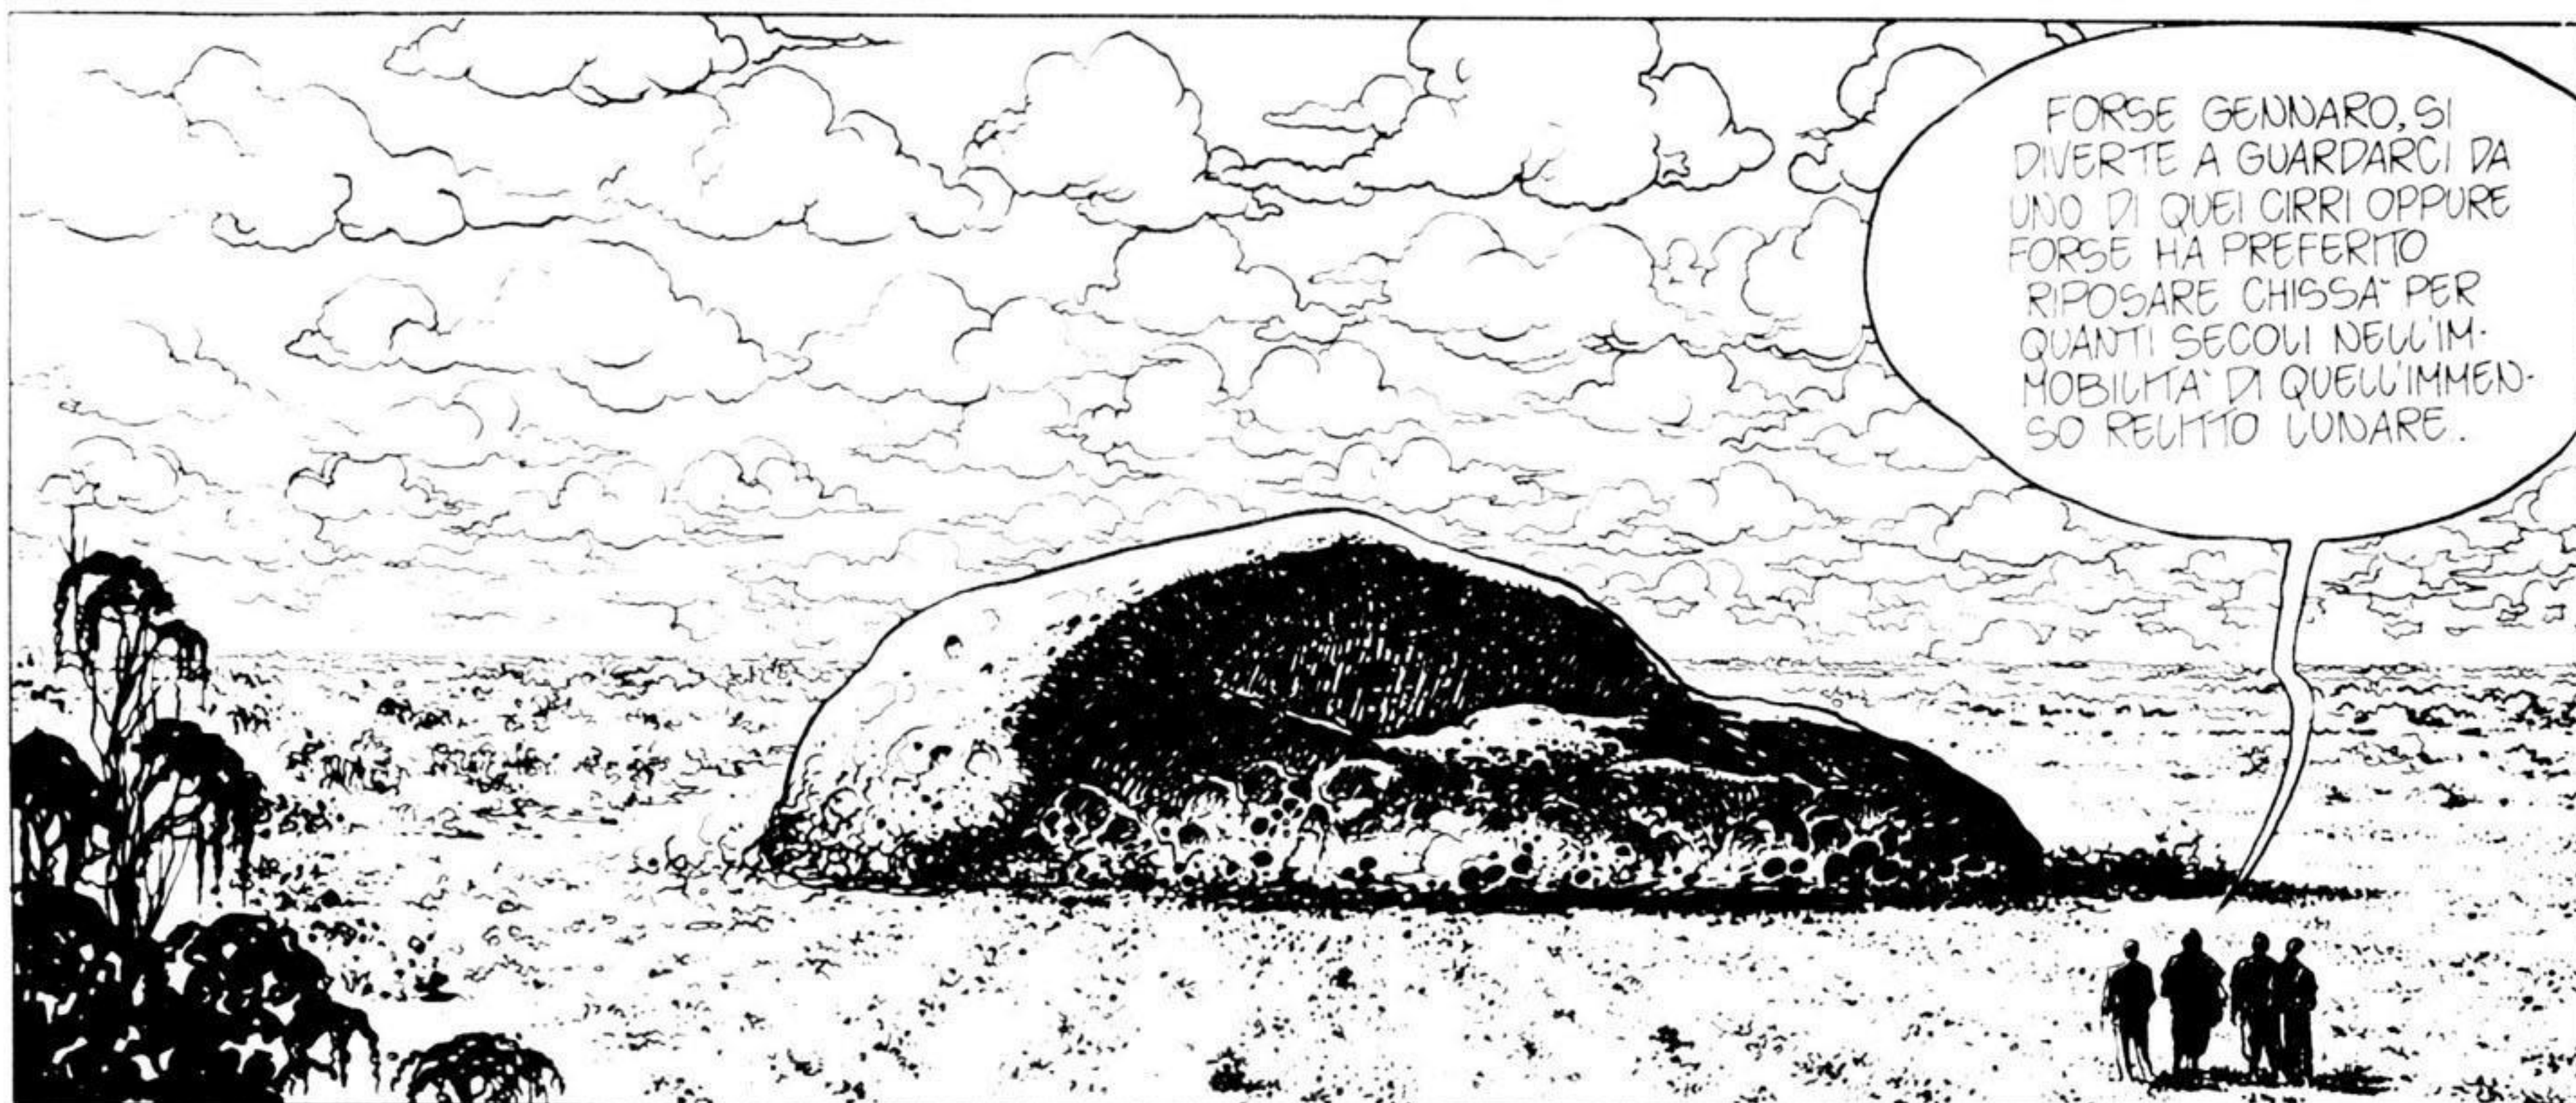

LO STREGONE GENNARO, NELLA SUA LIQUIDA E RISONANTE FORMA CHE SCINTILLA SOTTO I RAGGI DELLA LUNA, STA RACCONTANDO ALLO STRANIERO I SEGRETI DELLA CONOSCENZA DEGLI ANTICHI VEGGENTI I TOLTECHI.

NON ERANO UNA RAZZA, NON ERANO UN POPOLO, MA DEGLI UOMINI CHE ERANO RIUSCITI A FAR EMERGERE LA PARTE DIVINA CHE VIVE IN NOI. CONOSCEVANO LA LEGGE NATURALE PER MUTARE LE VIBRAZIONI DELL'ENERGIA COSMICA...

ARRESTANDOLE AGLI INFINITI COAGULI CHE DIFFERENZIANO LE MATERIE CHE CI CIRCONDANO NELL'UNIVERSO E CHE CHIAMIAMO VITA, POTEVANO INTENDERE E COMUNICARE CON LE PIETRE, LE PIANTE E TUTTI GLI ANIMALI DELLA TERRA, DEL CIELO E DEI MARI.

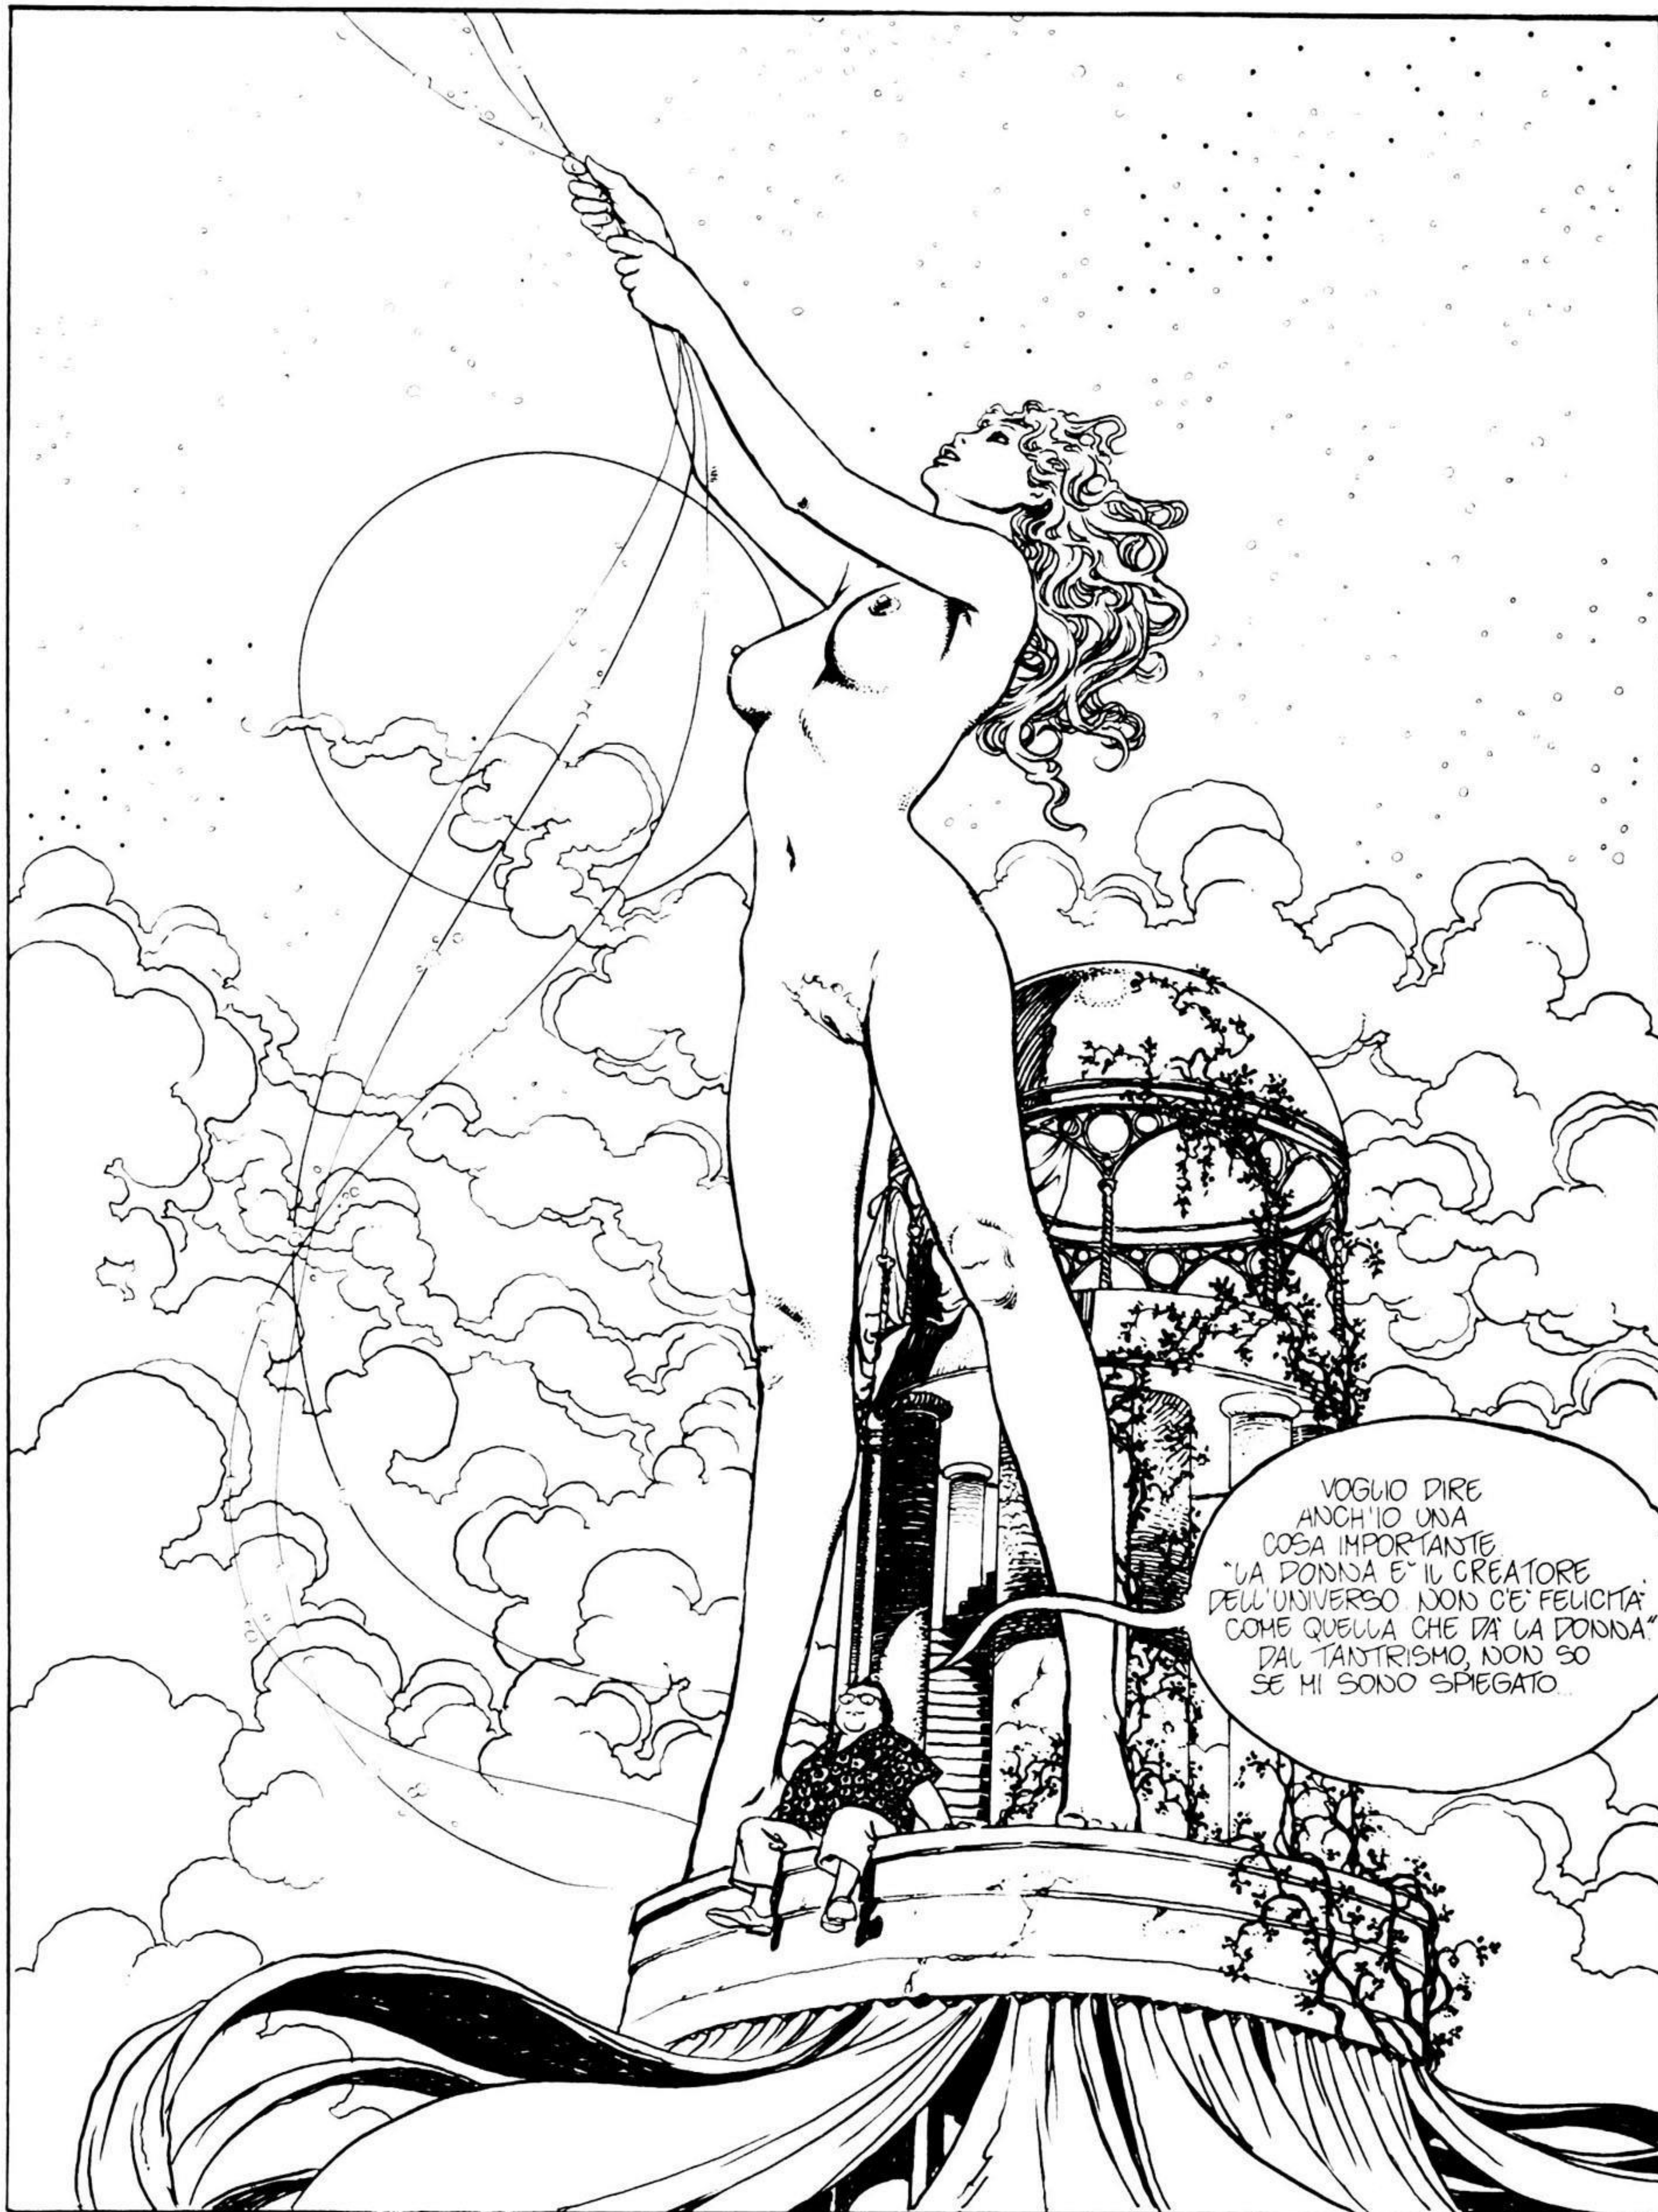

QUANDO GLI ESERCITI DEGLI INVASORI SI IMPADRONIRONO DEI LORO TERRITORI...

UCCIDENDO E SACCHEGGIANDO, ALCUNI DI QUESTI VEGGENTI, PER SALVARE LA LORO CONOSCENZA, DECISERO DI IRRADIARSI NEL MONDO...

VOGLIO DIRE
ANCH'IO UNA
COSA IMPORTANTE.
"LA DONNA E' IL CREATORE
DELL'UNIVERSO. NON C'E' FELICITA'
COME QUELLA CHE DA' LA DONNA."
DAL TANTRISMO, NON SO
SE MI SONO SPIEGATO...
